None of the Directors and Key Managerial Personnel and their relatives, are in any way, financially or otherwise, concerned or interested financially or otherwise, in the passing of the resolution set out at **Item No. 6** of the Notice.

The Board of Directors of the Company recommends the resolution set forth at **Item no. 6** of the accompanying Notice, for the approval of the shareholders as an Ordinary Resolution.

ITEM NO. 7

As per the provisions of Section 180(1)(c) of the Companies Act, 2013 (“the Act”), the Board of Directors of a company shall not, except with the consent of the Members by way of a Special Resolution, borrow monies, apart from temporary loans obtained from the Company’s bankers in the ordinary course of business, in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

The Members of the Company had, at earlier Annual General Meetings, authorised the Board of Directors to borrow monies within the limits considered adequate at that time. With the growth of the Company’s scale of operations, increasing capital expenditure, and evolving working capital requirements, the Board of Directors has reviewed the present borrowing limits and is of the view that the same needs to be enhanced to provide greater financial flexibility.

Wonder Electricals Limited is engaged in the business of manufacturing of various types of Fans products, which is capital and working capital intensive in nature. In order to meet the long-term funding requirements for expansion projects, capacity enhancement, modernisation of facilities, investment in new technologies, and to support day-to-day operational needs, it is essential that the Company is empowered to borrow additional funds as and when necessary.

Accordingly, it is proposed to authorise the Board of Directors of the Company to borrow monies up to an overall limit not exceeding ₹200 Crores (Rupees Two Hundred Crores Only) over and above the aggregate of the paid-up share capital, free reserves and securities premium of the Company. This will enable the Company to raise resources, in a timely and cost-effective manner, from diverse sources including banks, financial institutions and other lenders, depending upon the requirements of the business and prevailing market conditions.

The Board believes that the proposed resolution will strengthen the Company’s financial position, provide the necessary leverage for seizing business opportunities, and ensure that the Company remains well-prepared to meet future funding requirements.

The Board of Directors accordingly recommends the Special Resolution set out at **Item No. 7** of this Notice for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

ITEM NO. 8

As per the provisions of Section 180(1)(a) of the Companies Act, 2013 (“the Act”), the Board of Directors of a company shall not, except with the consent of the Members by way of a Special Resolution, sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or create any charge, mortgage or hypothecation on the assets of the Company.

The Members of the Company had earlier authorised the Board of Directors to create charges, mortgages and hypothecations on the assets of the Company for securing its borrowing requirements. With the Company’s continuous growth, expansion plans, and enhanced borrowing requirements, it has become necessary to provide adequate security to lenders and financial institutions in connection with the funds borrowed or proposed to be borrowed by the Company.

Wonder Electricals Limited is engaged in the manufacturing of various types of fans, which is a business requiring significant capital as well as working capital investments. To meet such requirements and to maintain financial flexibility, the Company may need to borrow funds from banks,

financial institutions, and other lenders, and in turn, create mortgage, charge, hypothecation or other encumbrances on its immovable and movable properties, both present and future, in favour of such lenders.

Accordingly, the consent of the Members is being sought to authorise the Board of Directors to create, in addition to the existing charges, such mortgages, charges, hypothecations and other encumbrances on the assets and properties of the Company, as may be necessary, to secure borrowings not exceeding ₹200 Crores (Rupees Two Hundred Crores Only) together with interest, costs, charges and all other monies payable in respect thereof.

This authorisation will empower the Board to negotiate and finalise the terms and conditions with the lenders, execute necessary deeds and documents, and take such steps as may be required for creation, perfection or modification of charges and to secure the financial facilities availed by the Company.

The Board in the view that the proposed resolution is in the best interests of the Company and therefore recommends the Special Resolution set out at **Item No. 8** of this Notice for the approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

ITEM NO. 9

As per the provisions of Section 186 of the Companies Act, 2013, the Board of Directors of a company can give any loan, guarantee or provide any security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate up to the limits prescribed therein. Where it is proposed to exceed such limits, prior approval of the Members of the Company by way of a Special Resolution is required.

Considering the Company's present and future requirements relating to business operations, growth, working capital, strategic investments, joint ventures, subsidiaries and for other business purposes, it is proposed to enhance the overall limits for loans, guarantees, securities and investments by the Company up to an aggregate amount not exceeding Rs. 200 Crores (Rupees Two Hundred Crores only), over and above the limits specified under Section 186(2) of the Act.

The Board of Directors is of the view that the proposed resolution is in the best interest of the Company, as it will provide necessary flexibility to optimally utilize the Company's funds, support its expansion plans and meet any funding requirements of its subsidiaries, associates and joint ventures.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution, except to the extent of their shareholding, if any, in the Company.

Accordingly, the Board of Directors recommends the Special Resolution set out at **Item No. 9** of the Notice for the approval of Members.

ITEM NO:10

The Members may note that pursuant to the provisions of Section 185 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), no company shall, directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by

- (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or
