Wipro Named Leader in Everest Healthcare Payer Digital Services PEAK Matrix® Assessment 2022

NEW YORK | BANGALORE, India — Aug. 19, 2022 – Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, announced it has been positioned as a Leader in the [Everest Group Healthcare Payer Digital Services PEAK Matrix® Assessment 2022](#).

The report assessed 26 healthcare ITS providers, focusing on the payer digital services market size and growth, digital service themes for healthcare payers, provider assessments on several capability- and market success-related dimensions.

According to the report, to support enterprises on their digital transformation journeys, providers are ramping up their capabilities through vertical-specific partnerships and acquisitions, investments in Centers of Excellence (CoEs), and training, among other things. These efforts are, in turn, driving the need for research and market intelligence on demand and supply trends in healthcare payer digital services.

“We are pleased to be positioned as a Leader by Everest Group for Healthcare Payer Digital Services. This recognition is a testament to our continued commitment and investments towards delivering outcomes for our clients in the payer segment. Wipro’s rich portfolio of digital healthcare services, including industry leading digital platforms for Medicare, Medicaid and ACA, powered by Wipro FullStride Cloud Services, helps drive an accelerated value realization across the payer value chain while addressing environmental, social and governance issues” said **Mohd Haque, Senior Vice President and Sector Head, Healthcare and Medical Devices, Wipro Limited**.

“With the healthcare industry evolving, enterprises are leveraging digital services to enable prominent business use cases such as value-based care and population health management and to comply with changing regulations,” said **Chunky Satija, Vice President at Everest Group**. “Wipro with its strong focus on enhancing its digital play and industry-specific capabilities through acquisitions and partnerships is well positioned to assist enterprises in their digital transformation journeys. Its wide portfolio of offerings across the payer value chain, accompanied by strong execution capabilities has enabled its positioning as a Leader in Everest Group’s Healthcare Payer Digital Services PEAK Matrix® Assessment 2022.”
