B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.

Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.

A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company

For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

Password details for shareholders other than Individual shareholders are given below:
 If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

How to retrieve your 'initial password'?

If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

Physical User Reset Password? (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

Now, you will have to click on "Login" button.

After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.

2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to kirti.sharma2593@yahoo.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "**Upload Board Resolution / Authority Letter**" displayed under "**e-Voting**" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or “[Physical User Reset Password?](#)” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 - 4886 7000

- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – **No events / actions occurred during the Audit Period in pursuance of this regulation; and**
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015; and

(vi) Other specifically applicable laws to the Company:

- a. The Information Technology Act, 2000.
- b. The FEMA Act, 1999.

I report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with all the laws applicable specifically to the Company.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

During the period under review and as per the explanations and representations made by the management and subject to clarifications given to us, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc., except the following:

1. *The Company was imposed Fine under Regulation 17(1) of SEBI (LODR) Regulations, 2015 for Non-Compliance with the provisions Regulation 17(1) of SEBI (LODR) Regulations, 2015 respectively i.e. "Non-compliance with the requirements pertaining to the composition of the*

Board including failure to appoint woman director" amounting Rs. 365800/- From both the exchange (NSE & BSE) each for September quarter, 2024.

The Listed Entity has paid the penalty amount of Rs. 365800/- each to both Exchange on 10th December, 2024.

- 2. The Company was imposed Fine under Regulation 17(1) of SEBI (LODR) Regulations, 2015 for Non-Compliance with the provisions Regulation 17(1) of SEBI (LODR) Regulations, 2015 respectively i.e. "Non-compliance with the requirements pertaining to the composition of the Board including failure to appoint woman director" amounting Rs. 4,24,800/- From both the exchange (NSE & BSE) each for December quarter, 2024.*

The Listed Entity has paid the penalty amount of Rs. 365800/- each to both Exchange on 10th December, 2024.

- 3. The Company was imposed late Fine under Regulation 29 of SEBI (LODR) Regulations, 2015 for delayed submission of one day for the half year ended 30th September, 2024 by BSE and NSE of Rs. 10000/- plus GST from each Exchange.*

However, the Company has paid the same on 17th December, 2024.

- 4. The Company was imposed late Fine under Regulation 29 of SEBI (LODR) Regulations, 2015 for delayed submission of one day for the month ended 31st March, 2025 by BSE and NSE of Rs. 10000/- plus GST from each Exchange.*

However, the Company has paid the same on 21st April, 2025.

- 5. Mr. Kaushal Yadav, Independent Director of the Listed entity is not registered under the Database of Independent Directors.*
- 6. Intimation of resignation of Mr. Kailash Ram Gopal Chhapparwal, non Executive Director dated 30th April, 2024 was intimated to The BSE Limited on 7th May, 2024.*

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors including Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors for the Board Meetings, including Committees thereof, along with agenda and detailed notes on agenda at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors.
- All decisions at Board Meetings and Committee Meetings are carried out unanimously and recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by the statutory financial auditors, tax auditors and other designated professionals.

I further report that as per the explanations given to me and the representation made by the Management and relied upon by me, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there was no other event/action having major bearing on the Company's affairs.

ANNEXURE-III

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In this Management Discussion and Analysis Report (MDAR), we provide an insightful overview of **M/s. Visagar Polytex Limited's** performance, operations, and key developments during the reporting period. This section serves as an essential part of our annual report, offering stakeholders valuable insights into your Company's strategic direction and performance.

FORWARD-LOOKING STATEMENTS

Before delving into the MDAR, it is imperative to acknowledge the presence of certain "forward-looking statements" contained within this document. These forward-looking statements appear throughout this report, including under chapters titled "Risk Factors," "Our Business", "Management's Discussion and Analysis of Financial Position and Results of Operations", "Industry Overview" etc.

Forward-looking statements encompass projections, expectations, and insights into our Company's plans, objectives, strategies, future events, financial performance, and various other aspects of our business. These statements may include words or phrases such as 'anticipate,' 'believe,' 'continue,' 'estimate,' 'expect,' 'intend,' 'may,' 'plan,' 'potential,' 'project,' 'will,' and similar expressions. While these statements offer valuable insights, it's important to note that they are not guarantees of future performance.

Factors Affecting Forward-Looking Statements

Forward-looking statements, by their nature, are subject to various known and unknown risks, uncertainties, and assumptions. These uncertainties and factors can cause actual results, performance, or achievements to differ materially from what is expressed or implied by these statements.

Cautionary Note

While we believe that the expectations reflected in our forward-looking statements are reasonable, we cannot guarantee that they will materialize as anticipated. Given these uncertainties, stakeholders are urged not to place undue reliance on these statements.

These forward-looking statements reflect our Company's position as of the date of this report and the respective dates indicated herein. We, our Directors, our Promoter, and affiliates have no obligation to update or revise these statements to reflect circumstances arising after the date hereof or to account for events that may not align with our assumptions.

INDIAN ECONOMIC OVERVIEW

India's real Gross Domestic Product (GDP) recorded a growth of 6.5% in FY25, indicating sustained economic momentum despite ongoing global uncertainties. The international economic environment remains fragile, with persistent geopolitical tensions, conflicts, and volatile trade policies continuing to pose significant challenges. On the domestic front, retail inflation has moderated, easing from 5.4% in FY24 to 4.9% during the April–December 2024 period, signalling improved price stability. Reflecting India's expanding role in the global

economy, the country now holds the seventh-largest share in global services exports. Additionally, merchandise exports, excluding petroleum and gems & jewellery, recorded a 9.1% growth in the same period, underscoring the sector's resilience and adaptability amid a complex global trade landscape.

For FY26, GDP was initially projected to grow at 6.7%; however, due to the impact of tariff-related factors, the Reserve Bank of India has revised the forecast downward to 6.5%. The Union Budget 2025-26 unveils a range of bold reforms and targeted initiatives focussed on strengthening India's textile sector, MSMEs, exports, and agriculture. It also introduces tax relief measures designed to boost disposable income and drive overall economic growth.

Importantly, India's growth has been supported by macroeconomic stability, with controlled inflation, a manageable fiscal position, and a stable balance of payments. These factors have contributed to building resilience in the domestic economy and bolstering investor confidence.

INDIA'S TEXTILE MARKET

Introduction

The textile industry contributes approximately 2.5% to the national GDP, around 7% to industrial output, and nearly 12% of the country's total export earnings. It is also one of the largest employment-generating sectors, providing livelihoods to over 45 million people, both directly and indirectly, across the entire value chain – from cotton cultivation and yarn production to garment manufacturing and retail.

With the global apparel market expected to reach USD 2.37 trillion by 2030, a CAGR of 8% and the global textile and apparel trade projected to grow to USD 1.2 trillion, opportunities for international expansion are set to increase. Domestically, the Indian textile and apparel market is anticipated to grow at a strong CAGR of 10%, reaching USD 350 billion by 2030, with exports contributing USD 100 billion – offering a significant boost to companies with global ambitions. Additionally, the technical textiles sector is poised for substantial expansion, with the global market projected to hit USD 309 billion by 2047. Specifically, the Indian medical textiles segment, expected to grow at 15% annually, signals rising demand in high-value, specialised applications. For companies in the textile industry, this growth trajectory highlights an ideal environment for scaling operations, diversifying product lines, and tapping into both traditional and emerging high-margin markets.

The future growth in Indian textile and apparel market will be led by various economic factors such as increase in discretionary income and rising urban population. Further, the demand is poised by increase in online retailing, shift from cotton to man-made fibre, fast fashion, and robust growth of technical textiles segment. Additionally, global industry expanding outside of China would aid the Indian export markets in the growth trajectory. Bangladesh is the second largest exporter of readymade garments.

Industry Structure and Development

The key players of textile industry are concentrated in India, China, the European union and the United States. Vietnam and Bangladesh have also emerged as significant contributors to the industry. India is estimated to have the world's third largest textile industry.

India benefits from multitude of factors such as abundant availability of raw materials including cotton polyester, recycled polyester, nylon, silk and jute along with large pool of skilled manpower and large ancillary industry. It also enjoys benefit of being a cost effective compared to other large textile producing industries.

New technologies and state-of-the-art equipment have enabled the Indian textile industry to become more efficient and productive over the years.

During FY 2024-25, there was an increase of about 10% export of readymade garments and other textiles over previous year.

The rise in export of textile is likely to grow due to lowest increase in tariffs for India compared to other competing countries. Textile industry is the second largest employer of manpower after infrastructure. This rise in export of textile will result in more creation of jobs.

In Union budget of FY 2024-25, 19% increase in allocation from previous year has been marked for ministry of textiles. This substantial rise in allocation underscores several strategic initiatives such as launch of the “cotton mission”, support for technical textiles, supporting MSME which comprises 80% of textile industry and promote exports.

- **Opportunities:**

India has started exporting electronic components to China and Vietnam for the first time for manufacturing Apple products like mac books, iPad, watches, pencil and iPhone. All these parts barring iPads are exported to the assembling locations to be utilised in making the final products. “Make in India” efforts have thus borne fruit and provided good opportunity to enhance exports. Export target of \$35-40 billion is set to be achieved by 2030. The government is soon to come out with a production linked incentive (PLI scheme) of more than \$3 billion for this project.

India's textile exports are estimated at \$33.2 billion in April 2024 to February 2025 period of which 30% were dispatched to United States. Following lower tariff rates than competing China, Vietnam and Bangladesh, the export revenues are likely to grow. Given the intrinsic strength of Indian apparel sector and availability of entire chain, there is an opportunity for India to work for contract manufacturers of global brands to export business.

Also India has an opportunity to take advantage of lower tariff rate in American markets to export chemicals, plastic and rubber goods etc. India exports many products to America which work as raw material for getting converted into finished goods of their very popular and prestigious brands after brilliant packaging. For example, America's Levi's jeans acknowledged as one of the world's biggest clothing companies, Denim cloth, one basic ingredient for Levi's is purchased from India in bulk. Besides, other European brands like Zara and H&M also purchase denim cloth from India.

Also majority of Nike shoes are not made in USA. In fact, India has a role here too as it is home to extensive shoe making skills. There are many more such products exported to America as raw materials.

India can convert some such raw materials into finished goods with latest equipment, skillful labour and innovative packaging and sell it in domestic markets or export to America with

hiking prices to luxury level. The business for India will grow significantly. There are many affluent people in India having high disposable income who will patronize such final products if the quality is approved.

Free trade agreement (FTA) between India with UAE, Australia and Switzerland has already made. Such agreement with UK and European union are at final stage (FTA with UK is finalized on 6 th May, 2025).

Threats:

If border tensions around India continues or escalates, that may impact the projection of economy. Import duty of 10.6% still continues, despite many discussions. This is making India incompetent on price level.

If India is to increase exports to reputed brands, more skillful operators are required and need right type of training at manufacturing level.

In India, many factories use spun polyester yarn in place of cotton yarn for inner wear apparel.

Since the Polyester yarn is cheaper, in local markets innerwear polyester textiles are posing big price threat to cotton textiles.

FINANCIAL OVERVIEW & COMPANY OUTLOOK

Given the prevailing circumstances, where the company's sales have reached a standstill, it is imperative for your Company to implement stringent cost-cutting measures and diligently manage operational and inventory efficiency. These actions are of paramount importance in light of the ongoing challenges that continue to impede the company's business operations.

FACTORS THAT MAY AFFECT THE RESULTS OF OPERATIONS

Several factors may affect our result of operations that may make it difficult to predict the future financial results. Such factors are:

- Natural Calamities & Disasters and other unforeseen/ unavoidable circumstances
- Development / Innovation / Emergence of any substitute for our products
- Breakdown of machinery or plant
- Disrupted power supply from state electricity board
- Strike by laborers
- Government policies, rules and regulations affecting textile industries
- Competition
- Operating cost & Efficiency
- Exchange Rates
- Movement in Price of Fabric & Raw materials
- Product and Market Mix

- Availability of Government Benefits & Subsidies
- Ability to organize funds for projects
- Availability of skilled human forces
- Debtor Issues
- Creditworthiness
- Banking Risks

DEVELOPMENT, EXPANSION & FUTURE OUTLOOK

Amidst the ever-changing business environment, your company is strategically treading through a complex landscape fraught with challenges. The textile industry is known for its volatile demand patterns, influenced by seasonal trends, changing consumer preferences, extended payment cycles and varying creditworthiness of customers, which can strain working capital, hence balancing inventory levels and debtors while ensuring free cash flow lingers as an issue. The industry is currently in the midst of a profound transformation, marked by a series of obstacles that have exerted substantial influence on your company's operations. In the face of substantial hurdles and complexities inherent to the industry, your management remains resolute. Despite these challenges, we maintain a forward looking perspective. We patiently await the right moment for the textile business to once again thrive profitably.

- **Operational Efficiency:** Focusing on enhancing operational efficiency by streamlining processes, reducing wastage, and improving resource allocation.
- **Inventory Management:** Prioritizing effective inventory management strategies to minimize holding costs and ensure a lean and agile supply chain.
- **Adapting to Industry Changes:** Continuously monitoring and adapting to the ongoing paradigm shifts and challenges within the industry to remain competitive and resilient.
- **Business Resilience:** Developing strategies to navigate through challenges and uncertainties, ensuring the company's ability to withstand market fluctuations.
- **Reigniting Revenue:** Exploring avenues for sales recovery and growth, considering innovative approaches to reinvigorate the business.
- **Market Positioning:** Evaluating market positioning and identifying opportunities to strengthen the company's presence in the industry.
- **Sustainable Practices:** Embracing sustainability practices that align with evolving market trends and customer expectations.
- **Financial Prudence:** Maintaining financial prudence and liquidity to support future growth and investment opportunities.

TECHNOLOGY ABSORPTION

Efforts made towards technology Absorption. Your Company tries to stay abreast with the latest technology in the market. Your Company has a mix of the latest machinery with various value addition capabilities, all under a single setup. During the year, there was no import of machinery by the Company. Benefits Derived: Having machinery with different capabilities helps your Company provide an umbrella solution to its clients as they do not need to go anywhere else for any kind of value addition requirements. This helps retain clients and is beneficial in the long term.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Visagar Polytex Limited
Report on the Audit of Financial Statements

Opinion

We have audited the standalone financial statements of **Visagar Polytex Limited** ("the Company"), which comprise the balance sheet as at March 31, 2025, the statement of Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The balances of Loans & Advances, Sundry Debtors and Sundry Creditors are subject to confirmation, reconciliation and consequent adjustment, if any. In the absence of such confirmations, we are unable to comment on the accuracy and completeness of the same and their consequential impact on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report There on

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash Flow Statement of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the matter to be included in the Auditor’s Report under section 197(16), In our opinion and according to the information and explanations given to us and after relying on the certificate of company secretary, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF VISAGAR POLYTEX LIMITED LIMITED

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Visagar Polytex Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With Reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process

designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on the management's assessment and internal control procedures conducted in-house, the Company has internal financial controls pertaining to financial statements that are adequate in all material respects. These controls, based on the criteria established by the Company and considering the essential components outlined in the Guidance Note, were operating effectively as at March 31, 2025.

1. Significant Accounting Policies

1.1 Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements for the year ended 31st March, 2025 are the eighth financials with comparatives, prepared under Ind AS and the financial statements for the year ended 31st March, 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods, the Company had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2017.

The financial statements have been prepared on a historical cost basis, except for the following:

- a) Certain financial assets and liabilities that are measured at fair value;
- b) Assets held for sale-measured at lower of carrying amount or fair value less cost to sell;
- c) Defined benefit plans – plan assets measured at fair value

1.2 Summary of Significant Accounting Policies

a) Current vs Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- Expected to be settled in normal operating cycle.
- Held primarily for the purpose of trading
- Due to be settled within twelve months after reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalent. The Company has identified twelve months as its operating cycle.

b) Use of estimates and judgements

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

c) Property, Plant & Equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2017, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

Property, plant & equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. In case of assets acquired in exchange for a non-monetary asset, the cost of such an item of property, plant and equipment is measured at fair value unless (a) the exchange transaction lacks commercial substance or (b) the fair value of neither the asset received nor the asset given up is reliably measurable. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Depreciation on Property, Plant & Equipment

Depreciation on Property, Plant & Equipment is calculated on a written down value (WDV) basis using the rates arrived at based on the useful lives estimated by the management which is as per the rates specified in Schedule II to the Companies Act, 2013.

e) Inventories

Inventories are valued at the lower of cost or net realizable value.

f) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is

measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

g) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

h) Employee Benefits

Short term benefits and post-employment benefits are accounted in the period during which the services have been rendered.

i) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses, are recognised in the statement of profit and loss.

k) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the statement of profit or loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as part of finance costs.

l) Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

n) Investments and other financial assets**(i) Classification**

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

Amortised Cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

o) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per shares

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
