Chief Manager- Surveillance
National Stock Exchange of India Limited**

Dear Sir,

Subject: Re: Clarification /Confirmation on news item appearing in “Media/Publication”

This is with respect to your letter dated December 10, 2021, regarding the abovementioned subject. In this regard, we would like to clarify that Drax (formerly called “Haven Power Ltd”) of UK and Wipro Limited entered into an Agreement on January 19, 2017, inter alia to design, build, mobilise and implement, support customer care of Haven Power Ltd, a power utility Company in the UK. The lawsuit was filed by Haven Power Ltd in November 2019 in the UK Courts, alleging delay in implementation of the abovementioned contract and misrepresentation on part of Wipro Limited. Haven Power Ltd claimed damages of £51 million.

Wipro refutes all the allegations and is contesting this lawsuit in the Court of law. Wipro continues to work with the Haven Power Ltd through mediation and other lawful methods to resolve this dispute. Wipro will pursue all available means in the UK to defend these unjustified, overly exaggerated, and unsupported claims by Haven Power Ltd.

Wipro believes that it has a strong case, and the aforesaid litigation is categorised as one in the normal course of its business and operations, and not material in nature warranting Wipro to make a disclosure to the stock exchanges.

Thanking you,

For Wipro Limited
