**Company Secretary**

**Wanbury Launches Commercial production of key anaesthetic API at Tanuku Facility. The Company targets incremental Rs.100 Crore + revenue from new products in FY 2026-27.**

**27<sup>th</sup> January 2026, MUMBAI:** Wanbury Limited, a leading pharmaceutical company with a good legacy in domestic and global API markets and branded formulations today announced the commencement of commercial production for a high-potent anaesthetic API at its state-of-the-art facility in Tanuku, Andhra Pradesh. This milestone positions the company to capture robust revenue growth for Q4FY26 and FY27. The new API is expected to generate incremental revenues of approximately Rs. 18 crore in Q4 FY 2025-26.

Complementing this achievement, Wanbury's upcoming multi-purpose intermediate production block at Tanuku is on track for commercial readiness by the end of March 2026. This versatile facility will enable the production of four additional high-value APIs: Antidiabetic, Anticoagulant (Blood thinner), Cough suppressant (Anti Tussive), Antidepressant. Together, these four molecules are projected to deliver over Rs. 100 crore in revenues for Wanbury in FY 2026-27, fuelled by strong global demand. The worldwide market for these new APIs is currently valued at over Rs. 5,000 crore, presenting substantial growth opportunities.

***Commenting on the performance, Mr. Mohan Rayana, Director of Wanbury Ltd, said:***

*"We are excited about this strategic expansion, which strengthens our API portfolio and underscores our commitment to meeting global healthcare needs with reliable, high-quality supply of API".*

### About Wanbury Ltd.
