May 25, 2020

Dear Sir/Madam,

**Sub : Disclosure of material impact of Covid-19 pandemic on listed entities under SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 ('LODR Regulations'/'LODR')**

The registered office and the factory of our Company is in Kerala with sales offices throughout India. The spread of Covid-19 in Kerala is under control. The factory operations were shut down on 23 March, 2020 as part of national lockdown. With the permission of district administration the factory resumed operation during second week of May, 2020 and started dispatching materials. The domestic sales will be affected as the lockdown in other states continues. However we have both export and domestic orders in hand and the dispatches are taking place. The overall sales will come down during this quarter and therefore the profitability will also be affected. The Company has no liquidity problem at present. The Company is able to serve the debts and interest payment on time.

Yours Faithfully  
For The Western India Plywoods Limited

R Balakrishnan  
CFO & Company Secretary
