SUB.: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 -Installation of Solar Power Plant at Roorkee and Haridwar Unit

Dear Sir/Madam

In reference to the captioned subject, we are pleased to announce that Wonder Electricals Limited has taken a significant step towards sustainable and green energy by investing in a 640 kilowatts solar power plant at Roorkee unit and 110 kilowatts at Haridwar Unit. This initiative marks a milestone in our dedication to clean energy practices.

The solar power plant is situated at Roorkee unit located at Khasra No. 105-106, Raipur Industrial Area, Bhagwanpur, Roorkee Uttarakhand-247667 and Haridwar unit located at Plot no.33 Sector 8A, Sidcul Haridwar Uttarakhand-249403. In a strategic move to harness sustainable energy sources and mitigate electricity costs incurred during the production process.

In addition to the immediate benefits of operational cost-savings, the solar power installation underscores Company's commitment to building a sustainable and eco-friendly manufacturing plant. As part of our ongoing efforts, we will also explore opportunities for additional installations that promote clean energy practices.

We will keep the market updated on the performance of Solar Plant through periodic disclosures in compliance with regulatory requirements. Any material developments regarding the solar plant's operations, production, or financial impact will be promptly communicated to the stock exchange.

You are requested to kindly take the same in your records.

Thanking You,

For Wonder Electricals Limited

Dhruv Kumar Jha
Company Secretary & Compliance Officer
