

Press Release

For Immediate Publication

26th November, 2012**WABAG BAGS Rs. 217 CRORE ORDER FROM BANGALORE WATER SUPPLY
AND SEWERAGE BOARD**

VA TECH WABAG LIMITED (WABAG), a leading Indian MNC in water and waste water management, secured an order from Bangalore Water Supply and Sewerage Board (BWSSB) for Rs.217 crores. The order comprises of Rs.194 crores towards construction of 60 MLD waste water treatment plant at K&C Valley with power generation and Rs.23 crores towards operation and maintenance for a period of seven years. The project is funded by Japan International Cooperation Agency (JICA).

Commenting on the development, Mr. Rajiv Mittal, Managing Director said **"We are delighted to get this repeat order from BWSSB which is one of our key clients in municipal sector and this goes to show that WABAG continues to enjoy the customer confidence based on long term relationship. In fact, we successfully implemented four projects in Bangalore at Kadabesanahalli, Nagasandra and Mailasandra besides extension and refurbishment of the existing plant at K&C Valley."**

According to Mr. Rajneesh Chopra, SBU Head - Operations Business Group **"Currently WABAG has been operating and maintaining five sewage treatment plants for BWSSB - Kadabesanahalli, Nagasandra, KR Puram, V Valley and K&C Valley and treating 488 MLD waste water for Bangalore City and with this order, the waste water treatment by WABAG would cross 500 MLD mark"**.
