**Media Release:**

**Vikas Ecotech Limited Receives Bulk Order Worth INR 34.22 million from Olectra Greentech Limited for Fire Retardant Materials (Aluminium Trihydrate – ATH)**

**New Delhi, August 19, 2025:** Vikas Ecotech Limited is pleased to announce that it has secured a substantial single order, valued at approximately INR 34.22 million, from Olectra Greentech Limited, one of India's leading innovators in the electric mobility and green energy space. The order involves the supply of fire-retardant materials (Aluminium Trihydrate – ATH).

The execution of this order will be completed in the upcoming quarter, reinforcing Vikas Ecotech's operational reliability and strong supply chain capabilities.

This fresh order from Olectra Greentech highlights the growing confidence in Vikas Ecotech's product performance, technical consistency, and its commitment to delivering sustainable, safety-driven specialty materials. The development also reflects the company's increasing role as a trusted partner in the fire-retardant materials segment, catering to evolving requirements in high-growth industries.

The demand for Aluminium Trihydrate (ATH), a critical fire-retardant material, continues to rise with the strengthening of safety regulations and its increasing application across sectors such as electric mobility, construction, automotive, EHV composite insulators and wire & cable. With India's rapid infrastructure and green mobility expansion, the market for fire-retardant chemicals is poised for steady growth, and this order further positions Vikas Ecotech to tap into this momentum.

**About Olectra Greentech Limited**

Olectra Greentech Limited, headquartered in Hyderabad and part of the Megha Engineering & Infrastructures Limited (MEIL) Group, is India's leading pure electric bus manufacturer and a pioneer in green mobility solutions. Incorporated in 2000 and rebranded in 2018 to reflect its focus on sustainable technologies, the company operates through two major divisions—E-Vehicles (covering electric buses, trucks, and tippers) and Insulators (composite polymer insulators for transmission and railways ranging from 10 kV to 420 kV). Olectra has multiple manufacturing hubs in Telangana, with a new greenfield facility under development at Seetharampur designed to enhance EV production capacity from 5,000 units annually in Phase I to 10,000 units subsequently. To date, Olectra has deployed over 2,200 electric buses nationwide, offsetting more than 270,000 tons of CO<sub>2</sub> emissions, and its product line includes a wide range of electric buses (7m, 9m, 12m, and intercity coaches) and the Meghaetron electric tipper. The company is listed on both BSE and NSE, holds ISO 9001:2008 certification, and operates a DSIR-recognized R&D Centre. With its vision to reconnect communities through sustainable, safe, and future-ready transport solutions, Olectra continues to play a defining role in India's transition to eco-friendly mobility.

**About Vikas Ecotech Limited:**

Vikas Ecotech Ltd. is a New Delhi-based company engaged in the business of Specialty Polymers & Specialty Additives and Chemicals for Plastics & Rubbers industries, catering to a wide horizon of applications in agriculture, infrastructure, packaging, electrical, footwear, pharmaceuticals, automotive, medical devices and components, and other consumer goods. Vikas Ecotech is the only manufacturer of Organotin (heat stabilizers for vinyl applications) in India with in-house R&D facilities, and is one of a handful of manufacturers globally with the technology and expertise to produce this material from Tin Metal to the final product. Expanding its business and product portfolio, Vikas Ecotech has added several consumer (final) products to its conventional (raw material) business. The company has acquired a Plasticizer manufacturing business. Vikas Ecotech also ventured into infrastructure development-related products during FY 2021–22 by supplying infrastructural steel to renowned civil and public construction companies in the Northern Indian region. The securities of the company are listed on both major stock exchanges in India—BSE (Scrip Code: 530961) and NSE (Scrip Code: VIKASECO).

**Annexure -1**

The Details as required under Regulation 30 of SEBI Listing Regulations read with SEBI circular SEBI/HO/CFD/CFDPoD-1/P/CIR/2023/123 dated July 13, 2023 are as follows:

a)	Name of the entity awarding the order(s)/contract(s)	Olectra Greentech Limited,
b)	Significant terms and conditions of order(s)/contract(s) awarded in brief	As per terms of order /contract
c)	whether order(s) / contract(s) have been awarded by domestic/ international entity;	Domestic Entity
d)	Nature of order(s) / contract(s);	supply of fire retardant materials (Aluminium Trihydrate – ATH)
e)	whether domestic or international;	Domestic.
f)	time period by which the order(s)/contract(s) is to be executed;	Estimated 3 Months (Approx.)
g)	Broad consideration or size of the order(s)/contract(s);	INR 34.22 million
h)	whether the promoter/ promoter group / group companies have any interest in the entity that awarded the order(s)/contract(s)? If yes, nature of interest and details thereof;	No
i)	whether the order(s)/contract(s) would fall within related party transactions? If yes, whether the same is done at “arm’s length”.	No
