Notes:

1. The Statutory Auditors have carried out limited review of the above results and the same have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on 9th November, 2012.

2. In respect of Auditors' qualifications in the review report for the quarter ended 30th September, 2012, regarding the extent of realisability of the investments made in and the share application money and advances given to Videocon Telecommunications Limited (VTL), the subsidiary, the explanation of management is as under:

   The Company has, directly and through its subsidiaries, made investments of Rs. 1,500 Crore and has also given share application money and advances to VTL, the subsidiary. VTL was granted Unified Access Services (UAS) Licenses in 21 circles on 10th January, 2008 and had also been allotted spectrum in 20 circles out of which it has launched its services in 16 circles.

   The Hon'ble Supreme Court of India, vide its judgment dated 2nd February, 2012 in two separate writ petitions filed by Centre for Public Interest Litigation and by another, has quashed all the UAS licenses granted on or after 10th January, 2008 and the subsequent allocation of spectrum to these licencees. This includes the 21 licenses issued to VTL and the spectrum allotted to it in 20 circles.

   The Hon'ble Supreme Court of India had directed that its aforesaid order shall be operative after four months from 2nd February, 2012, which was modified on 24th April, 2012, and again on 27th August, 2012, whereby the operation of order of quashing the Telecom Licenses and related allocation of spectrum was postponed to 18th January, 2013. The Hon'ble Supreme Court of India has, vide order dated 2nd February, 2012, also directed TRAI to make fresh recommendations for grant of licenses and allocation of spectrum and the Central Government to grant fresh licenses and allocation of spectrum by auction thereafter. The Central Government had announced that it will complete the auction of licenses and related spectrum on or before 11th January, 2013.

   VTL has decided to participate in such fresh auction and assuming successful participation in such auction, VTL is continuing its business as a going concern. Accordingly, in the opinion of the management, no provision is required for diminution in the value of aforesaid investments, share application money and advances to VTL.

3. Tax expense for the quarter ended 30th September, 2012 represents provision for deferred tax.

4. The figures have been regrouped/reclassified wherever necessary to make them comparable.
