One more wing to fly with InfoBeans

07th May, 2018, Indore: Continuing our journey of creating world class infrastructure.

InfoBeans is delighted to announce the opening of our new development center on the first floor of Crystal IT Park. This is by far the largest office building project we have taken up in one go with approximately 11000 square feet of space being constructed.

Let's celebrate the addition of this new "wing" to our journey called InfoBeans.

About InfoBeans Technologies Limited

Founded in 2000, InfoBeans Technologies is a Leading player offering Customized Software, Digital Transformation and Enterprise Mobility solutions for clients across the globe. With two state-of-the-art facilities in India, the CMMI level 3 certified Company caters to Fortune 500 clients in USA, Germany and Middle East markets. The Company caters to a wide range of segments in the industry, including distributed storage systems, multi-format multimodal content delivery and eCommerce web and mobile platforms for diverse sectors. The Company's transparent operations, professional team of over 700 employees and high customer-focus has enabled it to grow blue-chip client base with over 90% repeat business.
