Press Release

WebSol Energy Secures New Order for Solar Cell

Contract Volume of 100 MW from Luminous

Kolkata, 5th April 2025 – Websol Energy System Limited (Websol or the Company) (BSE: 517498, NSE: WEBELSOLAR), a leading manufacturer of high-efficiency solar cells and modules, is pleased to announce the signing of a significant purchase agreement with **Luminous Power Technologies Private Limited** (“Luminous”) for the supply of **100 MW of Mono PERC Solar Cells**. This order, scheduled for delivery between **April 2025 and April 2026**, represents a key milestone in Websol’s ongoing growth strategy.

The agreement includes the provision of **Mono PERC Solar Cells** with an expected efficiency range of **23% to 23.4%**. This order marks a pivotal step in Websol’s strategy to strengthen its production capacity and significantly expand its footprint in the rapidly growing renewable energy market.

The **100 MW order** is a key element of Websol’s expansion strategy, enhancing its domestic presence and operational infrastructure. This agreement further positions Websol to meet the increasing demand for high-performance solar energy solutions, supporting both domestic and international growth opportunities in the solar sector.

About Websol Energy System Limited:

Websol Energy System Limited is a leading manufacturer of solar cells and solar modules based in India. Established in 1994, Websol has been a pioneer in the solar industry, focusing on high-efficiency products that meet international quality standards. The company is committed to delivering sustainable energy solutions to global markets and continues to expand its footprint in domestic markets.
