- e. In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialization, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.

- 15. METHOD OF SETTLEMENT**
- Upon finalization of the basis of acceptance as per Buyback Regulations:

- c. For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account

- d. In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the depositories, whereas funds payout pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by Stock Exchanges and the Clearing Corporation from time to time.
- e. Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.
- f. The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company opened for Buyback ("Special Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Special Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of BSE.
- g. The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance.
- h. In the case of inter depository, Clearing Corporation will cancel the excess or unaccepted shares in target depository. Further, release of IDT message shall be sent by target depository either based on cancellation request received from Clearing Corporation or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target depository, source Depository will cancel/release excess or unaccepted block shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.
- i. The Seller Member(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback and return the balance unaccepted Equity Shares to their respective clients. Company Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.

Eligible Shareholders who intend to participate in the Buyback should consult their respective Seller Member for payment to them of any cost, applicable taxes, charges and expenses (including brokerage) that may be levied by the Seller Member upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholder from their respective Seller Member, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.
- k. The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Offer are completed.

The Registrar shall retain the original share certificate and deface the certificate with a stamp "Letter of Confirmation Issued" on the face / reverse of the certificate to the extent of the excess physical shares. The LOC shall be valid for a period of 120 days from the date of its issuance, within which the Equity Shareholder shall be required to make a request to his/her depository participant for dematerializing the physical Equity Shares returned. In case the Equity Shareholder fails to submit the demat request within the aforesaid period, the Registrar shall credit the Equity Shares to a separate demat account of the Company opened for the said purpose.
