WABAG'S ORDER INTAKE SURPASSES 2,000 CRORES

VA Tech Wabag, a leading Indian MNC engaged in water and wastewater management, has already surpassed Rs.2000 crores of order intake during the year. The company had earlier reported an order intake of Rs.1000 Crores during the first quarter of FY 2014 and has repeated the achievement by garnering a further Rs.1000 Crores of order intake. Some major international orders secured by the Company post first quarter includes Waste Water Treatment Plant orders from Madinaty (Egypt), a world bank funded Sewage treatment plant order from Illugin, (Philippines) and an O&M Order from Romania. Major Domestic Orders received during the period included that of orders from Reliance Industries and from Aurangabad Municipal Corporation. The Company also received various O&M orders during the second quarter which contributed to this achievement.

Commenting on this achievement, Mr. Rajiv Mittal, Managing Director, VA Tech Wabag said "I am happy that the Company could repeat the robust order intake performance of Q1. Our order book is strong and I am confident that we will be meeting the annual guidance numbers on order intake provided to our investors much earlier than the targeted dates".
