To,
The Board of Directors,
VISA Steel Limited
VISA HOUSE
8/10 Alipore Road
Kolkata –700 027

1. We have reviewed the accompanying unaudited consolidated financial results of **VISA Steel Limited** (hereinafter referred to as the "Parent Company") and its subsidiary (the Parent Company and its subsidiary together referred to as "the Group"), and its joint venture (refer Paragraph 6 for the list of subsidiary and joint venture included in the statement) for the quarter ended September 30, 2025 and year to date results for the period from April 1, 2025 to September 30, 2025 together with notes thereon (herein after referred to as 'the Statement'), attached herewith, being submitted by the Parent Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended.

Management's Responsibility for the consolidated financial results

2. This Statement is the responsibility of the Parent Company's Management and approved by the Parent Company's Board of Directors in their meeting held on November 14, 2025. Our responsibility is to express a conclusion on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Regulations, as amended, to the extent applicable.

Basis of Qualified Conclusion

4. We draw attention to Note 7 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Parent Company. The accumulated interest not provided as on September 30, 2025 is Rs.14,044.87 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21, Rs.1,289.27 million for FY 2021-22, Rs.1,404.62 million for FY 2022-23, Rs.1,743.58 million for FY 2023-24, Rs.1,601.10 million for FY 2024-25, Rs. 399.35 million and Rs.798.64 million for the quarter ended September 30, 2025 and year to date period from April 1, 2025 to September 30, 2025 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter and half year ended September 30, 2025 would have been Rs. 483.19 million and Rs.961.54 million instead of the reported amount of Rs. 83.84 million and Rs.162.90 million respectively. Total expenses for the quarter and half year ended September 30, 2025 would have been Rs. 1,392.37 million and Rs.3,466.95 million instead of the reported amount of Rs. 993.02 million and Rs.2,668.31 million respectively. Net profit/(loss) after tax for the quarter and half year ended September 30, 2025 would have been Rs. (601.56) million and Rs. (957.63) million instead of the reported amount of Rs. (202.21) million and Rs. (158.99) million respectively. Total Comprehensive Income for the quarter and half year ended September 30, 2025 would have been Rs. (602.04) million and Rs. (958.59) million instead of the reported amount of Rs. (202.69) million and Rs. (159.95) million respectively, Other equity would have been Rs. (28,970.99) million instead of reported amount of Rs. (14,926.12) million, Other Current Financial Liability would have been Rs. 16,008.28 million instead of reported amount of Rs. 1,963.41 million. Earnings/(Loss) per share for the quarter and half year ended September 30, 2025 would have been Rs. (5.20) and Rs. (8.27) instead of the reported amount of Rs. (1.75) and Rs. (1.37) respectively.

The above reported interest has been calculated using Simple Interest rate.

Qualified Conclusion

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The statement includes the results of the following entities:

Subsidiary Company

a) Kalinganagar Chrome Private Limited (KCPL)

Joint Venture

b) VISA Urban Infra Limited

7. **We draw attention to the following matters:**

a) Material Uncertainty Relating to Going Concern

Refer Note 6 to the unaudited consolidated financial results regarding the preparation of the consolidated financial results on a going concern basis, for the reason stated therein. The Parent Company has accumulated losses as on September 30, 2025. As on September 30, 2025, the Parent Company's current liabilities are substantially higher than its current assets and their net worth has also been fully eroded.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in the normal course of business. All the assets and liabilities are still being carried at their book value except property, plant and equipment, which have been impaired in the previous year, and are being carried at its recoverable value. The appropriateness of assumption of going concern, and evaluation of recoverable value of its non-current assets of the Parent Company is critically dependent upon the debt resolution of the Parent Company which is under process, the Parent Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Group to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Group.

The Management of the Parent Company has prepared the statement on a going concern basis based on their assessment of the successful outcome of the debt resolution, till then the Parent Company's operations continue under conversion arrangement.

- b) We draw attention to Note – 8 of the consolidated financial results which describes that majority of the lenders with approx. 96% of the debt have assigned their debt to Assets Care and Reconstruction Enterprise Limited. The Parent Company is currently engaged in discussions with ACRE for restructuring of its outstanding loan exposure including waiver of interest, and no adjustment has been carried out in the books of accounts. The settlement agreement or appropriate scheme covering all lenders is pending.

Our conclusion is not qualified in respect to the above matters.

Other Matters

8. We did not review the financial information / financial results of one subsidiary whose financial information / financial results, which have not been reviewed by their auditors, reflects total assets of Rs. 0.24 million, total revenue of Rs. Nil, Net Profit / (Loss) of Rs.(0.00) * million and total comprehensive income of Rs. (0.00) * million as considered in the statement for the quarter ended September 30, 2025 and for the period April 1, 2025 to September 30, 2025 and net cash flow amounting to Rs. (0.01) for the period April 1, 2025 to September 30, 2025 as considered in the consolidated financial results. The statement also includes the Group's share of net profit of Rs. 0.01 million for the period April 01 2025 to September 30, 2025, in respect of one joint venture, which have not been reviewed by their auditors, and whose financial information / financial result have not been reviewed by us. These Financial Statements have been certified by the management of the respective company and provided to us by the Parent Company's Management. According to the information and explanation given to us by the Parent Company's Management, these financial information / financial results are not material to the Group. Our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the above subsidiary and joint venture, is based solely on the financial information / financial results certified by the management and the procedures performed by us as stated in paragraph 3 above.

Limited Review Report on Unaudited Quarterly Standalone Financial Results of VISA Steel Limited pursuant to regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015, as amended

To,
The Board of Directors,
VISA Steel Limited
VISA HOUSE
8/10 Alipore Road
Kolkata – 700 027

1. We have reviewed the accompanying statement of unaudited standalone financial results of **VISA Steel Limited** ('the Company') for the quarter ended September 30, 2025 and year to date results for the period from April 1, 2025 to September 30, 2025 together with notes thereon (herein after referred to as 'the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Regulation) as amended.

Management's Responsibility for the standalone financial results

2. This Statement is the responsibility of the Company's Management and approved by the Board of Directors in their meeting held on November 14, 2025. Our responsibility is to express a conclusion on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

4. We draw attention to Note 6 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Company. The accumulated interest not provided as on September 30, 2025 is Rs. Rs.14,044.87 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21, Rs.1,289.27 million for FY 2021-22, Rs.1,404.62 million for FY 2022-23, Rs.1,743.58 million for FY 2023-24, Rs.1,601.10 million for FY 2024-25, Rs. 399.35 million and Rs.798.64 million for the quarter ended September 30, 2025 and year to date period from April 1, 2025 to September 30, 2025 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter and half year ended September 30, 2025 would have been Rs. 483.19 million and Rs.961.54 million instead of the reported amount of Rs. 83.84 million and Rs.162.90 million respectively. Total expenses for the quarter and half year ended September 30, 2025 would have been Rs. 1,392.37 million and Rs.3,466.95 million instead of the reported amount of Rs. 993.02 million and Rs.2,668.31 million respectively. Net profit/ (loss) after tax for the quarter and half year ended September 30, 2025 would have been Rs. (601.57) million and Rs. (957.64) million instead of the reported amount of Rs. (202.22) million and Rs. (159.00) million respectively. Total Comprehensive Income for the quarter and half year ended September 30, 2025 would have been Rs. (602.05) million and Rs. (958.60) million instead of the reported amount of Rs. (202.70) million and Rs. (159.96) million respectively, Other equity as at September 30, 2025 would have Rs. (28,971.07) million against reported Rs. (14,926.20) million, Other Current Financial Liability as at September 30, 2025 would have been Rs. 16,008.28 million instead of reported amount of Rs. 1,963.41 million. Earnings/(Loss) per share for the quarter and half year ended September 30, 2025 would have been Rs. (5.20) and Rs. (8.27) instead of the reported amount of Rs. (1.75) and Rs. (1.37).

The above reported interest has been calculated using Simple Interest rate.

Qualified Conclusion

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention to the following matters:

a) Material Uncertainty Relating to Going Concern

We draw attention to Note - 5 to the unaudited standalone financial results regarding the preparation of the statement on a going concern basis, for the reason stated therein. The Company has accumulated losses and has also incurred losses during the quarter ended September 30, 2025. As on date, the Company's current liabilities are substantially higher than its current assets and the Company's net worth has also been fully eroded.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in the normal course of business. All the assets and liabilities are still being carried at their book value except property, plant and equipment, which have been impaired in the previous year, and are being carried at its recoverable value. The appropriateness of assumption of going concern, and evaluation of recoverable value of its non-current assets is critically dependent upon the debt resolution of the Company which is under process, the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Company to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Company.

The Management of the Company has prepared the statement on a going concern basis based on their assessment of the successful outcome of the debt resolution, till then the Company's operations continue under conversion arrangement.

- b) We draw attention to Note – 7 of the standalone financial results which describes that majority of the lenders with approx. 96% of the debt have assigned their debt to Assets Care and Reconstruction Enterprise Limited. The Company is currently engaged in discussions with ACRE for restructuring of its outstanding loan exposure including waiver of interest, and no adjustment has been carried out in the books of accounts. The settlement agreement or appropriate scheme covering all lenders is pending.

Our conclusion is not qualified in respect to the above matters.
