Dear Sir/ Madam,

Sub.: Financial submitted in XBRL for financial year ended March 31, 2026

Ref.: Financial results submitted in XBRL with discrepancies

With reference to your query regarding the mismatch in the Earnings Per Share (EPS) disclosed in the submitted document and XBRL for the financial year ended March 31, 2026, we wish to clarify that the said discrepancy has occurred solely due to an inadvertent typographical error while preparing the XBRL financials and it's not intentionally.

We confirm that the mismatch is clerical in nature only and does not arise from any change in the underlying financial figures, calculations, or audited financial statements. The correct EPS is as per the audited/reviewed financial statements approved by the Board of Directors.

We regret the inadvertent error and request you to take the above clarification on record. We also confirm that necessary corrective action has been initiated to avoid recurrence of such errors in future.

Thanking you.

Yours faithfully,

FOR VASA RETAIL AND OVERASEAS LIMITED
