Limited Review Report on Half Yearly Unaudited Standalone Financial Results of Vasa Retail and Overseas Limited pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015.

To the Board of Directors of
VASA RETAIL AND OVERSEAS LIMITED

1. We have reviewed the accompanying statement of unaudited standalone financial result ("the Statement") of Vasa Retail and Overseas Limited ("the Company") for the half year ended 30th September 2024 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (listing Obligations and Disclosure Requirements) Regulations, 2015 (listing Regulations').
2. This statement, which is the responsibility of the Company's management and approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down In Accounting Standard 25' (AS 25) "*Interim Financial Reporting*" prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review In accordance with the Standard on Review Engagement (SRE) 2410, '*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Basis for Qualified Conclusion We draw attention to Note 3 of the Statement, regarding the expiry of license agreement between Oxford Limited ("Oxford") and the Company ("Vasa") during the previous

year due to permanent discontinuance of business operations and activities by Oxford due to Covid-19 impact. Due to expiry of the agreement, all the remaining stock of licensed products has to be disposed of the company

These events raise significant doubt on the ability of the Company to continue as a "Going Concern". These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of the above matter.

5. **Emphasis of Matter**

We draw attention to Note 5 of the Statement, which describes that the potential business impact of COVID-19 pandemic and nationwide lockdown on the financial results of the Company is dependent on future developments, which remain uncertain.

Further all the facilities with Federal Bank and Axis Bank (Cash Credit, Funded Interest Term Loan, etc.) are classified as NPA w.e.f. 28th October, 2021 and 30th November, 2021 respectively on account of irregularities w.r.t repayment of overdrawn account. Further, all the unsecured business loans availed by the company and outstanding are also classified as NPA during the period under review.

Further, our attendance at the physical inventory verification done by the management was not possible we therefore have fully relied on the management representation for the existence and condition of inventory, quantitative details and consumption.

Our Opinion is not modifying in respect of the above matter

6. **Qualified Conclusion**

Based on our review conducted as above, except for the effects of the matters described in the Basis for Qualified Conclusion as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with applicable accounting standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed

in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We draw attention to Note 5 of the standalone financial results, which describes that the potential impact of COVID-19 pandemic on the operations and financial results of the Company is dependent on future developments, which are uncertain.

Notes:

1. The above unaudited standalone financial results which are published in accordance with Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on November 13, 2024. The above results have been subjected to "limited review" by the statutory auditors of the Company.
2. The audited standalone financial results are prepared in accordance with the Companies (Accounts) Rules, 2014 and applicable accounting standards as prescribed under section 133 of the Companies Act, 2013. As per MCA Notification elated 16th February, 2015 Companies whose Shares are listed on SME Exchange as referred to in Chapter XB of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, are exempted from the compulsory requirement of adoption of IND-AS.
3. The Company has entered into an exclusive license agreement with Oxford Limited on 10th June, 2016 to obtain the right to use the Licensed Mark on and in connection with the manufacture, promotion and sale of products under the "Oxford Brand" for a period of 5 years till 31st December, 2021.

Due to disruption caused by the Covid 19 pandemic and closure of Oxford business since March 2020, Oxford Limited has decided to cease its global business operations and activities. Accordingly, due to expiry of the Oxford Agreement and non-payment of final royalty amounting to \$20,500, all the remaining stock of licensed products has to be disposed off by Company. Accordingly, the Company has disposed considerable stock at discounted rate through Stock Clearance Notice given in the newspapers (News Hub & Pratahkal) dated 12/05/2021.

4. Considering these developments, in particular, the present non-oxford stationery and paper business, the financial results continue to be prepared on going concern basis. However, since the Company continues to incur loss, current liabilities exceed current assets and Company has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Company's ability to continue as a going concern. This matter has been referred to by the Auditors in their Limited Review Report.

5. The Company is actively monitoring the impact of the global health pandemic on its financial condition, liquidity, operations, suppliers, industry, and workforce. The company has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as inventories, financial assets and other assets, based on current indicators of future economic conditions, the company expects to recover the carrying amounts of its assets.

The extent to which COVID-19 impacts the operations will depend on future developments which remain uncertain. However, due to closure of schools, colleges and educational institutions for considerable period due to Covid-19 pandemic, there is direct severe business impact on the business operations of the company.

Management believes that it has taken into account all the possible impact of known events arising from COVID-19 pandemic in the preparation of the standalone financial results. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The company will continue to monitor any material changes to future economic conditions.

6. The Company is primarily engaged in trading of stationery items and raw material of paper i.e. pulp. In the opinion of the management, this is the only segment as per Accounting Standard - 17 on Segment Reporting issued by the Institute of Chartered Accountants of India.
7. Previous period figures have been regrouped, re-arranged and re-classified wherever necessary to conform to current period's classification.
