Retail Expansion and Opening a Retail Store at Kopa Mall, Pune

July 23, 2026: WOL3D India Limited (WOL3D): There's a new reason to smile at Kopa Mall!

WOL3D, one of India's leading 3D printing solutions providers, in **collaboration with Creality**, a global leader in 3D printing technology, has inaugurated **Pune's first experiential 3D printing retail store at Kopa Mall, Koregaon Park, Pune**. The store offers visitors an immersive opportunity to explore the latest advancements in 3D printing through live demonstrations and interactive product experiences.

The launch marks a significant step towards making **3D printing more accessible to students, creators, entrepreneurs, businesses, hobbyists, and technology enthusiasts**. It also aligns with Creality's continued global offline retail expansion following its listing on the Hong Kong Stock Exchange on May 29, 2026.

As an NSE Emerge-listed company, **WOL3D views this retail store as the first milestone in its experiential retail expansion strategy**, with plans to establish additional stores across India during the current calendar year.

Strategically located on the second floor of **Kopa Mall, one of Pune's premier lifestyle destinations with strong consumer footfall**, the store serves as an experiential hub where visitors can interact with the latest 3D printing technologies, receive personalised guidance from WOL3D's product specialists, and gain a practical understanding of additive manufacturing through a hands-on environment.

Commenting on the launch, Rahul Chandalia - Chairman & MD, WOL3D, said:

"When we founded WOL3D, our primary focus was on businesses and educational institutions. Over the past few years, we have witnessed strong adoption of 3D printing among students, creators, entrepreneurs, hobbyists, and households. This evolving customer base has encouraged us to create a more engaging and accessible way for people to experience the technology.

Our first experiential retail store is designed to help customers explore the possibilities of 3D printing through live demonstrations and expert guidance before making a purchase. We are delighted to partner with Creality on this initiative and look forward to expanding this experiential retail format across India in the coming months."

The store offers:

- **Live demonstrations** showcasing 3D printing technology in action.
- A comprehensive **portfolio of Creality products**, including FDM and Resin (SLA) printers, filaments, 3D pens, 3D scanners, and laser engravers.
- **Expert consultation** for students, creators, hobbyists, professionals, educational institutions, and businesses.

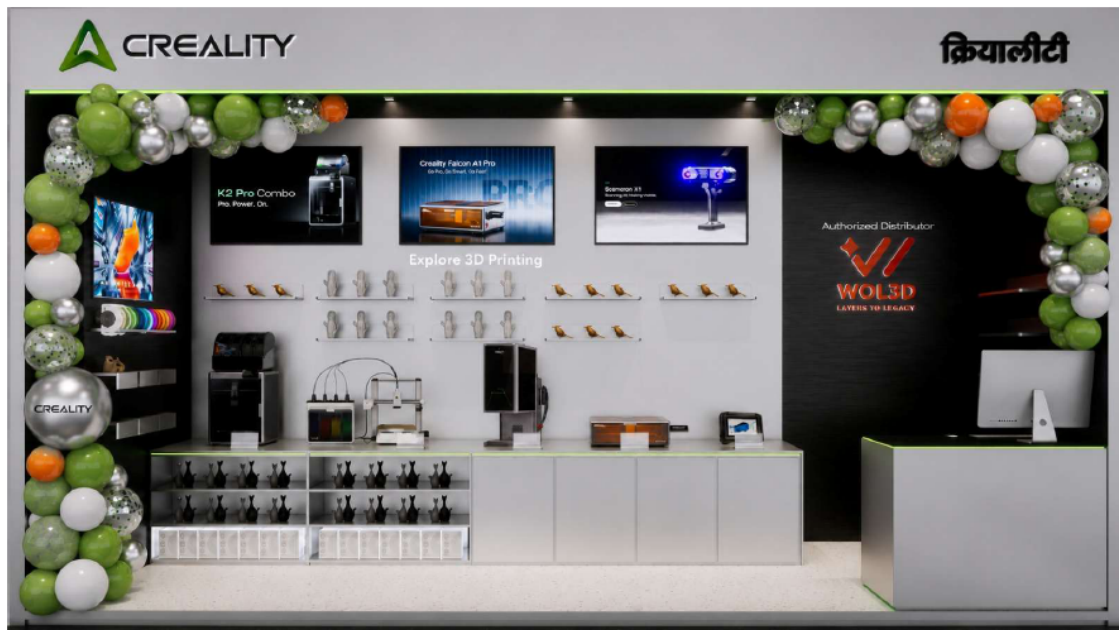

WOL3D INDIA LIMITED

- A **dedicated learning space** to encourage innovation, creativity, and practical application of 3D printing.

Through this collaboration, WOL3D and Creality aim to accelerate the adoption of 3D printing in India by **combining world-class technology with an engaging retail experience**. The initiative reinforces WOL3D's commitment to expanding access to advanced manufacturing technologies while supporting innovation across education, design, manufacturing, and entrepreneurship.

About Creality:

Founded in 2014 in Shenzhen, Creality (HKEX: 03388), listed on the Hong Kong Stock Exchange on May 29, 2026, is one of the world's leading consumer 3D printer brands, with products in 100+ countries and millions of printers sold. Its range spans FDM and resin printers, filaments, scanners, laser engravers, and software, backed by hundreds of patents and honours, including the Red Dot Design Award. Its spirit: **"Imagine It, Make It."**
