Wockhardt receives the 'Best Enterprise' award from the Europe Business Assembly

Mumbai, January 10, 2012

Pharmaceutical and biotechnology major Wockhardt Limited, was recently bestowed with the 'Best Enterprise' award by the Europe Business Assembly in Vienna, Austria for its achievements in the global pharmaceutical industry.

The award was given in the field of pharmacy and is an acknowledgement of Wockhardt's success within the industry and around the world. Dr. Murtaza Khorakiwala, Managing Director, Wockhardt, received the award at a glittering ceremony at the Austrian Emperor's palace in Vienna, Austria.

Speaking about the award, Dr. Murtaza said, "We are very happy to be recognised by the Europe Business Assembly and be awarded the Best Enterprise Award. This is indeed a testament to our success in being able to establish a truly global pharmaceutical business."

The award is also accompanied with a certificate that allows Wockhardt to use the trademark 'BEST ENTERPRISE' for marketing purposes for a period of five years.

About Europe Business Assembly:

The Europe Business Assembly, Oxford, Great Britain, is an independent corporation for development and management of economic, social, and humanitarian collaboration. Creation of a positive image of dynamically developing regions, companies and individuals in the European and global business community is the main mission of the EBA institutions and of its strategic partners.

Further, the EBA has developed a prestigious and an ongoing awards programme that is overseen by their national committees and other national and international organisations. The nominees include businessmen, politicians, scientists, and artists whose work has helped to provide scientific, economic and cultural development of the society.

About Wockhardt:

Wockhardt is a high-technology intensive global pharmaceutical and biotechnology company with multi-disciplinary and innovative R&D programmes. It has 3 research centres globally and manufacturing facilities across India, USA, UK and Ireland. Wockhardt has a significant presence in USA, Europe and India, with 81% of its global revenues coming from international businesses. With a large pool of Patents and Intellectual Property knowhow, Wockhardt is home to 578 scientists, of whom 80 are doctorates. In all, Wockhardt has 169 Patents granted worldwide. In biotechnology research, it has built a competent 'Concept to Market' capabilities in all facets of development and manufacture of recombinant biopharmaceuticals. Wockhardt boasts of a multi-ethnic workforce of more than 7,900 people from 21 different nationalities.
