ONE FROM THE ALBUM: Saba with her parents and relatives during a 2025 visit to India

Rahul.Singh1@timesofindia.com

Bulandshahr: From studying wildlife science at Aligarh Muslim University (AMU) to teaching yoga in the United States and eventually entering electoral politics, 42-year-old Saba Haider has added another milestone to her remarkable journey, winning a seat in the Illinois House of Representatives with an emphatic mandate.

Haider, whose family roots lie in Aurangabad town of Bulandshahr, defeated Republican rival Brian Scopa in the election for Illinois' 84th House District, securing around 71% of the votes against his 29%, according to the latest results. The victory triggered celebrations at her parental home in Ghaziabad, with relatives in Bulandshahr also joining in the excitement.

Her father, Syed Ali Haider, a retired engineer, said congratulatory calls had been pouring in since the results came in. "This is not just a victory for our family but a moment of pride for the entire country," he said.

Her mother, Chandni, said Saba had displayed an inclination towards public affairs and politics from a young age. "She would always take part in debates and oratory competitions. I think her strong academic background created the foundation for her passion in politics and public service," she said.

Saba studied at the Holy Child School in Ghaziabad before pursuing a BSc degree from Ram Chameli Chadha Vishvas Girls' College. She subsequently earned a gold medal in wildlife sciences from AMU. In 2006, she married Ali Kazmi, a computer science engineer from Bulandshahr, and moved to the US with him in 2007.

Settled in the Chicago area, the couple have two children, Azim (16) and Aizah (12). Saba went on to become a certified yoga teacher, training a diverse clientele ranging from college students to corporate professionals. Her work in wellness helped her build connections within the local community.

"Over the years, Saba has built connections with people in her community through her work in wellness and social initiatives. Her husband has been equally supportive, encouraging her to take up public causes and pursue her political journey. We have always stood behind her ambitions," Chandni said.

Her political journey, however, was not without setbacks. She first contested the DuPage County Board elections in 2022 but lost by around 1,000 votes. Determined to make another attempt, she returned to the electoral fray in 2024 and defeated Republican incumbent Patty Gustin by a reported margin of 8,521 votes to secure a seat on the DuPage County Board.

The board comprises elected representatives from six districts, with tenure determined through a draw and varying between two and four years.

Since then, Haider has chaired the county board's environmental and strategic planning committees and worked on issues concerning public health and community development. Her campaign for the state legislature focused on affordable healthcare, education and easing the rising cost of living.

It's all about the Raman effect: From Transparent Chennai to City of Angels

Nithya Once Mapped TN Capital's Traffic

Omjasvin MD & Ayyappan V | TNN

Chennai/T'puram: Around a decade and a half before Los Angeles elected her as its first Indian-origin mayor, Kerala-born Tamil Nithya Raman sat with residents of a south Chennai suburb to map the notorious traffic snarls that would routinely disrupt their lives.

On Thursday, WhatsApp groups in Nanganallur were buzzing with messages claiming the face riding the crest of the blue wave along Southern California's glitziest skyline as one of their own.

Someone wrote in about being part of the group of 10-odd residents she interacted with regularly as an urban planner helping find solutions to the suburb's civic problems. Another spoke of how "curious and eager" she was to understand local issues and use her expertise to resolve them.

"What we didn't know was that she would go on to be a politician and get elected as mayor of L.A.," said K Sankaran, ex-president of Thillai Ganga Nagar Residents' Welfare Association.

The distance between Los Angeles and the Tamil Nadu capital, separated by 7,800-odd nautical miles, wasn't the only one to be bridged by mutual celebration of a bright, young politician straddling different worlds.

Around 830km from Nanganallur, at Kumarapuram in Thiruvananthapuram, a nondescript two-storey house in a narrow lane off the main road resonated with more personal insights into the Nithya story. It was here that the mayor-elect has stayed during multiple visits to meet her aunt Vanaja Sankar and other family members.

"She is a good girl who has always cared deeply for the family. She would make regular visits to her grandparents in West Fort till they were around. She never fails to visit me whenever she is in Thiruvananthapuram. I am her oldest surviving relative here," said Vanaja, showing family albums containing her now-famous niece's pictures.

Nithya (45) moved to Louisiana with her parents as a six-year-old and became a US citizen by 22. Armed with an urban planning degree from Harvard University, she arrived in Chennai at 23 and founded Transparent Chennai, a civic initiative under Centre for Development Finance at Institute for Financial Management and Research. It used data and community participation to tackle urban governance.

Nithya worked on urban planning in Chennai from 2004 to 2013, including working closely with local citizens' groups to document civic problems.

"The collaboration involved organising community forums, mapping traffic problems and collecting data on public transport, pedestrian safety and gaps in civic infrastructure," said V Rama Rao, an activist from Lakshmi Nagar in Nanganallur. "The data was meant to be presented to Chennai traffic police and municipal corporations to help develop actionable solutions."

Nithya has acknowledged her Chennai stint in interviews to international publications, saying her organisation mapped and evaluated public toilets across the city to identify what needed to be fixed. She also spoke about studying working conditions of recycling workers and helping them get recognition from the state govt.

In Thiruvananthapuram, where Nithya was born in 1981, aunt Vanaja said her niece loved visiting Kovalam for its beach and prayed at the Sree Padmanabhaswamy temple. "Nithya studied at a private school in Thrissur before moving to the US. She likes leading a simple life and has a lot of empathy for the poor. Perhaps it was this quality that led her to public life in the US."

Before immigrating to the US, Nithya's father, R Venkataraman, worked at Keltron while her mother, Sudha, was employed with Indian Overseas Bank.

Among midterm's magnificent 7, two are from Guj, both docs

Parth.Shastri@timesofindia.com

Ahmedabad: Among the seven Indian-American midterm winners are two second-generation Gujarati Americans — California Democrat Ami Bera and Arizona Democrat Amish Shah — linked not just by heritage, but also by profession: both are doctors.

Bera, whose birth name is Amerish, secured his victory on Wednesday from California's 6th Congressional District, while Shah was declared the winner early Thursday morning local time from Arizona's 1st Congressional District. Political observers from the Indian community in the US said the outcomes carried record value on two fronts: Bera extended his standing as the longest-serving Congressman of Indian origin, while Shah became the first Indian-origin person elected to Congress from Arizona.

Bera traces his roots to Rajkot. His father migrated to the US and later brought his mother. Bera was born in Los Angeles and raised in Orange County, according to his profile. He pursued a career in medicine and served as chief medical officer for Sacramento County before entering politics.

In the midterm contest, Bera defeated Republican candidate Robb Tucker with 57% of the vote. His campaign highlighted healthcare, jobs and the economy, the environment, and social security.

Bera (L) extended standing as longest-serving Congressman of Indian origin, while Shah is the first PIO elected to Congress from Arizona

Shah's official biography says his parents migrated from India in 1960s to study engineering. Born and raised in Chicago, Shah is an emergency medicine specialist and is listed as the founder of the Arizona Vegetarian Food Festival. On languages, he describes himself as speaking "conversational Spanish and fluent Gujarati".

Shah's race drew attention as he faced former NFL player Thomas Feely. He won with 52% of vote, delivering what observers called a first for an Indian-American candidate in Arizona. His campaign issues included an affordable lifestyle, social security and universal healthcare, and education.

Ankur Vaidya, chairman of the board at the Federation of Indian Associations (FIA), USA, said the results matter beyond the two races. "In the past, we also had representatives at state and city levels who have Gujarati roots. Earlier, we supported political parties and even did fundraisers, but having candidates is something new we have seen in the past few years," Vaidya said.

MARKET MILESTONE Fall in crude oil price fuels rally with a steady flow of IPOs also helping grow mcap; But analysts suggest caution as profit-booking, geopolitics could still weigh

D-Street Enters ₹500-L cr Club Even as Sensex Way Below Peak

Ravindra Sonavane

Mumbai: The combined market capitalisation of all companies listed on the BSE crossed ₹500 lakh crore for the first time Thursday, reaching around $6.2 trillion (₹6.31 trillion) amid a broad-based rally in equities and a steady addition of newly listed companies.

It took 622 trading sessions for the total mcap to rise from ₹400 lakh crore, first crossed on April 8, 2024, to the latest milestone. The mcap first crossed ₹300 lakh crore on March 12, 2014, and took 1,494 sessions to reach ₹400 lakh crore on February 4, 2021. The ₹500 lakh crore milestone was reached on July 6, 2023, after another 586 sessions, while the subsequent rise to ₹600 lakh crore took 181 sessions.

The latest milestone is significant because it comes even as the benchmark Sensex and several broader market indices remain below their record highs. The Sensex is still 7.6% below its peak of 85,836, recorded on September 26, 2024.

The BSE MidCap 150 is 5.3% below its record of 17,373, reached on August 26, 2026, while the BSE SmallCap 250 is 8.4% below its peak of 7,514, recorded on September 23, 2024. The BSE MicroCap 250 is 7% below its record of 19,968, reached on September 8, 2026.

A steady stream of initial public offerings (IPOs) has also contributed to the expansion of the overall mcap, even as several benchmark indices remain below their peaks. In 2024, 94 companies made their mainboard debut, adding around ₹12 lakh crore to mcap on their listing days. In 2025, 115 companies listed, adding nearly ₹14 lakh crore, while 107 companies have listed so far in 2026, adding above ₹25 lakh crore.

"The large number of IPOs has added to the overall mcap. At the same time, several companies outside the main indices have participated in the rally, helping total mcap reach a record even as major indices remain below their peaks," said Ankur Punj, MD, Equirus Wealth.

The latest milestone has also coincided with a sharp recovery in equities. The Sensex and Nifty have gained more than 8.1% each in six consecutive sessions. The BSE MidCap 150 has advanced over 8.4% in eight of the past nine sessions, while the BSE SmallCap 250 has risen around 7% in seven of past eight sessions.

The rally has been supported by a decline of more than 19% in crude oil prices over the past three sessions, easing concerns over inflation, India's import bill and the rupee. Strong foreign portfolio investor (FPI) buying, with net inflows of over $3.4 billion in the past 12 sessions, positive global cues, reduced uncertainty following the US midterm elections and better-than-expected second-quarter earnings have also lifted investor sentiment.

"The momentum could continue in the near term if crude prices remain stable at lower levels and foreign inflows sustain. However, investors should remain cautious as geopolitical developments, crude price volatility and profit booking after the sharp rally could limit further upside," said Ravi Singh, chief research officer at MasterCapital Services.

VNB MARGIN EXPANDS; INDIVIDUAL APE FLAT

LIC Net Up 20% in Q2 on Higher Premiums

Our Bureau

Mumbai: Life Insurance Corp of India (LIC) reported a 20% year-on-year increase in standalone net profit to ₹12,076 crore for the September quarter, broadly in line with Bloomberg's estimate of ₹12,115 crore, as higher premium income supported growth.

The insurer had reported a net profit of ₹10,053 crore in the year-earlier quarter. Net premium income rose 16.2% to ₹1.47 lakh crore, while net investment income increased to ₹1.15 lakh crore from ₹1.12 lakh crore.

A surge in bond yields through the quarter and a retreat in equities through the latter half of September dented investment returns at LIC, crimping profit growth at the country's biggest institutional investor.

"The MTM losses because of the market are the ones which have contributed much to the reduction. Otherwise, on the business component, it is much better," said Ajay Kumar Srivastava, executive director and appointed actuary at LIC. The embedded value had, however, increased about 1% since March, he said.

For the first half of FY27, LIC's net profit rose 21.5% to ₹25,568 crore, while total premium income increased 11.64% to ₹2.74 lakh crore.

Individual business annualised premium equivalent (APE) was almost flat at ₹17,224 crore in the first half, rising 0.31% year on year, while the number of individual policies sold declined 2.25% to 70.97 lakh.

The share of non-participating products in individual APE moderated to 34.03% from 36.31% a year earlier.

Share of non-participating products in individual APE slipped to 34.03% from 36.31% a year earlier

The insurer's value of new business (VNB) grew 33.95% to ₹6,846 crore in H1 FY27, while its VNB margin expanded 470 bps to 22.3%, reflecting higher margins across product categories and a shift in business mix.

LIC's Indian Embedded Value stood at ₹7.97 lakh crore at the end of September, down 1.95% from a year earlier. Management attributed the decline largely to mark-to-market losses arising from equity market fluctuations, given the insurer's sizeable participating business portfolio.

IPO Big Bang Powers Demat Account Additions

OCTOBER STORY Nearly 3.36 million accounts added, the fourth monthly rise in past five months

Ravindra Sonavane

Mumbai: New demat account additions rose to a nine-month high in October, marking the fourth monthly increase in five months after a prolonged period of moderation between January 2025 and May 2026, as robust IPO activity drew more investors to the stock market.

NSDL and CDSL together added nearly 3.36 million demat accounts in October, the highest monthly addition since January 2026. The total number of demat accounts stood at around 244 million at the end of the month. The number of demat accounts does not represent unique investors, as individuals can hold multiple accounts. The number of unique investors is estimated at around 136.6 million as of September, according to NSE data.

Robust primary market activity was a key driver of the increase, with several large and smaller public issues attracting retail participation. October was the busiest month for IPO activity in 2026, with 13 issues raising a record ₹44,507 crore, including the Jio Platforms IPO—India's biggest ever.

"Demat account openings typically rise when there is a surge in IPO activity, as investors open accounts to participate in public issues. The recent listing activity, including the large Jio Platform IPO and several smaller issues, has contributed to the increase," said Sunny Agrawal, head of fundamental equity research at SBICAPS Securities.

Growing interest in gold and silver exchange-traded funds (ETFs) has also encouraged retail investors to open demat accounts, Agrawal said. Investors can purchase these products through the secondary market using a demat account.

The pickup in demat account additions came with gains in benchmark indices, with the Sensex rising 2% and the Nifty gaining 1.9% in October. However, broader market segments, which see greater retail participation, underperformed.

Tech, Telecom Back in Favour with FPIs

Foreign investors buy record ₹10,915 cr of IT in Oct 2nd half; telecom bets also hit a high

Our Bureau

Mumbai: For far too long, they seemed trapped in a dull, drab, and dreary existence. But they are roaring back to life in the run-up to Diwali, and filling the shopping carts of overseas funds.

Technology stocks, the third biggest collectively by weighting on the Nifty, were relative strugglers through most of 2026, as foreign portfolio money was busy chasing the AI play elsewhere in Asia. Through the second half of October, however, IT and telecom have drawn disproportionate interest from FIIs, which continue to sell other pockets of the market. FPIs made net purchases of ₹13,112 crore in Indian equities in the second half of October, after selling more than ₹37,955 crore in the first half of the month.

हद है... दोषमुक्ति के बाद भी तीन साल नहीं मिली रिहाई

दुष्कर्म व हत्या के 38 साल पुराने मामले में गिरफ्तार हुआ था दिव्यांग, जेल में आंखों की रोशनी गंवाई, दूसरा पैर भी खराब

जागरण संवाददाता, कानपुर: दुष्कर्म और हत्या के एक 38 साल पुराने मामले में जेल प्रशासन की बेहद गंभीर और अमानवीय लापरवाही सामने आई है। करीब तीन साल पहले हाई कोर्ट से दोषमुक्त किए जाने के बावजूद आरोपित पप्पू को तीन साल तक जेल की सलाखों के पीछे गुजारना पड़ा। वह तो भला हो एक संवेदनशील अधिवक्ता का, जिनके कारण आखिरकार उसे जेल से रिहाई मिल सकी। हालांकि, इस दौरान जेल प्रशासन की लापरवाही के चलते पप्पू ने एक आंख की रोशनी खो दी। वह पहले से पैर से दिव्यांग था और दूसरा पैर भी खराब हो गया। अपनी तरफ के बिलतमम माने जाने वाले इस मामले में अब दोनों अधिवक्ता विधिक कार्यवाही शुरू करने जा रहे हैं, ताकि उस दोषी का पता चल सके, जिसकी बजह से पप्पू को तीन साल तक अवैध हिरासत में जेल में रहना पड़ा। वे उसके लिए आर्थिक मुआवजे की मांग भी करेंगे।

पप्पू की रिहाई में निर्णायक भूमिका निभाने वाली अधिवक्ता तान्या दीक्षित के मुताबिक, मामला वर्ष 1988 का है। चकेरी के शिव कटरा में 10 साल की बच्ची की दुष्कर्म के बाद गला घोंटकर हत्या कर दी गई थी। बच्ची के पिता की तहरीर के अनुसार, उनका बेटा और बेटी पानी की टंकी के पास खेल रहे थे। तभी सांवले रंग का एक लड़का आया और अपना नाम 'पप्पू' बताया। वह खरगोश पकड़वाने के बहाने बच्ची और उसके साथ खेल रहे अन्य बच्चों को मिल्टिट्री फार्म के पास एक सुनसान पर ले गया। उसने पूछा कि खरगोश पहले कौन लेगा। बच्चे के हाथ उठाने पर वह उसे अंदर ले गया। कुछ देर बाद चीखने और रोने की आवाजें आईं। परिवार के लोग पहुंचे तो बच्ची मृत मिली। उसकी दुष्कर्म के बाद गला घोंटकर उसकी हत्या कर दी गई थी।

इस मामले में पुलिस ने पप्पू को गिरफ्तार कर जेल भेजा था। वर्ष 1991 में अपर सत्र न्यायाधीश-सत की अदालत ने उसे दोषी ठहराते हुए 10 साल की सजा सुनाई। नौ फरवरी 1993 को हाई कोर्ट के आदेश पर वह जमानत पर रिहा हुआ। बाद में दो दशकों तक अदालत में पैरवी के लिए न पहुंचने पर उसके खिलाफ जमानती वारंट जारी हुआ। पुलिस को पता चला कि वह घर बेचकर कहीं चला गया है। फिर गैर-जमानती वारंट जारी हुआ और गिरफ्तारी के बाद उसे जेल भेज दिया गया। इधर, अदालत ने उसकी पैरवी के लिए न्याय मित्र नियुक्त किया। 22 अगस्त 2023 को न्यायमूर्ति सैयद आफताब हुसैन रिजवी और न्यायमूर्ति अश्विनी कुमार मिश्रा की खंडपीठ ने निचली अदालत का आदेश पलटकर पप्पू को दोषमुक्त करते हुए रिहाई का आदेश दिया। लेकिन यह आदेश कहां खो गया, किसी को पता नहीं चला। शिव कटरा निवासी पप्पू के एक पड़ोसी ने जब पिलाई के लिए दोनों अधिवक्ताओं से संपर्क किया, तब मामला सामने आया। तमाम विधिक कार्यवाहियों के बाद दो नवंबर को वह जेल से रिहा हो सका।

- पुलिस की लचर जांच का शिकार हुआ अधिवक्ता लड़ेंगे हक की लड़ाई
- विधि विशेषज्ञों के मुताबिक कानून के हिसाब से मोटे हर्जाने की अधिकारी
- जांच हुई तो इलाज में लापरवाही के चलते जेल प्रशासन भी आएगा लपेटे में
- वर्ष 1988 में हुई थी गिरफ्तारी, वर्ष 2023 में अदालत ने किया था दोषमुक्त

दोषमुक्ति के बद भी तीन साल तक जेल में बिताने वाले पप्पू» सव

व्यवस्था की उदासीनता, न्याय के लिए जाएंगे अदालत

पप्पू की रिहाई के कारण कहीं अधिवक्ता तान्या दीक्षित ने बताया कि दोषमुक्त होने के बाद भी जेल में रहना भारत के संविधान के अनुच्छेद 21 (जीवन और व्यक्तिगत स्वतंत्रता का अधिकार) का अक्षम्य उल्लंघन है। गिरफ्तारी के समय बर्ड का पैर चोटग्रस्त/ टेरेवर था। जेल में इलाज की लापरवाही में उनका पैर पूरी तरह खराब हो चुका है। पहले से दिव्यांग होने और दूसरे पैर के खराब होने से पप्पू अब चलने-फिरने में असमर्थ है। वहीं एक आंख की रोशनी भी चली गई है। शारीरिक अशक्तता व अवैध हिरासत के खिलाफ वह माननीय उच्च न्यायालय में संविधान के अनुच्छेद 226 के तहत एक संवैधानिक रिट याचिका दाखिल करेंगी। इस याचिका के माध्यम से दोषियों की पहचान कर उन्हें दंडित करने, हर्जाना और सरकारी खर्चे पर इलाज की मांग की जाएगी।

पुलिस जांच में दिव्यांग पप्पू दौड़ रहा था, पहचान भी नहीं खोली

पुलिस की जांच के चलते जहां पूत बच्चे को न्याय नहीं मिला, वहीं पप्पू को भी सालों तक जेल की सलाखों में कैद भोगना पड़ा। हाई कोर्ट ने अपने फैसले में पुलिस की लचर जांच पर सवाल खड़े किए हैं। बच्ची की हत्या और दुष्कर्म जैसे मामले में पुलिस ने मुकदमे में दर्ज पप्पू के नाम पर ही पूरा केस खोल कर रख दिया। बच्ची के पिता और मुकदमे के वादी ने अदालत में कहा कि वह पहले से आरोपित पप्पू को नहीं जानते थे और न ही उसके माता-पिता को जानते थे। मृतका का भाई और एकमात्र चश्मदीद गवाह ने भी जिरह के दौरान माना कि वह आरोपित को पहले से नहीं जानता था और आरोपित का नाम उसे दारोगा जी (जांच अधिकारी) के आने के बाद पता चला। यही नहीं पुलिस ने केस खत्म करने की जल्दबाजी में शिवरतन नाम के एक होमगार्ड को गवाह बनाते हुए उसके बयान दर्ज किए कि घटना के दिन आरोपित पप्पू को उसने मालती देवी नाम की एक महिला के घर के पास से भागते हुए देखा था, जबकि होमगार्ड ने कभी कोई लिखित शिकायत या बयान दर्ज नहीं कराए। खास बात यह है कि पप्पू जन्म से ही एक पैर से दिव्यांग है, ऐसे में उसके भागने का तथ्य अदालत के गले नहीं उतरा। यही नहीं जांच अधिकारी ने शुरुआती लिखत-पढ़त में आरोपित की कोई वल्दियत (माता-पिता का नाम) या विशिष्ट पहचान नहीं लिखी। बचाव पक्ष की ओर से कुछ मीडिया रिपोर्ट में आरोपित की पहचान 'रातेश उर्फ पप्पू' के रूप में होने की बात कही गई, जबकि उक्त आरोपित चंद्रशेखर उर्फ पप्पू था। अदालत ने यह भी माना कि मौहल्ले में पप्पू उपनाम के कई लोग हैं। पुलिस ने जांच में पहचान नहीं खोली, ऐसे में यह कैसे माना जाए कि जो व्यक्ति न्यायिक अभिरक्षा में है, वह दुष्कर्म व हत्या का आरोपित पप्पू ही है। हाई कोर्ट ने पहचान की विफलता, टेस्ट आइडेंटिफिकेशन परेड या शिरत परेड नहीं कराने, पैर से दिव्यांग होने के बाद भी दौड़ने के तथ्यों को देखते हुए पप्पू को दोषमुक्त कर दिया।

आरोपितों को हाई कोर्ट से राहत, गिरफ्तारी पर रोक

नकली सीमेंट मामला

जागरण संवाददाता, कानपुर : पनकी के इस्पात नगर में नकली सीमेंट तैयार कर बाजार में बेचने के मामले में आरोपितों को इलाहाबाद हाई कोर्ट से अंतरिम राहत मिल गई है। उच्च न्यायालय ने दर्ज एफआइआर के आधार पर आरोपितों की गिरफ्तारी पर अगली सुनवाई तक रोक लगा दी है। न्यायालय ने आरोपितों को जांच में सहयोग करने के निर्देश दिए हैं। मामले की सुनवाई न्यायमूर्ति तरुण सक्सेना और न्यायमूर्ति चंद्र धारी सिंह की खंडपीठ ने गुरुवार को की। अदालत ने विपक्षी पक्ष की ओर से जवाब दाखिल करने के लिए मांगे गए तीन सप्ताह के समय को स्वीकार करते हुए अगली सुनवाई सात जनवरी निर्धारित की है।

पनकी के इस्पात नगर स्थित एक फैक्ट्री में बीती 14 अक्टूबर को पुलिस ने छापा मारकर बड़ी मात्रा में नकली सीमेंट, पैकिंग बैग और पैकिंग सामग्री बरामद की थी। कारखंडे अडाणी ग्रुप की एसीसी लिमिटेड के सेल्स मैनेजर की शिकायत पर की गई थी।

पुलिस की पूछताछ में पकड़े गए कर्मचारी रहुल कुमार ने बताया था कि एक्सायरी सीमेंट को कूट-छानकर एसीसी के बैगों में भरकर बेचा जाता था। उसने इस काम में धीरज गुप्ता और उसके भाई नीरज गुप्ता की भूमिका बताई थी। इसके बाद दोनों के खिलाफ मुकदमा दर्ज किया गया था। इस मामले में आरोपितों ने हाइकोर्ट में याचिका दाखिल कर राहत की मांग की थी। कोर्ट ने सुनवाई के बाद फिलहाल गिरफ्तारी पर रोक लगाते हुए जांच प्रक्रिया में सहयोग करने का आदेश दिया है।

एफआइआर निरस्त कराने की मांग को लेकर दाखिल याचिका पर आरोपित दोनों भाइयों को अंतरिम राहत

दंपती से मारपीट व कपड़े फाड़ने का आरोप, मुकदमा

कल्याणपुर : सचेंडी की महिला से चकरपुर मंडी में सब्जी खरीदने के दौरान धोक व्यक्ति और साथियों ने मारपीट कर कपड़े फाड़ दिए। पीड़िता के अनुसार व्यक्ति सोनू, श्रीकृष्ण व अज्ञात ने अभद्रता और गालीगलौज की। थाने में सुनवाई न होने पर पुलिस आयुक्त से गुहार लगाई गई। पुलिस आयुक्त के निर्देश पर मुकदमा दर्ज कर जांच शुरू हुई। संस
