Net Profit Margin (%)	**4.43%**	6.39%

Commenting on the Financial Performance, Mr. Rajagopal Reddy Annam Reddy, Chairman, Managing Director & CEO of V.L. Infraprojects Limited, said: *"H1 FY27 has been an important period for V.L. Infraprojects as we continued to execute infrastructure projects across water supply and other EPC segments. During the first half of the financial year, the company reported Total Income of ₹71.79 crore, registering a growth of 14.14% year-on-year, while Net Profit stood at ₹3.18 crore. Our performance reflects our continued efforts towards efficient project execution, timely delivery and effective resource utilisation across our operations.*

India's infrastructure sector continues to offer opportunities through investments in water supply, sewerage, irrigation, roads and urban infrastructure. Government initiatives such as the Jal Jeevan Mission and AMRUT are supporting the development of essential infrastructure, creating opportunities for EPC contractors with established project execution capabilities. Our presence across multiple infrastructure segments and experience in executing government-led projects position us to participate in these opportunities.

Going forward, our priorities are to expedite execution across ongoing projects, pursue suitable tenders and strengthen our order pipeline while maintaining disciplined bidding practices. We will continue to focus on project delivery, working capital management and operational efficiency as we seek to build a stronger project portfolio and create sustainable long-term value for our stakeholders."
