Vibhor Steel Tubes posts 4.29% rise in PAT on the back of increasing demand and higher share of value-added products

- EBITDA at Rs 10.26 crore Q1 FY 2025-26 vis-à-vis ₹ 9.41 crores in Q1 FY 2024-25
- The company recently commissioned its ambitious 1.56 lakh MT greenfield plant (Unit III) in Odisha

Mumbai, Aug 13, 2025: Haryana-based high-quality steel tubes and pipes maker, Vibhor Steel Tubes Ltd (VSTL), registered 4.29 per cent growth in standalone net profit at Rs 3.14 crore for the quarter ended June 30, 2025, as compared with Rs 3.02 crore same period last year.

Operating income on a standalone basis increased by 2.76 per cent at Rs 230.95 crore during the quarter under review, as compared with Rs 224.75 crore last year.

The company manufactures steel products such as electric resistance welded pipes, hot-dipped galvanized pipes, hollow section pipes, primer painted pipes, SS pipes, metal beam barriers and transmission towers among others. VSTL, which has a contract manufacturing agreement with Jindal Pipes to manufacture and supply finished goods under the brand name Jindal Star, currently sees over 80 per cent of its total turnover coming from this one segment.

EBITDA stood at Rs 10.26 crore and Earnings per share was Rs 1.66, during the quarter as compared with Rs 1.59 during Q1FY 2024-25.

Commenting on the company's performance, **Vijay Kaushik, Chairman and Executive Director, Vibhor Steel Tubes**, said, "Demand for steel has been very buoyant given government's thrust on infrastructure and construction sectors. We expect the demand to pick up further as we move into the second and third quarters. This will give a further fillip to our sales. We recently commissioned our 1.56 lakh MT greenfield plant at Sundargarh in Odisha. We believe it marks the beginning of a new chapter for us at Vibhor Steel Tubes, given our focus on higher margins from value-added products and newer markets. Apart from this, the additional capacity will also firm our resolve to tap the export markets in a big way. We expect this to significantly boost our bottomline in the coming quarters. The company has already commenced tower manufacturing at its newly commissioned plant at Odisha, catering to customers across five states"

VSTL had, in February 2024, made a stellar debut on BSE and NSE, raising Rs. 72.17 crore from the IPO. The company now operates three manufacturing units at Raigad in Maharashtra, through which 100% of export sales occur, the second is in the Mahbubnagar district of Telangana and Third one is in Sundergarh, Odisha. With a total capacity of 3,77,000 MTPA, the company supplies its products to western and southern markets in Maharashtra, Gujarat, Madhya Pradesh, Telangana, Karnataka and Tamil Nadu.

About the company

Vibhor Steel Tubes Ltd. (VSTL) is a two decades old manufacturer, exporter and supplier of steel pipes and tubes to various heavy engineering industries in India. Steel pipes and tubes can be used

for many purposes such as steel pipes for frames and shafts, steel pipes for bicycle frames, steel pipes for furniture, CDW pipes for shockers, steel pipes for various structural purposes, steel pipes for various engineering purposes etc.

VSTL has been working with Jindal Pipes Limited since 2003. It manufactures & supplies the finished goods to "Jindal Pipes Limited" vide the renewed agreement dated April 01, 2023 under the brand name "Jindal Star".
