DCC seeks clarifications on satcom spectrum

PRESS TRUST OF INDIA
New Delhi, September 16

THE TELECOM DEPARTMENT'S highest decision-making body on Tuesday sought clarification from Trai on certain aspects of satellite spectrum recommendations, sources said indicating that fee mooted for urban customers and the annual minimum spectrum charges suggested by the regulator could be some of the areas for the back-reference.

The development assumes significance as prominent companies including billion-dollar Elon Musk-owned Starlink, Bharti-backed Eutelsat OneWeb, and Reliance Jio-SES, are keenly eyeing the high stakes game of broadband beamed from Indian skies.

The Digital Communications Commission (DCC) held a meeting on Tuesday to discuss the recommendations of the Telecom Regulatory Authority of India (Trai) on satcom spectrum. Sources said the multi-ministry apex decision-making body that looks at significant telecom matters, has decided to seek certain clarifications from Trai over satcom spectrum recommendations.

Areas where clarification are likely to be sought include the regulator's suggestion on charging additional ₹500 per annum from urban areas, sources said adding that telecom department is of the view that implementation challenges, and issues around billing could arise. Further they feel a clear rural-urban demarcation may be difficult.

SLIGHTLY HIGHER THAN THE PAST COUPLE OF MONTHS

India's Russian oil imports robust so far in September

SUKALP SHARMA
New Delhi, September 16

RUSSIAN OIL DELIVERIES at Indian ports for the first half of September were robust, and slightly higher than the past couple of months, suggesting that the growing US rhetoric in July against New Delhi's hefty oil imports from Moscow did not have any meaningful impact on Indian refiners' crude sourcing behaviour at the time. Crude loadings at Russian ports so far in September, although slightly lower than pre-August levels, are also evidently stable even as the situation remains fluid, according to preliminary tanker data and industry insiders.

Typically, contracts for Russian crude supplied to India are finalised six-eight weeks before delivery, which means that the volumes imported in the first half of September correspond largely to contracts from July, when US President Donald Trump began to publicly target India over its Russian oil purchases. According to trade experts, Russian oil deliveries to India in late September and October would provide a clear picture of the impact of Trump's tariff tantrums as the secondary tariff on Indian goods was announced by Washington in early August as a "penalty" for

MORE SHIPMENTS

■ Russian oil imports in the first 16 days of Sept were at **1.73 mn bpd**

■ The import volumes for July stood at **1.59 mn bpd**

■ For August, it stood at **1.66 mn bpd**

buying Moscow's crude.

India's Russian oil imports in the first 16 days of September were at 1.73 million barrels per day (bpd), per provisional vessel tracking data from global real-time data and analytics provider Kpler. The import volumes for full July and August stood at 1.59 million bpd and 1.66 million bpd, respectively.

As for oil loadings at Russian ports, September 1-16 volumes loaded for India were at 1.22 million bpd, but the actual figure could be close to 1.6 million bpd as a number of tankers laden with Russian crude are headed towards Egypt's Port Said and are not reflecting their final destination. Industry watchers expect a

large share of this oil to also come to India, given many of these tankers have regularly discharged crude at Indian ports over the past few months. A similar trend was also observed in August loadings for India, which are also estimated at around 1.6 million bpd, including some cargoes that are expected to reflect their final destination only once they transit the Suez Canal. The journey time for tankers transporting Russian crude to Indian ports through the Suez Canal — the main supply route — typically ranges between three and four weeks.

Indian refiners' heavy imports of Russian crude are seen as a lever that the Trump administration believes it can use to force the Kremlin's hand into ending the Ukraine war. Oil exports are the biggest source of revenue for Moscow, and New Delhi is the second-largest buyer of its oil after Beijing. But despite US rhetoric and imposition of 25% secondary tariff over the 25% tariff imposed earlier on most Indian goods, India has shown no signs of backing down on Russian oil imports.

New Delhi has termed the Trump administration's action "unjustified and unreasonable" and said these imports began as its traditional supplies were diverted to Europe, with the US having "actively encouraged such imports by India for strengthening global energy markets stability".

Puri dismisses claims of biofuel harming engines

OIL MINISTER HARDEEP Singh Puri on Tuesday dismissed claims of biofuels damaging automobile engines as rubbish and said petrol blended with 20% ethanol is environmentally safe to use.

"All the stories you hear about biofuels being harmful for engines, there's a lot of 'BS' — 'B' capital, 'S', capital, and I

don't know what that means, but it's a specialiser," he said at an event.

Though he did not specify, he implied a cuss word for "rubbish".

Petrol blended with 20% ethanol extracted from sugarcane or food grains, is safe to use, he said.

With all of the 90,000-plus

petrol pumps across the country selling only E20 petrol (80% petrol and 20% ethanol), some motorists complained about the impact on older vehicles. Carmakers added to the confusion by initially saying E20 fuel had not been tested for compatibility with older vehicles, but later backtracked to say they were safe to use.

Puri and his ministry have repeatedly dismissed fears around the use of E20 as unfounded but said older vehicles may need to replace some rubber parts and gaskets which is a "simple process".

Puri on Tuesday said the percentage of ethanol blended in petrol in 2014 was 1.4% which has now reached 20%. **PTI**

Valuations of crypto-related IPOs soar amid Trump push

ISHAAN MITAL
New Delhi, September 16

THE DONALD TRUMP administration's backing for ease of issuance and trading of cryptocurrencies has spurred a frenzy of IPOs in the virtual digital assets space. Sample the listing of Gemini, a crypto exchange founded by the Winklevoss twins, Cameron and Tyler Winklevoss, of Meta-owned Facebook fame, on September 12 at \$4.4 billion — a premium of 32.2 per cent over its IPO valuation.

In another listing, blockchain lender Figure Technology Solutions garnered \$787.5 million in its IPO, and listing on the tech-heavy Nasdaq stock exchange in the US at \$36 apiece, up from its IPO price of \$25 apiece on September 11.

Gemini and Figure join an array of crypto-related companies whose public listing indicated bullish sentiment for virtual digital assets under an enabling administration in the US.

How crypto-related stocks have performed

In June, stablecoin issuer Circle Internet Group raised its valuation to \$7 billion in the run-up to its IPO. The company's stock listed at \$69 apiece, nearly doubling in valuation on debut. Circle's stock closed at \$134.19 per share, up over 17 per cent on Monday. The USDC stablecoin issuer's CEO credited engagement with policymakers for

the company's success.

Bullish, the parent of crypto exchange CoinDesk raised its IPO size to \$1.11 billion, above its IPO price of \$37 apiece. Bullish's stock listed at \$90 apiece in August. The company's stock closed at \$51.08 apiece, up 1.49 per cent on Monday. Speaking to CNBC after the listing, Tom Farley, the chief of venture capitalist Peter Thiel-backed Bullish said, "...The institutional wave has begun... It's here, and it's a question of how big it will be."

From USDt to USAT

Tether, the issuer of USDt, the largest US dollar backed stablecoin, said it plans to create another stablecoin — fiat currency-backed crypto token — called USAT. The new stablecoin will be regulated by the GENIUS Act, which means it is likely to be backed by US

Treasury Bills. "USAT is our commitment to ensuring that the dollar not only remains dominant in the digital age, but thrives," said Tether CEO Paolo Ardoio on Friday.

Tether's current market capitalisation stands at \$169 billion, Reuters reported, citing crypto data platform CoinGecko.

US President Donald Trump has constantly advocated for the easing of cribs on trading of and investment in cryptocurrencies, and more importantly, dollar-backed digital assets called stablecoins. This comes as his sons Eric and Donald Trump Jr promote the SWIFT token issued by World Liberty Financial, a company with ambitions of operating a crypto treasury, exchange and digital wallet, besides having interests in crypto mining infrastructure.

Two GST Tribunal benches in Kolkata soon

THE GOODS AND SERVICES Tax (GST) Tribunal in Kolkata is expected to start functioning from next month with two benches at Alipore, an official said on Tuesday.

"There will be two benches of the GST Tribunal at Alipore in Kolkata. West Bengal will have

one bench, and Sikkim & Andaman and Nicobar Islands will have another," said Shrawan Kumar, chief commissioner, Kolkata Zone, CGST and Central Excise, while speaking to reporters on the sidelines of an industry event. The government had said in July that only

28 out of the approved 73 GSTAT benches have been made operational so far.

The GST Appellate Tribunal is a quasi-judicial authority meant to hear appeals against orders passed by first appellate authorities under the CGST and SGST Acts. **—PTI**

Arrested officer had wealth 400x of income: Assam CM

PRESS TRUST OF INDIA
Guwahati, September 16

AN ASSAM CIVIL Service (ACS) officer, arrested for allegedly possessing wealth disproportionate to her income, had amassed assets 400 times more than her known sources of income, chief minister Himanta Biswa Sarma said on Tuesday.

He said penal measures beyond suspension or dismissal from the job are being pursued to ensure that the officer is held accountable as per law.

ACS officer Nupur Borah was arrested by the CM's Special Vigilance Cell after searches at her residences led to the recovery of over Rs 92.50 lakh in cash and ornaments worth nearly ₹1.5

crore on Monday. Borah was posted as Circle Officer in Goraimari in Kamrup district at the time of her arrest.

"She had amassed wealth 400 times more than her known sources of income. We think that not just suspension or dismissal from the job would suffice. We have to ensure penal measures through the legal process," Sarma told reporters on the sidelines of a programme in Baksa district.

Several others were also involved, and they are being questioned, the chief minister said.

"It is my request to the public to be vigilant and inform us if any official asks for bribes," he added.

Sarma said Borah had been under surveillance for the last six months when she had authorised an illegal land transfer deal while posted as Circle Officer in Barpeta, for

which she was shifted out of the district later.

Meanwhile, senior superintendent of police, CM's Special Vigilance Cell, Rosie Kalita, said in Guwahati that Borah has been arrested on the basis of a preliminary inquiry.

"We had searched her flat in Guwahati and a rented accommodation in Barpeta, recovering over ₹92.50 lakh in cash. It is the largest amount of cash recovered by our cell so far," she said.

Kalita said the arrested officer has two plots and three flats in her name in Guwahati, besides the recovered cash and jewellery. "These are all preliminary findings. Investigations are ongoing," the senior superintendent of police added.

Meghalaya gets 8 new ministers

EIGHT MLAS, INCLUDING seven new faces, were inducted into the Meghalaya cabinet on Tuesday as chief minister Conrad K Sangma effected a reshuffle in his coalition government.

The CM said the reshuffle, which took place after eight ministers were dropped from the cabinet, was aimed at ensuring balanced regional representation across districts.

The portfolios of the newly inducted ministers will be notified in due course, he said. NPP's Timothy D Shira, Shanbor Shulal of the BJP, UDP's Methab Lyngdoh took oath at a function at Raj Bhavan here. Wailandmiki Shylla, Sotheness Sohtun, Brening A Sangma of the National People's Party (NPP), Hill State People's Democratic Party's (HSPDP) Methodius Dkhar and former home minister Lahkmen Rymbui of the United Democratic Party (UDP) were also inducted into the council of ministers. The governor administered the oath of office and secrecy to them.

The chief minister said the decision to reshuffle the cabinet was taken after consultations with coalition partners and senior leaders. **—PTI**

শিল্প নিয়ে স্পিকারের বক্তব্যে নয়া বিতর্ক

নিজস্ব প্রতিনিধি— রাজ্যের শিল্প ও শ্রমিকদের অবস্থা নিয়ে কথা বলতে গিয়ে ফের রাজনৈতিক মহলে চর্চার মুখে পড়তে হয়েছে বিধানসভার স্পিকার বিমান বন্দ্যোপাধ্যায়কে। বিশ্বকর্মা পুঞ্জের উদ্ভাদনা আর আগের মতো নেই এই কথা তিনি স্বীকার করে নিলেও বিরোধী পক্ষের দাবি অনুযায়ী রাজ্যের শিল্প ক্ষেত্রে বিপদের পথের বাধা যে তুণমূল এই কথা তিনি তাঁর প্রতিক্রিয়ায় অস্বীকার করেছেন। রাজ্যের শিল্পের প্রসঙ্গে সিঙ্গুরে টাটা-ন্যানো প্রকল্প বন্ধ হওয়া

বিষয়টিকে কেন্দ্র করে এখনও বিরোধী দলগুলি তৎকালীন রাজ্যের বিরোধী দল তুণমূলকে দায়ী করে। এই ঘটনায় স্পিকার স্পষ্ট জানিয়েছেন, সিঙ্গুরে এই প্রকল্প হলেই যে রাজ্যে শিল্পের উন্নতি হত তা নয়। সিঙ্গুরই একমাত্র ইন্ডাস্ট্রি নয়। এ ক্ষেত্রে কৃষকদের জমি অধিগ্রহণের বিষয়টি মনে রাখা প্রয়োজন। কৃষকরাই প্রতিবাদ জানিয়েছিলেন। আর যে ন্যানো গাড়িকে ঘিরে এই বিতর্ক সেই গাড়িও আজ আর বাজারে নেই। পরিযায়ী শ্রমিকদের নিয়েও কথা বলেছেন বিধানসভার স্পিকার বিমান

সন্তোষপুরে স্টেশন লাগোয়া দোকানে আগুন

নিজস্ব প্রতিনিধি— দক্ষিণ ২৪ পরগনার সন্তোষপুর স্টেশনে অগ্নিকাণ্ড ঘিরে চাঞ্চল্য ছড়াল। মঙ্গলবার সকালে ৭টা নাগাদ স্টেশনের এক নম্বর প্ল্যাটফর্ম লাগোয়া কিছু দোকানে আগুন ধরে যায়। গোটা চত্বর কালো ধোঁয়ায় ঢেকে যায়। দমকলের চারটি ইঞ্জিন দু'ঘণ্টার চেষ্টায় আগুন নিয়ন্ত্রণে আনে। আগুনের জেরে বেশ কিছুক্ষণের জন্য ট্রেন চলাচল ব্যাহত হয়। পরে অবশ্য পরিবেশ স্বাভাবিক হয়ে যায়। কী কারণে আগুন লাগল, তা এখনও স্পষ্ট নয়। দমকলের প্রাথমিক অনুমান, শটসার্কিট থেকেই আগুন লেগেছে। খতিয়ে দেখা হচ্ছে ক্ষয়ক্ষতির পরিমাণ। অগ্নিকাণ্ডের জেরে গোটা স্টেশন চত্বরে আতঙ্ক ছড়িয়ে পড়ে। শিয়ালদহের ডিপিও একলব্য চক্রবর্তী বলেন, 'এক নম্বর প্ল্যাটফর্মে ফুট ওভার ব্রিজের পাশে একটি দোকানে আগুন লেগেছে। সেটি বেআইনিভাবে জায়গা দখল

করে তৈরি হয়েছে। আমরা আগেই সেটিকে চিহ্নিত করেছি। মঙ্গলবার সকাল ৭টা নাগাদ আগুন লাগে। সঙ্গে সঙ্গে দমকলে খবর দেওয়া হয়। ৭টা ৪০ মিনিটের মধ্যে দমকল এসে আগুন নেভানোর কাজ শুরু করে।' তিনি জানান, আগুনের তীব্রতা বেশি থাকায় বেশ কিছুক্ষণ ট্রেন চলাচল বন্ধ রাখা হয়। আগুন নিয়ন্ত্রণে আসার পরে ফের ট্রেন চলাচল শুরু করে সন্তোষপুর স্টেশন হয়ে। সন্তোষপুর স্টেশন চত্বর লাগোয়া ওই অংশে ছিল একাধিক রেডিমেড জামা-কাপড়ের দোকান। পুজো উপলক্ষে দোকানে তোলা ছিল প্রচুর স্টক। মঙ্গলবার সকালে সেখানে আচমকা আগুন লেগে যায়। সূত্রের খবর, আগুনে কমপক্ষে ১২টি দোকান পুড়ে গিয়েছে। যদিও হতাহতের কোনও ঘটনা ঘটেনি। প্রথমে দমকলের দুটি ইঞ্জিন ঘটনাস্থলে যায়। পরে আরও দুটি ইঞ্জিন গিয়ে আগুন নিয়ন্ত্রণে আনে।
