**Stock Exchange Intimation  
Chennai, India**

**For Immediate Publication  
March 13, 2025**

**WABAG secures a Zero Liquid Discharge (ZLD) DBO order from GAIL, and O&M order of Industrial TTRO Plant from IOCL, aggregating to INR 360 Crores approx.**

**March 13, 2025:** VA TECH WABAG ('WABAG'), a leading pure-play water technology Indian Multinational Group, continues to strengthen its leadership in the Industrial Water Treatment segment by securing order worth INR 340 Crores approx. towards Design, Build, Operate (DBO) of a 450 cum/hr UF & RO based Effluent Recycle Plant, Evaporator based Zero Liquid Discharge (ZLD) Plant and new Waste Water Treatment Plant & augmentation of existing Waste Water Treatment Plant, for GAIL (India) Limited's (GAIL) integrated petrochemical complex at Pata, Uttar Pradesh.

The Engineering, Procurement, Construction (EPC) scope of work under this order is scheduled to be completed over 24-months period and will be followed by 6-months of Operation and Maintenance (O&M). Projects and Development India Limited (PDIL) has been appointed by GAIL as the Engineer-In-Charge for this Project. The recovered water from this facility will be used as Cooling Tower Make-Up water.

WABAG also secured a repeat Operations & Maintenance (O&M) order from Indian Oil Corporation Limited (IOCL) worth INR 20 Crores approx. towards O&M of the Tertiary Treatment Reverse Osmosis (TTRO) Plant at IOCL Panipat Refinery, Haryana for a further period of 3 years. WABAG has been entrusted with the O&M of this Plant since its commissioning in 2006. It is worth noting that this TTRO Plant was designed, constructed and commissioned by WABAG nearly two decades ago and is first Industrial Water Recycle Plant in Oil & Gas sector in the Country.

An ISO 9001 Company

*Commenting on this order win, Mr. S Natrajan, Head-Sales & Marketing, India Cluster, said, “We are delighted to have secured these significant industrial water treatment orders and we sincerely thank GAIL and IOCL for their trust and confidence placed in us. These repeat orders serve as a powerful testament to the strength of our long-standing customer relationships, as well as to our technical expertise and capabilities. They further solidify our leadership position in the Oil and Gas sector, marking yet another important milestone in our journey.”*
