Dear Sir/ Madam,

Sub: Clarification sought from the Company with regards to Financial Results

We are in receipt of your email dated 11th December, 2024 seeking clarification regarding the Financial Results submitted is not as per format prescribed by SEBI - Standalone and Consolidated figures are same in the Quick Results for quarter and half year ended 30th September, 2024 Financial Results (Standalone and Consolidated) submitted to the Exchange on 12th November, 2024 .

In this regard we would like to clarify that the Weizmann Limited (“Company”) has an **Associate Company**. Hence the figure of Total Income, Total Expense and Profit/ (Loss) before Tax and after Tax remains same in Standalone and Consolidated Results.

Further with respect to Consolidated Accounts, as per applicable Accounting Standard for Consolidation of an Associate Company, the Profit or Loss attributable to the Investor Company is reflected under the heading as **Share in Profit/ (Loss) of Associate** and presented after Profit / Loss (after tax) for the period from operations.

Hence, most figures in Standalone and Consolidated would be same except Net Profit or Loss after reflecting share in Profit or Loss of Associate in the Income Statement and in the Balance Sheet the Value of Investments under Financial Assets and the figure of Other Equity would be different between Standalone and Consolidated on account of the counter effect of the Share in Associates recorded in the Statement of Profit and Loss.

Hope the above-matter is clarified.

**Thanking you,
For Weizmann Limited**

**Ami Purohit
Company Secretary**
