Media Release:

Website Temporarily Taken Offline for Preventive Technical Review

New Delhi | February 07, 2026 — Vikas Group informs its stakeholders and the public that its official website was subject to a cyber-attack resulting in display of unauthorized content and hacking of its web server.

In the interest of user safety and system integrity, the website has been temporarily taken offline while corrective and security-related work is underway.

The Group has proactively:

- Commenced a technical and security review
- Engaged relevant experts to identify and rectify the issue
- Implemented measures to prevent recurrence

The website will be restored after full resolution and verification to ensure a secure and reliable experience for users.

Vikas Group prioritizes responsible digital practices and stakeholder confidence, and appreciates the cooperation and understanding of all concerned during this period.

Updates, if required, will be communicated through official channels.

About The Company:

Vikas Lifecare Limited (VLL) is an ISO 9001:2015 certified company, conventionally engaged in manufacturing and trading of Polymer and Rubber compounds and Specialty Additives for Plastics, Synthetic & Natural Rubber. Polymer & Rubber Commodity (bulk consumption) Compounds and Master-Batches (Manufacturing up- cycled compounds from industrial and post-consumer waste materials like EVA, PVC, PP, PE etc.), contributing to the Environment Protection initiatives from the Government of India and fulfilling the mandated EPR obligations for the conglomerates consuming hundreds of thousands of tons of plastic products and packaging materials.

VLL's subsidiary M/s Genesis Gas Solutions Pvt. Ltd. (GGSPL) is engaged in the business of Smart Gas Meters being supplied to all the major Gas Distribution Companies for domestic and commercial consumers. Genesis pioneers in Smart Gas Metering and commands about 20% share in the Domestic Gas Metering market in India. In June 2023, under a joint venture agreement between Indraprastha Gas Limited (IGL) and Genesis Gas Solutions Private Limited (GGSPL) a joint venture company IGL GENESIS TECHNOLOGIES LIMITED was incorporated which is in the process of establishing a plant for manufacturing Gas Meters based on the technology know-how from Hangzhou Beta Meters, the largest Gas Meter Producer in the world, along-with the indigenous software

developed by Genesis using LORA WAN technology for the wireless connectivity for the Smart Meters..

As a long-term business strategy, the company has most recently diversified its business interests beyond raw materials (B2B businesses) and forayed into the B2C segment with a host of consumer products including FMCG, Agro, and Infrastructure Products; paving way for an aggressive business growth with intricately planned and making continuous additions to the products & services portfolios via acquisitions, joint ventures and tie-ups.

The Company continues spreading its arms under entertainment sector with a new venture in film production. This strategic move marks Vikas Lifecare Limited's entry into the dynamic world of cinema, leveraging its expertise in creativity and innovation to deliver captivating and thought-provoking content to audiences worldwide.
