To Mr KV Soorianarayanan
President Corporate & Company Secretary
Visaka Industries Ltd

Dear Sir,

The Investor Relations Society brings to you good news of your esteemed Company Visaka Industries Ltd's excellent success in topping the rank in Investor Relations Activities in the industry vertical: Fiber Cement Sheets. Your Company's name was referred to us by your own IR Agency and this goes to add to the appreciation that you are quite pro-active on Investor Relations front.

As the investor relations profession becomes more global, there is ever increasing need to meet the international aspirations and needs of Companies, analysts, fund managers, media and other stake holders as none of their aspirations can no longer be met purely on domestic front.

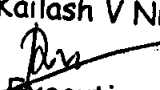

In India Inc. there are several Companies which care for their investors only when there is a fund-raising in the offing. It's otherwise generally an "out of sight, out of mind" syndrome post fund raising activity!!!

The grading of IR Activities is an attempt to lead to better perception among investors (domestic and international) on India Inc. We have brought forward various parameters for judging Companies on their IR Activities.

While arriving at IR Ratings, we have not attached any significance to activities that are essential from the Company's Act. We have only attached weights to those activities that are done voluntarily and these are "Best Investor Relations Practices".

Investor Relations Society (www.ir-india.com) are part of Global Investor Relations Network. We hold the Annual IR Awards every year. Last year we held in association with Thomson Reuters at the BSE.
