For Immediate Release

2nd July, 2012**VA Tech Wabag announces Order Inflows worth Rs. 100 crores (~EUR 14 million)**

- **EPC Order from Tunisia worth EUR 6.5 million**
- **Others from Turkey and Romania worth ~EUR 7.5 million**

Chennai: VA Tech Wabag, a leading global player in water and wastewater management announces the receipt of various orders from our overseas operations.

Revamp of Waste Water Treatment plant, Choutrana in Tunisia:

WABAG bagged an order from ONAS for major revamp of its Waste Water Treatment Plant at Choutrana, Tunisia. The project is partly financed by Swiss loan. The scope comprises replacement of major equipments and control systems including repairs.

O&M Contract for Waste Water Management for the city of Adana in Turkey:

WABAG Turkey has taken over the operational management of the Adana waste water treatment plants for the second time. The large Adana East and West plants with a total capacity of 370,000 m3/d were built by WABAG. The Plant was being maintained by WABAG till 2009, post which the client, ASKI managed the plants themselves. It has now re-assigned the operation and maintenance part to WABAG.

O&M Contract for Refinery ETP at OMV PETROM SA:

The Romanian Oil and Gas Company - OMV PETROM SA renewed the O&M contract for their Refinery ETP at Arpechim in Pitesti, Romania for one more year. WABAG has been maintaining this ETP since 2009.

Mr. Erik Gothlin, CEO & Managing Director, WABAG Austria, commenting on the Order Intake said:

"The repeat orders from Emerging Geographies like Turkey and Romania confirm successful implementation of our 'Multi Domestic Unit' strategy. The fresh order intake augurs well for WABAG to achieve its targeted order intake for FY 2012-13."
