Independent Auditor's Limited Review Report on Standalone unaudited financial results of VA Tech Wabag Limited for the quarter ended 30 June 2026

To
The Board of Directors of VA Tech Wabag Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results of VA Tech Wabag Limited ('the Company') for the quarter ended 30 June 2026 ('the Statement'), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. This Statement, which is the responsibility of the Company's management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

To
The Board of Directors of VA Tech Wabag Limited

1. We have reviewed the accompanying statement of consolidated unaudited financial results of VA Tech Wabag Limited ('the Company' or 'the Parent'), its subsidiaries and its joint venture (the Parent, its subsidiaries and its joint venture together referred to as 'the Group'), and its share of the net profit / (loss) after tax and total comprehensive income / (loss) of its associates for the quarter ended 30 June 2026 ('the Statement'), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').

2. This Statement, which is the responsibility of the management of the Parent and approved by the Board of Directors of the Parent, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India ("ICAI'). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India ('SEBI') under Regulation 33(8) of the Listing Regulations to the extent applicable.

4. The Statement includes the results of the subsidiaries, associates and joint venture as given in Annexure 1.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, and based on the consideration of review reports of other auditors as referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Commenting on the results, Mr. Rajiv Mittal, Chairman & Managing Director, VA TECH WABAG LIMITED said, *"We are delighted to start the year with strong international and domestic orders, robust top-line momentum, and strong profitability. All clusters delivered on order intake which resulted in our order book surging to approximately INR 19,400 crores, even as we persisted with our selective approach to bidding for projects. We forayed into Kuwait with the award of a "Mega" SWRO project and also entered the UAE market with an order win in Ajman. In India, we enhanced our long-standing relationships with BWSSB and DJB, through new order wins. In Europe, we secured a key project win in Austria from Donauinsel Water Works. These wins provide us with strong revenue visibility and reflect our focus on complex technology jobs which fall in our focus area and enable us to deliver value addition to our clients.*

VA TECH WABAG LIMITED

In this quarter, we continued to grow profitably, extending our positive net cash position streak to the 14th consecutive quarter to reach INR 965 crores. Our strong performance is reflected in excellent execution discipline, with margins continuing to remain in line with our medium-term target. Our order pipeline indicates significant growth opportunities even going forward. We remain committed to enhancing value for our stakeholders and enabling them to participate in our success."
