Western Carriers (India) Ltd bags Rs. 139 Crore order from Vedanta Ltd

Kolkata, January 3rd, 2025: Western Carriers India Ltd (WCIL), one of the leading 3PL and 4PL logistic companies in India, specializing in rail-focused supply chain solutions, has bagged a material handling order worth Rs. 139 crores from Vedanta Ltd.

This order entails the Import, Finished Goods Domestic and Export Material Handling Contract at Jharsuguda Plant. The total value of the order is approximately Rs. 139 crore for a duration of four years.

Commenting on this development, Mr. Kanishka Sethia, CEO, WCIL said, “This order not only strengthens our relationship with our marquee client **Vedanta but also opens avenues for future projects within the mining and mineral sector. This new order represents a significant milestone in our ongoing partnership. It is a testament to our consistent delivery of high-quality solutions and our ability to meet the evolving needs of our clients”**

WCIL offers comprehensive end-to-end logistics services, ensuring seamless movement of goods across multiple modes of transport, including road, rail, and sea/river. Its expertise spans both domestic and EXIM cargo, facilitating efficient logistics within national borders and beyond.

About Western Carriers:

WCIL, founded in 1972 is a leading multi-modal, rail focused, 4PL asset-light logistics company in India in terms of container volumes handled/operated. The company endeavours to address logistics complexities by creating customized, one -stop/single-window, end-to-end and integrated logistics solutions to customers, which involve a variety of value-added services across the supply chain. WCIL has several years of experience in road, rail and sea / river multi-modal movement for domestic as well as EXIM cargo in and out of India. The company has longstanding relationships with key clients across sectors of metals, FMCG, pharmaceuticals, and oil and gas, to name a few. Recognized for its quality and efficiency, the company has received multiple awards.
