Wipro appoints Sarah Adam–Gedge as Managing Director for Australia and New Zealand

Sydney, Australia – April 6, 2021: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced the appointment of Sarah Adam–Gedge as the Managing Director for Australia and New Zealand (ANZ).

Sarah has proven experience in leading digital transformation initiatives for large organizations globally with a successful track record of driving growth, profitability, business agility and managing successful relationships with customers and the influencer ecosystem. She has worked in project and service-based consultancies for more than 25 years across Australia and New Zealand, Asia-Pacific, Middle East and Africa and Latin America.

As the P&L leader for ANZ, Sarah will focus on Wipro's vision for business growth, revenue expansion, client relationships, talent development, industry connects and brand building.

Prior to joining Wipro, Sarah has held various senior executive roles as Managing Director of Publicis Sapient Australia, Managing Director of Avanade Australia, Managing Partner and Vice President at IBM, Managing Partner at PwC and Partner at Arthur Andersen.

"ANZ has been a strategic focus for Wipro over the years and even more so now with the region's growing demand for comprehensive digital transformation solutions, agility and scale, specialized technology requirements and innovation. I am excited to welcome Sarah and am confident that her leadership and deep understanding of this market will help clients succeed and drive our growth ambition in this region," said **N.S. Bala, CEO – APMEA, Wipro Limited**.

"I am looking forward to working with an outstanding team and being a part of Wipro, which is on a transformation journey globally. Wipro has strong values and is highly respected in the market, and this resonates with clients, partners and team members. I am delighted to have the opportunity to support Wipro's clients as they accelerate their digital and technology-led change initiatives," said **Sarah**.

Sarah is a Chartered Accountant (member of CAANZ), holds a Bachelor of Business (Accounting) from the Queensland University of Technology and is a Graduate of the Australian Institute of Company Directors. She is also a non-executive Director of Austal Ltd., and a member of the National Diversity & Inclusion Council for ACS.

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
