Media Release:

Vikas Ecotech Limited Secures Fire Retardant Materials Order Worth INR 28 million from Polycab for Q2 FY 2025–26

New Delhi, July 18, 2025: Vikas Ecotech Limited is pleased to announce that it has received a significant **single order of 400 metric tonnes**, valued at approx **INR 28 million**, from **Polycab India Limited**, a leading manufacturer of wires and cables in India. This order pertains exclusively to the supply of **fire retardant materials (Aluminium Trihydrate – ATH)** during the **second quarter of FY 2025–26**.

The entire order is scheduled to be executed and delivered within a period of **three months**, demonstrating Vikas Ecotech's operational efficiency and supply chain reliability.

The repeat order from Polycab underscores the trust placed in Vikas Ecotech's product quality, technical reliability, and commitment to providing sustainable and safety-enhancing specialty materials for critical applications in the wire and cable industry. This development further cements Vikas Ecotech's position as a preferred partner in the rapidly growing fire-retardant chemicals segment.

The demand for fire retardant materials, especially Aluminium Trihydrate (ATH), is witnessing steady growth driven by heightened safety regulations and increasing applications in construction, automotive, and wire & cable sectors. With rising infrastructure development and stringent fire safety norms, the Indian fire retardant chemicals market is projected to grow at a **CAGR of over 6%** in the coming years. This order positions Vikas Ecotech to capitalize on this expanding market opportunity.

About Polycab India Limited:

Polycab India Limited is the country's largest and most trusted integrated manufacturer of **wires and cables**, holding a dominant position with approximately **25–27% market share** in the organised segment. The company has built a robust manufacturing footprint with over **25 state-of-the-art facilities** strategically located across **India**, enabling it to serve diverse market demands with speed and scale.

Polycab's extensive product portfolio spans **power cables, control cables, instrumentation cables, solar and defense-grade cables, and other specialty variants**, catering to sectors ranging from infrastructure and industrial to renewable energy and defense. Over the years, the company has also diversified into the **Fast-Moving Electrical Goods (FMEG)** segment, offering high-quality electrical solutions including **ceiling fans, LED lighting systems, switches, water heaters, solar panels, conduits, and accessories**.

In addition to product manufacturing, Polycab has established a strong presence in **Engineering, Procurement, and Construction (EPC)**, undertaking turnkey projects for **power distribution and rural electrification**. This integrated business model—combining advanced manufacturing, diversified offerings, and project execution capabilities—has positioned Polycab as a key enabler of India's infrastructure growth and electrification goals.

About Vikas Ecotech Limited:

Vikas Ecotech Ltd. is a New Delhi-based company engaged in the business of Specialty Polymers & Specialty Additives and Chemicals for Plastics & Rubbers industries, catering to a wide horizon of applications in agriculture, infrastructure, packaging, electrical, footwear, pharmaceuticals, automotive, medical devices and components, and other consumer goods. Vikas Ecotech is the only manufacturer of Organotin (heat stabilizers for vinyl applications) in India with in-house R&D facilities, and is one of a handful of manufacturers globally with the technology and expertise to produce this material from Tin Metal to the final product. Expanding its business and product portfolio, Vikas Ecotech has added several consumer (final) products to its conventional (raw material) business. The company has acquired a Plasticizer manufacturing business. Vikas Ecotech also ventured into infrastructure development-related products during FY 2021–22 by supplying infrastructural steel to renowned civil and public construction companies in the Northern Indian region. The securities of the company are listed on both major stock exchanges in India—BSE (Scrip Code: 530961) and NSE (Scrip Code: VIKASECO).
