Dear Sir/Madam,

Subject: Disclosure of information pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We are pleased to inform that Venus Pipes & Tubes Limited has received LOI from one of India's leading integrated power plant equipment manufacturers for Stainless Steel Seamless Boiler Tubes used in series of Supercritical and Subcritical Thermal Power Projects worth ~Rs 190 Crores (excluding GST).

The Company has received the said LOI in normal course of business. The said transaction is not falling under related party transaction and is done at arm's length basis. The above is in compliance with Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and the Company's Code of Practices and Procedure for Fair Disclosure of Unpublished Price Sensitive Information.

This is for your kind information and record.

Thanking You,

For **Venus Pipes & Tubes Limited**

Venus Pipes & Tubes Limited

Received LOI from one of India's leading integrated Power Plant Equipment manufacturers for ~Rs. 190 crores

Dhaneti, Gujarat: 8th May 2025: Venus Pipes & Tubes Ltd, one of the leading stainless-steel pipes and tubes manufacturers and exporters in India has received LOI from one of India's leading integrated power plant equipment manufacturers for Stainless Steel Seamless Boiler Tubes used in series of Supercritical and Subcritical Thermal Power Projects worth ~Rs 190 Crores (excluding GST). Formal order will be released shortly and is expected to be executed progressively during next 12-15 months.

Commenting on the same, Arun Kothari, Managing Director, Venus Pipes & Tubes Ltd, said,

"We are happy to announce that the company has received an order worth ~Rs. 190 crores from one of India's leading integrated power plant equipment manufacturers for supply of stainless-steel seamless boiler tubes which are used for series of Supercritical and Subcritical thermal power projects. This order is a testament to our strong manufacturing capabilities and the long-standing relationships we have built with our customers over the years. It further reinforces our position as a key player in India's stainless-steel manufacturing landscape and showcases the trust and confidence our customers have in us.

We continue to make steady progress in our growth journey and this achievement gives us added confidence in our ability to secure large orders. Going forward, we believe our robust capabilities, investment in manpower and ongoing focus on expanding our portfolio with value-added products will enable us to tap into more such high-value opportunities. We remain committed to delivering excellence and driving growth through innovation, quality, and customer-centricity."

About Venus Pipes & Tubes Ltd
