During the quarter ended March 31, 2021, the Company's appeals against the winding up orders dated 01.03.2018 and 26.04.2018 passed by the Hon'ble High Court were dismissed by the Hon'ble High Court vide orders dated 05.03.2021 and 09.03.2021. Pursuant to the dismissal of the said Appeals the Company preferred a Special Leave Petition bearing No. SLP (Civil) Diary No.71031 of 2021 before the Hon'ble Supreme Court, which eventually was also dismissed by the Hon'ble Supreme Court vide Order dated 30.04.2021. However, the said order dated 30.04.2021 also granted liberty to the Company to present a formal petition/application and present a scheme of settlement. One of the shareholders of the Company, Valecha Investments Private Limited, holding 17.77% of the total equity shares, propounded a scheme of arrangement / compromise in pursuance of the liberty granted by the Supreme Court of India. They also filed Company Summons for Directions (L) No. 25113 of 2021 seeking appropriate orders to call for meetings of stakeholders to vote on the scheme. The Company's Lead Banker State Bank of India moved an application to transfer the matter to National Company Law Tribunal (NCLT) as the Company is a construction and infrastructure development company and is a going concern. Accordingly, the Hon'ble High Court vide order dated 17.12.21 passed an order directing the transfer of the Company Petition No. 761/2015 and Company Petition No. 173/2016 to NCLT.
5. The Holding Company has not evaluated impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" in relation to investments made Rs.2.15 crores in three subsidiary companies and Rs.0.02 crore in one associate company, loans and advances given Rs.180.72 crores to three subsidiary companies and one step-down subsidiary company, and extended Corporate Guarantees aggregating to Rs.157.96 crores to its one Subsidiary company and one Step-down Subsidiary company whose net-worth is completely eroded on account of continued losses incurred in the past.

In view of the primary security already provided by the Subsidiaries and step-down subsidiary company and the Settlement proposals being pursued by the Management of the Holding Company, the Holding Company has not provided for any further liability towards Impairment of above referred Loans & Advances and Investment in Subsidiaries nor has made any fair valuation of its Corporate guarantees issued without consideration as per the requirements of Ind AS 109 & Ind AS 113, for the reasons mentioned above.

6. The Company has neither evaluated any impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" nor made any fair valuation as per the requirements of Ind AS 113 "Fair Value Measurements" in respect of its Investment made of Rs. 39.84 crores, loan given of Rs. 73.46 crores, and Corporate Guarantees extended of Rs. 777.15 crores as at March 31, 2021 in respect of its one subsidiary (other than subsidiary referred in point a) above). The net-worth of the subsidiary is completely eroded and it continues to incur losses. The Subsidiary Company has filed a claim on its customer for Rs. 1373.70 crores and expects to realize the same and consequently repay/settle all dues. Accordingly, in the

opinion of the Management, there is no need for any impairment provisions for ECL or fair valuation in respect of its Investments, loans given and Corporate Guarantees extended to the referred subsidiary (other than those mentioned in point 4 above).

7. Valecha LM Toll Private Limited (VLMTPL), a step down subsidiary of the Company and subsidiary of Valecha Infrastructure Limited (VIL) was admitted to National Company Law Tribunal (NCLT) on 29.03.2019. Subsequently, VLMTPL has also been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. Subsequent to the Balance Sheet Date, during the liquidation proceedings, the substantial asset of VLMTPL being the Toll Collection Rights has been auctioned and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. The remaining assets in VLMTPL are of insubstantial value and the Holding Company do not see any chances of recovery of its loan amount. The Holding Company has therefore impaired the entire value of its loan to VLMTPL of Rs. 31.13 crores. VIL has also written off its Investments in VLMTPL.

The Company has also provided Corporate Guarantees to secured financial creditors to the extent of outstanding dues of Rs. 277.83 crores on behalf of VLMTPL which have not been evaluated for impairment provisioning in view of the same not yet being invoked.

Since the Holding Company have lost ultimate control of VLMTPL, it has derecognised VLMTPL from the consolidated financial results during the year.

Exceptional Item in Consolidated Financial Results for the year ended March 31, 2021 is on account of derecognition of step-down subsidiary on Liquidation.

8. The Company has not evaluated expected credit losses for long outstanding Trade Receivables of Rs. 217.01 crores which includes Rs. 100.34 crores pertaining to additional claims raised during earlier years on account of escalation and various other reasons which are under consideration and deliberation before various authorities. The Company has booked their claims on conservative basis and management believe that they have strong case for each of the claims lodged against the client. Accordingly, in the opinion of the Management, there is no need to account for expected credit losses. The Company has not evaluated impairment provisions for expected credit losses as required under Ind AS 109 "Financial Instruments" for loans extended to various related parties (other than subsidiaries, step down subsidiaries and associate company) amounting to Rs. 6.78 crores, loans given to other than related parties amounting to Rs. 117.38 crores and advances to suppliers amounting to Rs. 44.10 crores as at March 31, 2021 as it expects to recover the same in the time to come and hence has not made any provision for the same.
9. The Company's borrowing facilities with various banks and NBFC's have continued to remain under NPA classification. In view of the Settlement / restructuring of its overall debt being pursued by the Management, it expects reliefs and concessions from various lenders out of the existing liabilities / obligations towards such lenders recorded in its books and has accordingly not provided for any interest liability post March 31, 2018.

Presently, the Company has also not provided interest which may arise towards delayed payment / non-payment of dues towards tax deducted at source as on March 31, 2021 and on outstanding payments to its Vendors registered under MSME.

During the current quarter, the Company have

come into possession of the said Sale agreement through an advocate and have accordingly recorded the said sale transaction in the current quarter. Loss on recording of such sale transaction has been grouped under exceptional items.

11. The Company has an outstanding principal liability of Rs. 22.80 crores as at March 31, 2021 payable to public fixed deposit holders. Pursuant to the NCLT order dated 03.04.2019, 11.06.2019, 22.08.2019, 14.11.2019, 26.05.2020 and in terms of NCLAT order dated 12.02.2020 the matter has since been subjudiced. As per these orders, the proceeds from Canara Bank and refunds from Income Tax department will be utilized for repayment of deposits to deposit holders. The Company has during the year paid some deposit holders out of the Income Tax refund received during the year and is in the process of repayment of balance deposit holders based on the availability of proceeds from Canara Bank.
12. Other Current Assets as at March 31, 2021 includes Rs 34.28 crores receivable towards various indirect taxes from Government Authorities which are pending for assessments. The Management is confident of ultimate recovery of such amounts.
13. The Company has sixteen project sites which have either been de-mobilized or completed or otherwise shut / non-operational. The Company could not obtain details of transactions effecting, if any, through Bank accounts previously operated through such project sites. There have been no operations in such project sites during the quarter and year ended March 31, 2021. Movement in accounts of such project sites, if any, is on account of balances being written off/written back and payments / receipts being made by the Head Office division in relation to assets / liabilities of such project sites. Such Project Sites comprises total assets of Rs. 92.00 crores [including Trade Receivables Rs. 78.59 crores and loans to other parties Rs. 4.36 crores referred in point 5 above, balances with revenue authorities of Rs. 7.32 crores referred in point 8 above and total liabilities of Rs. 40.33 crores as at 31st March, 2021.
14. The Holding Company has certain in-operative Bank accounts, which have turned dormant on account of closure of sites, changes in signatories etc. The Holding Company is unable to obtain the statements of such inoperative and dormant bank accounts.
15. The accounts of certain Banks, Loans & Advances given, Trade Receivables, Other Current Assets, Lenders' liability, Trade Payables and Other liabilities are subject to confirmations, reconciliations and adjustments.
16. The accumulated losses incurred in the past years have resulted in erosion of Company's Net worth. However, the management is of the opinion that subject to approval of settlement proposals with secured lenders, cost reduction measures and participation in new business finance/ JV business, the Company will be able to earn profit over next few years and may be in position to repay restructured loans and pay statutory dues. Hence, the financial results are prepared assuming that it will continue as going concern.
17. On 29/09/2018, the shareholders accorded their approval for the waiver of recovery of excess managerial remuneration in respect of three Directors of the Company. The Company is taking necessary actions and steps for approval from Secured Lenders pursuant to the Notification dated 12/09/2018 issued by Ministry of Corporate Affairs on the subject. The Company is hopeful of getting requisite approval from the secured lenders upon settlement proposal approved by them.
18. The Company has during the quarter, undertook an extensive physical verification of its fixed assets across various locations (including its ongoing project sites). Basis for Qualified Opinion:

We draw attention to:

1. Note 5 to the Standalone Statement, the Company has not evaluated impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" in relation to following Investments made, loans and advances given and Corporate Guarantees extended to its Subsidiaries, Step-Down Subsidiary and Associate Companies whose net-worth is completely eroded on account of continued losses incurred in the past:

The Subsidiary Company has put a cumulative claim of Rs. 1373.70 crores on GSRDC (client of subsidiary) as computed till March 2020 and expects to recover such claim amount and consequently repay/settle all its dues. However, in view of the uncertainty involved over receipt of the claim amount and consequent repayment of all its dues, we are unable to comment upon the need for impairment provisions and the impact of fair valuation adjustments, if any, which may be required and the resultant impact on the net results for the quarter and year ended March 31, 2021, if any.

Accordingly, the Company has impaired the entire value of its loan to VLMTPL of Rs. 31.13 crores. VIL has also written off its Investments in VLMTPL.

The Company has provided Corporate Guarantees of Rs. 277.83 crores on behalf of VLMTPL which have not been evaluated for impairment provisioning in view of the same not yet being invoked.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Standalone financial results.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 4, Note No. 9 & Note No. 16 to the Standalone Statement which indicates that the Company has been referred to NCLT for the Corporate Insolvency Resolution Process pending initiation, has accumulated losses and its net worth has been substantially eroded and there has been defaults in repayment of various borrowings and deposits. These conditions, along with other matters set forth in Note No. 4, Note No. 9 & Note No. 16, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the standalone financial results of the Company have been prepared on a going concern basis for the reasons stated in Note No. 16 to the Standalone Statement.

Emphasis of matter:

We draw attention to:

- a. Note No. 7 to the Standalone Statement, Valecha LM Toll Private Limited (VLMTPL), a step-down subsidiary of the Company and subsidiary of Valecha Infrastructure Limited (VIL) was admitted to National Company Law Tribunal (NCLT) on 29.03.2019. Subsequent to the Balance Sheet Date, during the liquidation proceedings, the substantial asset of VLMTPL being the Toll Collection Rights has been auctioned and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Accordingly, in view of insubstantial value of remaining assets in VLMTPL, the Holding Company do not see any chances of recovery of its loan amount. The Company has therefore impaired the entire value of its loan to VLMTPL of Rs. 31.13 crores.

- b. Note No. 10 to the Standalone Statement, the Company has during the quarter recognized a Sale of Investment Property, which as per the documents now received was originally effected in September 2017, however due to unavailability of relevant documents, the Company did not record the transaction in earlier periods. During the current quarter, the Company has come into possession of the said Sale agreement through an advocate and have accordingly recorded the said sale transaction in the current quarter. Loss on recording of such sale transaction has been grouped under exceptional items.
- c. Note No. 17 to the Standalone Statement, on 29/09/2018, the shareholders accorded their approval for the waiver of recovery of excess managerial remuneration in respect of three Directors of the Company. The Company is taking necessary actions and steps for approval from Secured Lenders pursuant to the Notification dated 12/09/2018 issued by Ministry of Corporate Affairs on the subject. The Company is hopeful of getting requisite approval from the secured lenders upon settlement proposal approved by them.
- d. Note No. 18 to the Standalone Statement, the Company has during the quarter, undertook an extensive physical verification of its fixed assets across various locations (including its ongoing project sites). During the course of such verification, the Holding Company have not been able to trace and identify certain assets which were either discarded from active use owing to the expiry of their useful life or have been appropriated by the Contractors at the closed sites due to non-payment of their dues. Accordingly, the Holding Company have impaired such fixed assets at their carrying value as at December 31, 2020 aggregating to Rs. 4.02 crores and have grouped the same under exceptional items.
- e. Note No. 19 to the Standalone Statement, the Company has during the quarter ended 31st March, 2021 identified certain non-moving balances which in the view of Management, are not recoverable and / or payable. The aggregate of such non-moving non-recoverable balances is Rs.59.60 crores and aggregate of such non-moving non-payable balances is Rs.41.81 crores. These balances have been netted and a net expense of Rs.17.79 crores has been recorded as "Sundry balances written off".

Our opinion is not modified in respect of the above matters.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter:

The Standalone financial results include the results for the quarter ended March 31, 2021 and corresponding quarter ended of the previous year being the balancing figure between audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the current and previous financial year which were subject to limited review.

Our opinion is not modified in respect of these matters.

Basis for Qualified Opinion

We draw attention to:

1. Note No. 7 to the Consolidated Statement, Valecha LM Toll Private Limited (VLMTPL), a step-down subsidiary of the Holding Company and subsidiary of Valecha Infrastructure Limited (VIL) was admitted to National Company Law Tribunal (NCLT) on 29.03.2019. Subsequently, VLMTPL has also been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. Subsequent to the Balance Sheet Date, during the liquidation proceedings, the substantial asset of VLMTPL being the Toll Collection Rights has been auctioned and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. The remaining assets in VLMTPL are of insubstantial value and the Holding Company do not see any chances of recovery of its loan amount. Accordingly, the Holding Company has impaired the entire value of its loan to VLMTPL of Rs. 31.13 crores during the quarter. Since the Holding Company have lost ultimate control of VLMTPL, it has also derecognised VLMTPL from the consolidated financial results during the year.

In the absence of any further detailed information and management's estimates of reliefs and concessions to be obtained from the Settlement proposals being pursued by the Group, we are unable to comment upon the resultant impact, if any, on the net results for the quarter and year ended March 31, 2021 which may arise on account of non-provision of impairment towards Corporate Guarantees as referred above.

2. The Consolidated financial results include goodwill arising on consolidation amounting to Rs. 1.80 Crores which has not been tested for impairment inspite of the losses and sub-optimal operations of the Group. In absence of detailed information and management's estimates of reliefs and concessions to be obtained from Settlement proposals being pursued, we are unable to comment upon the resultant impact, if any, on the net results for the quarter and year ended March 31, 2021, which may arise on account of non-provision of impairment on goodwill as referred above.
3. Note No. 8 to the Consolidated Statement, the Holding Company has not evaluated expected credit losses for long outstanding Trade Receivables of Rs. 217.01 crores which includes Rs. 100.34 crores pertaining to additional claims raised during earlier years due to price escalation and various other reasons which are under arbitration before various authorities.

The matters stated above except point 1 & 8 above were also subject matter of qualification in our audit conclusion / opinion on the consolidated financial results for the quarter and year ended March 31, 2020 and for the quarter ended December 31, 2020. Point 1 above was also a subject matter of qualification in our review conclusion on the consolidated financial results for the quarter ended December 31, 2020.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their report referred to in "Other Matter" paragraph below is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial results.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 4, Note No. 9 & Note No. 16 to the Consolidated Statement which indicates that the Holding Company has been referred to NCLT for the Corporate Insolvency Resolution Process pending initiation, has accumulated losses and its net worth has been substantially eroded and there has been defaults in repayment of various borrowings and deposits. These conditions, along with other matters set forth in Note No. 4, Note No 9 & Note No. 16, indicate the existence of a material uncertainty that may cast significant doubt about the Holding Company's ability to continue as a going concern. However, the consolidated statement of the Group have been prepared on a going concern basis for the reasons stated in the Note No. 16 to the Consolidated Statement.

We draw attention to Note no 19(b) to the Statement in respect of Valecha Kachchh Toll Roads Limited (VKTRL) (a Subsidiary Company) wherein the other auditors had stated in their review report that:

- the Company (VKTRL) continues to prepare its Consolidated Statement on going concern basis even though it has continued to incur significant losses for the quarter and year ended March 31, 2021 and in previous financial years. It has also continued to default in repayment of its financial obligation including interest and the construction of balance work is going at very slow pace, resulting in increase in cost of project mainly due to interest during construction period. However, as advised, the project had been halted due to non-availability of land and environment issues and on 13.05.2015, VKTRL has received PCOD (provisional commercial operation date) for section I for which revenue is being generated. PCOD for Section II is likely to be completed by March 2022. VKTRL has also put a claim of Rs. 1373.70 Crores on GSRDC calculated till March 2020 and is hopeful of realizing the same.

Emphasis of Matter

We draw attention to:

- a. Note No. 7 to the Consolidated Statement, Valecha LM Toll Private Limited (VLMTPL), a step-down subsidiary of the Holding Company and subsidiary of Valecha Infrastructure Limited (VIL) was admitted to National Company Law Tribunal (NCLT) on 29.03.2019. Subsequently, VLMTPL has also been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. Subsequent to the Balance Sheet Date, during the liquidation proceedings, the substantial asset of VLMTPL being the Toll Collection Rights has been auctioned and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Accordingly, in view of insubstantial value of remaining assets in VLMTPL, the Holding Company do not see any chances of recovery of its loan amount. The Holding Company has therefore impaired the entire value of its loan to VLMTPL of Rs. 31.13 crores.
- b. Note No. 10 to the Consolidated Statement, the Holding Company has during the quarter recognized a Sale of Investment Property, which as per the documents now received was originally effected in September 2017, however due to unavailability of relevant documents, the Holding Company did not record the transaction in earlier periods. During the current quarter, the Holding Company has come into possession of the said Sale agreement through an advocate and have accordingly recorded the said sale transaction in the current quarter. Loss on recording of such sale transaction has been grouped under exceptional items.
- c. Note No. 17 to the Consolidated Statement, on 29/09/2018, the shareholders accorded their approval for the waiver of recovery of excess managerial remuneration in respect of three Directors of the Holding Company. The Holding Company is taking necessary actions and steps for approval from Secured Lenders pursuant to the Notification dated 12/09/2018 issued by Ministry of Corporate Affairs on the subject. The Holding Company is hopeful of getting requisite approval from the secured lenders upon settlement proposal approved by them.
- d. Note No. 18 to the Consolidated Statement, the Holding Company has during the quarter, undertook an extensive physical verification of its fixed assets across various locations (including its ongoing project sites). During the course of such verification, the Holding Company have not been able to trace and identify certain assets which were either discarded from active use owing to the expiry of their useful life or have been appropriated by the Contractors at the closed sites due to non-payment of their dues. Accordingly, the Company have impaired such fixed assets at their carrying value as at December 31, 2020 aggregating to Rs. 4.02 crores and have grouped the same under exceptional items.

- e. Note No. 19 to the Consolidated Statement, the Holding Company has during the quarter ended 31st March, 2021 identified certain non-moving balances which in the view of Management of the Holding Company, are not recoverable and / or payable. The aggregate of such non-moving non-recoverable balances is Rs.59.60 crores and aggregate of such non-moving non-payable balances is Rs.41.81 crores. These balances have been netted and a net expense of Rs.17.79 crores has been recorded as "Sundry balances written off".

Our opinion is not modified in respect of the above matters.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within in the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the Independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Company has also not done any fair valuation of its Corporate guarantees referred to in point (iii) above nor has recognized guarantee fees/commission during the period in relation to such Corporate guarantees issued without consideration as per the requirements of Ind AS 109 & Ind AS 113. In the absence of any further detailed information and management's estimates of reliefs and concessions to be obtained from Settlement proposals being pursued by the Company and its Subsidiaries and Step Down Subsidiaries, we are unable to comment upon the resultant impact, if any, on the net results for the quarter and year ended 31st March, 2021, which may arise on account of non-provision of impairment towards Investments, Loans and Corporate Guarantees and fair valuation adjustment of Corporate guarantees as referred above.

Based on the discussion with respective managements, we do not foresee any material impacts on the financial statement of the Company.		
2	a.	Details of Audit Qualification :		
		2. Note No. 6 to the Standalone Statement, the Company has neither evaluated any impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" nor made any fair valuation as per the requirements of Ind AS 113 "Fair Value Measurements" in respect of its Investment made of Rs. 39.84 crores, loan given of Rs. 73.46 crores and Corporate Guarantees extended of Rs. 777.15 crores as at March 31, 2021 in respect of its one subsidiary (other than subsidiary referred in point (1) above). The Subsidiary Company has put a cumulative claim of Rs. 1373.70 crores on GSRDC (client of subsidiary) as computed till March 2020 and expects to recover such claim amount and consequently repay/settle all its dues. However, in view of the uncertainty involved over receipt of the claim amount and consequent repayment of all its dues, we are unable to comment upon the need for impairment provisions and the impact of fair valuation adjustments, if any, which may be required and the resultant impact on the net results for the quarter and year ended March 31, 2021, if any.
