Sub: Outcome of Analysts/Institutional Investors Meeting under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), we wish to inform you about the successful completion of the Group meeting including a site visit, held on Saturday, March 7, 2026. During the session, the Company discussed the following:

1. The Specialized infrastructure equipment business with strong niche positioning
 - The company operates a large fleet of machines (~450+) supported by a substantial workforce.
 - The company provides end-to-end rental, refurbishment, and trading solutions.
 - Milling is essential for highway maintenance cycles, especially when agencies like NHAI issue projects.
2. Stable revenue model driven by rentals, refurbishment, and project work
 - Revenue mix appears to be ~45% rental and ~55% refurbishment/services.
 - Equipment utilisation provides consistent income through effective asset deployment.
3. Strong industry linkage and growth visibility from large contractors
 - The company works with major infrastructure companies across the sector.
 - The company operates a wide range of equipment nationwide, including crushers, milling machines, piling rigs, paving equipment, soil stabilizers, and other road construction machinery.
 - Growth in FY26, driven by highway upgrades and road maintenance demand.

We believe the meeting was well-received and served as an effective platform to build greater understanding of our business and operations.
