ITC CMD Sanjiv Puri's total remuneration jumps 47.23%

PRESS TRUST OF INDIA
New Delhi, July 15

THE ANNUAL REMUNERA-
TION of ITC chairman and man-
aging director Sanjiv Puri went
up by 47.23% to ₹10.10 crore in
2020-21, according to the com-
pany's annual report.

This increase is based on the revised salary structure, approved by the shareholders in September 2019, when he took over as its chairman.

Puri, who took over as chairman and managing director on May 13, 2019, had a remuneration of ₹6.86 crore in 2019-20. His FY21 remuneration

includes a basic/consolidated salary of ₹2.64 crore, perquisites/other benefit of ₹48 lakh, performance bonus and long-term incentives of ₹6.98 crore, the report said.

ITC, which followed a mix of salary and ESOPs as remuneration structure, had to change it

after British American Tobacco, a shareholder, opposed it in 2018 to prevent dilution of its shareholding.

Subsequently, the compensation of key managerial personnel was restructured, which was approved by the shareholders in September 2019. Accordingly, the increase in Puri's remuneration for 2019-20 was only for part of the year; while in FY2020-21, it took into account the effect for the entire year.

After Puri, the second-highest paid employee was Nakul Anand, ITC's wholetime director on the board, whose salary also went up 30.64% in FY21.

Delhi-NCR gets Google Cloud's 2nd cloud region

GOOGLE CLOUD INDIA on Thursday announced the launch of its new cloud region in Delhi-NCR — its second such setup in India — that will help the company serve customers across sectors, especially public sector in India and across the Asia-Pacific.

The company did not disclose investment details.

Google's first cloud region in India, which comprises three "availability zones", went live in Mumbai in 2017. The Delhi-NCR Cloud region (which also has three availability zones) is Google's 10th such setup in the Asia Pacific and 26th globally. —PTI
