BANKER

Dear Shareholders,

It gives me immense pleasure to welcome you to the 8th Annual General Meeting of Womancart Limited and to present the Company's performance for the financial year ended March 31, 2026.

FY 2025-26 has been a transformational year for Womancart. We continued to strengthen our position as a fast-growing beauty, wellness, and lifestyle platform while delivering robust operational and financial performance. Our strategic focus on brand expansion, customer acquisition, omnichannel capabilities, and product portfolio diversification has enabled us to achieve significant scale during the year.

The financial year 2025-26 has been a year of strategic execution and long-term value creation for Womancart. While the business environment remained dynamic and consumer preferences continued to evolve rapidly, your Company remained committed to strengthening its market position, expanding its product portfolio, and laying a strong foundation for sustainable future growth.

Business Performance

During the year, Womancart continued its journey of building a comprehensive platform catering to the diverse lifestyle and wellness needs of women. Our strategy remained focused on expanding product categories, enhancing customer experience, and strengthening relationships with premium domestic and international brands.

One of the significant milestones achieved during the year was the on boarding of internationally recognized beauty and skincare brands, including premium global skincare and K-beauty products. These additions have further strengthened our beauty portfolio and positioned the Company to capitalize on one of the fastest-growing segments within the personal care industry.

India continues to be one of the fastest-growing beauty, wellness, and personal care markets globally. Rising disposable incomes, increasing digital adoption, growing health consciousness, and changing consumer preferences provide significant long-term opportunities for companies operating in this sector.

Our focus remains on creating sustainable shareholder value through responsible growth, prudent financial management, and strong corporate governance.

Gratitude

Before I conclude, I would like to express my sincere appreciation to our Board of Directors for their valuable guidance and strategic direction. I also thank our employees whose dedication and commitment continue to drive the Company's success.

I extend my gratitude to our customers, business associates, bankers, suppliers, regulators, and the Government authorities for their continued support and cooperation.

Above all, I thank our esteemed shareholders for your unwavering confidence and trust in Womancart Limited. We remain committed to delivering sustainable growth and creating long-term value for all our stakeholders.

With your continued encouragement and support, I am confident that Womancart Limited will continue its journey towards becoming one of India's leading omnichannel platforms focused on women's beauty, wellness, healthcare, and lifestyle needs.

Thank you!

Womancart Limited

Item No. 4

Pursuant to Regulation 23 read with Schedule XII of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), a transaction with a related party shall be considered material if the transaction(s), whether entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of the listed entity, as per the last audited consolidated financial statements of the listed entity, where the consolidated turnover threshold of the listed entity is up to Rs. 20,000 Crore.

Further, all such material related party transactions require prior approval of the Members of the Company by way of an Ordinary Resolution, even if such transactions are entered into in the ordinary course of business and on an arm's length basis and no related party shall vote to approve such resolution whether the entity is a related party to the particular transaction or not.

Varadda Overseas Limited (formerly known as Varadda Overseas Private Limited) ("hereinafter referred to as Varadda") being the subsidiary of the Company, is its related party in terms of Regulation 2(1)(zb) of the Listing Regulations and accordingly transaction between the Company and Varadda will tantamount to the related party transaction pursuant to Regulation 2(1)(zc) of the Listing Regulations read with applicable provisions of the Companies Act, 2013 ("Act") and circulars

issued thereunder in this regard. Thus, provisions of Regulation 23 of the Listing Regulations read with applicable circulars issued thereunder in this regard, shall be complied with.

It is pertinent to note that Womancart Limited ("hereinafter referred to as WOMANCART") is engaged in the business of e-commerce and retail trading of lifestyle products through its online platform. The Company offers a diverse range of products including beauty and personal care products, cosmetics, fashion and apparel, home and kitchen essentials, stationery, bags, and other lifestyle products, catering to customers across India through various online marketplaces and its own digital platform.

On the other hand, Varadda Overseas Limited ("hereinafter referred to as VARADDA") is engaged in the business of e-commerce, wholesale and retail trading of lifestyle products and crockery items. The Company is involved in sourcing, marketing, distribution and sale of a wide range of consumer and lifestyle products through online and offline channels.

In view of the complementary nature of their businesses, Womancart and Varadda propose to enter into transactions for the purchase, sale, supply and distribution of lifestyle products, consumer goods, fashion and beauty products, home and kitchen products, stationery, bags, accessories, and other allied products, along with related logistics, marketing and support services, in the ordinary course of business. Such transactions are expected to facilitate a reliable supply chain, improve product availability, optimize procurement and inventory management, enhance operational efficiencies, and create synergistic benefits for both companies. Accordingly, the parties may undertake such transactions from time to time on an arm's length basis and in the ordinary course of business, in compliance with the applicable provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable laws and regulations.

Further SEBI vide its Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 read with the SEBI Master Circular no. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 ('SEBI Circular') has issued the Industry Standards on "Minimum information to be provided for review of the Audit Committee and members for approval of a related party transaction" ("**Standards**") to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the Listing Regulations. The Standards *inter alia* requires listed entity to provide minimum information, in specified format, relating to the proposed Related Party Transactions ("RPT"), to the Audit Committee and to the members, while seeking approval.

The aggregate of proposed transaction of the Company with Varadda when taken together with previous such/other transactions undertaken by the Company with Varadda, is likely to exceed the applicable materiality thresholds as prescribed under Regulation 23(1) read with Schedule XII of the Listing Regulations. Accordingly, prior approval of the Members is being sought for such related party transaction. In accordance with SEBI Circular read with Regulation 23 of Listing Regulations, the detailed information as provided by the Management of the Company, of the proposed RPT as per the Standards, as placed before the Audit Committee and the Board of Directors of the Company in their respective meetings held on September 04, 2026, for their review and approval, are given below for review of the Members for approval of RPT:

Justification:

Womancart Limited and Varadda Overseas Limited have established a strong business relationship in the areas of procurement, trading, distribution and supply of products in the ordinary course of business. The proposed related party transactions leverage the operational expertise, industry knowledge and established supply chain of both entities, thereby enabling the Company to achieve operational efficiencies, cost optimization and timely availability of products. The transactions are expected to be undertaken at arm's length, in the ordinary course of business and on terms comparable with those prevailing in similar transactions with unrelated parties.

The proposed transactions are expected to facilitate seamless business operations, improve supply chain efficiencies, optimize inventory management and strengthen business synergies between the entities. The Company shall continue to ensure that all such transactions are undertaken in compliance with the provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company's Policy on Related Party Transactions and other applicable laws.

Since the proposed related party transactions are repetitive and are expected to exceed the materiality threshold prescribed under Regulation 23 of the Listing Regulations, approval of the Members is being sought by way of an Ordinary Resolution. The approval of the Members shall remain valid for a period not exceeding one year from the date of Members' approval.

The management of the Company has placed before the Audit Committee all the information and disclosures prescribed under the applicable provisions of the Listing Regulations and SEBI Master Circular, including, inter alia, the nature of the transactions, material terms, value of the proposed transactions, pricing methodology, business rationale, justification for entering into the transactions, confirmation that the transactions are in the ordinary course of business and on an arm's length basis, and such other information as may be required for consideration of the proposed related party transactions.

A certificate from the Managing Director and the Chief Financial Officer of the Company confirming that the proposed related party transactions are in the interest of the Company and are proposed to be undertaken on an arm's length basis and in the ordinary course of business was also placed before the Audit Committee and the Board of Directors for their review and noting.

The Audit Committee, at its meeting held on September 04, 2026, after considering all relevant information and the certificate of the Managing Director and Chief Financial Officer, approved the proposed related party transactions between Womancart Limited and Varadda Overseas Limited for an aggregate value not exceeding ₹ 50 Crore (Rupees Fifty Crore Only), excluding applicable taxes, duties and levies, on the terms and conditions placed before the Committee.

The Board of Directors, at its meeting held on September 04, 2026, based on the recommendation of the Audit Committee, reviewed the proposed transactions together with all supporting documents and approved the proposal, subject to the approval of the Members, for entering into the aforesaid material related party transactions for a period of one year from the date of Members' approval. The

Board noted that the proposed transactions would be undertaken on an arm's length basis and in the ordinary course of business.

The audited financial statements of Varadda Overseas Limited for the immediately preceding financial year were also placed before the Audit Committee and the Board of Directors for their review.

Accordingly, based on the recommendation of the Audit Committee, the Board recommends the Ordinary Resolution for approval of the Members.

The proposed related party transactions shall be reviewed and monitored periodically by the Audit Committee in accordance with the applicable provisions of the Listing Regulations, the Companies Act, 2013 and the Company's Policy on Related Party Transactions and shall remain within the limits approved by the Members.

In the event of any material modification to the approved related party transactions, prior approval of the Members shall be obtained in accordance with Regulation 23 of the Listing Regulations and the Company's Policy on Related Party Transactions.

The Audit Committee and the Board of Directors may approve the redaction of commercially sensitive information, including confidential business information and trade secrets, wherever disclosure of such information may prejudice the competitive position of the Company, provided that all material information necessary for informed decision-making by the Members continues to be disclosed.

As required under Secretarial Standard-2 (SS-2), the interest of Directors and Key Managerial Personnel in the proposed resolution is disclosed below:

Mr. Madhu Sudan Pahwa, Managing Director, and Mrs. Veena Pahwa, Promoter Whole Time Director (to the extent of their interest, if any, in Varadda Overseas Limited and their respective shareholding in Womancart Limited), may be deemed to be interested in the proposed resolution.

Save and except the above and their respective relatives, none of the other Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the proposed Ordinary Resolution.

Item No. 5

Pursuant to Regulation 23 read with Schedule XII of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), a transaction with a related party shall be considered material if the transaction(s), whether entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of the listed entity, as per the last audited consolidated financial statements of the listed entity, where the consolidated turnover threshold of the listed entity is up to Rs. 20,000 Crore.

Further, all such material related party transactions require prior approval of the Members of the Company by way of an Ordinary Resolution, even if such transactions are entered into in the ordinary course of business and on an arm's length basis and no related party shall vote to approve such resolution whether the entity is a related party to the particular transaction or not.

It is pertinent to note that Womancart Limited ("hereinafter referred to as Womancart") is engaged in the business of e-commerce and retail trading of lifestyle products through its online platform. Justification:

Womancart Limited and MSV Beauty Shop Limited have established a strong business relationship in the areas of procurement, trading, distribution and supply of products in the ordinary course of business. The proposed related party transactions leverage the operational expertise, industry knowledge and established supply chain of both entities, thereby enabling the Company to achieve operational efficiencies, cost optimization and timely availability of products. The transactions are expected to be undertaken at arm's length, in the ordinary course of business and on terms comparable with those prevailing in similar transactions with unrelated parties.

The proposed transactions are expected to facilitate seamless business operations, improve supply chain efficiencies, optimize inventory management and strengthen business synergies between the entities. The Company shall continue to ensure that all such transactions are undertaken in compliance with the provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company's Policy on Related Party Transactions and other applicable laws.

Since the proposed related party transactions are repetitive and are expected to exceed the materiality threshold prescribed under Regulation 23 of the Listing Regulations, approval of the Members is being sought by way of an Ordinary Resolution. The approval of the Members shall remain valid until the conclusion of the next Annual General Meeting or for a period not exceeding one year from the date of Members' approval, whichever is earlier.

The management of the Company has placed before the Audit Committee all the information and disclosures prescribed under the applicable provisions of the Listing Regulations and SEBI Master Circular, including, inter alia, the nature of the transactions, material terms, value of the proposed transactions, pricing methodology, business rationale, justification for entering into the transactions, confirmation that the transactions are in the ordinary course of business and on an arm's length basis, and such other information as may be required for consideration of the proposed related party transactions.

A certificate from the Managing Director and the Chief Financial Officer of the Company confirming that the proposed related party transactions are in the interest of the Company and are proposed to be undertaken on an arm's length basis and in the ordinary course of business was also placed before the Audit Committee and the Board of Directors for their review and noting.

The Audit Committee, at its meeting held on September 04, 2026, after considering all relevant information and the certificate of the Managing Director and Chief Financial Officer, approved the proposed related party transactions between Womancart Limited and MSV Beauty Shop Private Limited for an aggregate value not exceeding ₹ 50 Crore (Rupees Fifty Crore Only), excluding applicable taxes, duties and levies, on the terms and conditions placed before the Committee.

The Board of Directors, at its meeting held on September 04, 2026, based on the recommendation of the Audit Committee, reviewed the proposed transactions together with all supporting documents and approved the proposal, subject to the approval of the Members, for entering into the aforesaid material related party transactions for a period of one year from the date of Members' approval. The

Board noted that the proposed transactions would be undertaken on an arm's length basis and in the ordinary course of business.

The audited financial statements of MSV Beautyy Shop Private Limited for the immediately preceding financial year were also placed before the Audit Committee and the Board of Directors for their review.

Accordingly, based on the recommendation of the Audit Committee, the Board recommends the Ordinary Resolution for approval of the Members.

The proposed related party transactions shall be reviewed and monitored periodically by the Audit Committee in accordance with the applicable provisions of the Listing Regulations, the Companies Act, 2013 and the Company's Policy on Related Party Transactions and shall remain within the limits approved by the Members.

In the event of any material modification to the approved related party transactions, prior approval of the Members shall be obtained in accordance with Regulation 23 of the Listing Regulations and the Company's Policy on Related Party Transactions.

The Audit Committee and the Board of Directors may approve the redaction of commercially sensitive information, including confidential business information and trade secrets, wherever disclosure of such information may prejudice the competitive position of the Company, provided that all material information necessary for informed decision-making by the Members continues to be disclosed.

As required under Secretarial Standard-2 (SS-2), the interest of Directors and Key Managerial Personnel in the proposed resolution is disclosed below:

Mr. Madhu Sudan Pahwa, Director, and Mrs. Veena Pahwa, Director (to the extent of their interest, if any, in MSV Beautyy Shop Private Limited and their respective shareholding in Womancart Limited), may be deemed to be interested in the proposed resolution.

Save and except the above and their respective relatives, none of the other Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the proposed Ordinary Resolution.

Item No. 6

Pursuant to Regulation 23 read with Schedule XII of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), a transaction with a related party shall be considered material if the transaction(s), whether entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of the listed entity, as per the last audited consolidated financial statements of the listed entity, where the consolidated turnover threshold of the listed entity is up to Rs. 20,000 Crore.

Further, all such material related party transactions require prior approval of the Members of the Company by way of an Ordinary Resolution, even if such transactions are entered into in the ordinary course of business and on an arm's length basis and no related party shall vote to approve such resolution whether the entity is a related party to the particular transaction or not.

It is pertinent to note that Varadda Overseas Limited ("hereinafter referred to as Varadda") is engaged in the business of e-commerce and retail trading of lifestyle products through its online platform. The Company offers a diverse range of products including beauty and personal care products, cosmetics, fashion and apparel, home and kitchen essentials, stationery, bags, and other lifestyle products, catering to customers across India through various online marketplaces and its own digital platform.

On the other hand, MSV Retaail Fashion Private Limited ("hereinafter referred to as MSV Retaail") is engaged in the business of e-commerce, wholesale and retail trading of lifestyle products. The Company is involved in sourcing, marketing, distribution and sale of a wide range of consumer and lifestyle products through online and offline channels.

In view of the complementary nature of their businesses, Varadda and MSV Retaail propose to enter into transactions for the purchase, sale, supply and distribution of lifestyle products, consumer goods, fashion and beauty products, home and kitchen products, stationery, bags, accessories, and other allied products, along with related logistics, marketing and support services, in the ordinary course of business. Such transactions are expected to facilitate a reliable supply chain, improve product availability, optimize procurement and inventory management, enhance operational efficiencies, and create synergistic benefits for both companies. Accordingly, the parties may undertake such transactions from time to time on an arm's length basis and in the ordinary course of business, in compliance with the applicable provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable laws and regulations.

Further SEBI vide its Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 read with the SEBI Master Circular no. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 ('SEBI Circular') has issued the Industry Standards on "Minimum information to be provided for review of the Audit Committee and members for approval of a related party transaction" ('Standards') to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the Listing Regulations. The Standards *inter alia* requires

listed entity to provide minimum information, in specified format, relating to the proposed Related Party Transactions (“RPT”), to the Audit Committee and to the members, while seeking approval.

The aggregate of proposed transaction of the Varadda with MSV Retaail when taken together with previous such/other transactions undertaken by the Varadda with MSV Retaail, is likely to exceed the applicable materiality thresholds as prescribed under Regulation 23(1) read with Schedule XII of the Listing Regulations. Accordingly, prior approval of the Members is being sought for such related party transaction. In accordance with SEBI Circular read with Regulation 23 of Listing Regulations, the detailed information as provided by the Management of the Company, of the proposed RPT as per the Standards, as placed before the Audit Committee and the Board of Directors of the Company in their respective meetings held on September 04, 2026, for their review and approval, are given below for review of the Members for approval of RPT:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

For the Financial Year Ended 31st March, 2026

1. COMPANY OVERVIEW

Womancart Limited (“Womancart” or “the Company”) is a women-focused omni-channel lifestyle platform offering a wide range of fashion, beauty, wellness and everyday lifestyle products through its online platform, marketplaces and physical retail network.

The Company has evolved from its initial focus on beauty and personal care into a broader lifestyle platform serving multiple requirements of women across categories such as beauty and skincare, hair care, fragrances, jewellery, clothing, footwear, lingerie and sleepwear, home and kitchen products, personal care, mom and baby products and other everyday essentials.

During FY 2025-26, the Company continued to focus on expanding its product portfolio, increasing customer reach, strengthening its own-brand portfolio, expanding its retail and warehouse infrastructure and investing in technology and quick-commerce capabilities.

The Company had more than 31,350 SKUs, 9 own brands and more than 15 stores and warehouses. The Company also operated an 50,000 sq. ft. warehouse facility supporting its inventory-led fulfilment and quick-delivery model.

The Company has also expanded its international presence through operations in Australia and incorporated a wholly owned subsidiary, Womancart Lifestyle General Trading - L.L.C - S.P.C, in Dubai, UAE.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian retail and e-commerce industry continues to undergo significant transformation, supported by increasing internet penetration, digital payments, smartphone adoption, growing consumer preference for convenience and the expansion of organised retail.

Within this broader market, the women’s lifestyle and beauty segment continues to offer attractive growth opportunities due to increasing disposable incomes, greater digital adoption, changing consumer preferences and increased demand for branded and curated products.

The emergence of quick commerce is further changing consumer expectations around delivery speed and convenience. Customers increasingly expect products to be available with shorter delivery timelines, transparent order tracking and convenient return options.

The Company believes that its omni-channel model, combination of online and offline retail, inventory-led fulfilment capabilities and growing own-brand portfolio position it to participate in these structural changes in the retail industry.

At the same time, the industry remains highly competitive, with established e-commerce platforms, marketplaces, quick-commerce players, specialised beauty platforms and traditional retailers competing for customer attention and market share.

4. BUSINESS MODEL

Womancart follows an omni-channel and inventory-led business model. The Company's products are offered through:

- Its own e-commerce platform;
- Online marketplaces;
- Physical Womancart stores;
- Womancart LUXE stores;
- B2B and other business channels; and
- International platforms and operations.

The inventory-led model enables the Company to maintain product availability and facilitate faster fulfilment. The Company has developed a delivery model designed to provide quick delivery, including a two-hour delivery proposition in Delhi NCR and Jaipur.

The Company also provides a 15-day return policy for online customers. During FY26, returns were stated to be approximately 10–12% of sales, while damages were approximately 2–3% of total sales.

5. FINANCIAL PERFORMANCE

The Company's consolidated financial performance for FY 2025-26 was marked by strong growth in revenue and operating profitability.

Consolidated Financial Highlights

Particulars	FY 2025-26	FY 2024-25	Growth
Revenue from Operations	₹133.69 Cr	₹59.11 Cr	126.2%
Other Income	₹1.78 Cr	₹1.13 Cr	56.8%
Total Income	₹135.47 Cr	₹60.25 Cr	124.7%
EBITDA	₹19.65 Cr	₹ 11.05 Cr	77.81%

Particulars	FY 2025-26	FY 2024-25	Growth
EBITDA Margin	14.69%	18.69%	—
PBT	₹12.11 Cr	₹8.50 Cr	42.4%
PAT before minority/associate adjustments	₹8.11 Cr	₹7.19 Cr	12.9%
PAT attributable after minority interest and associate	₹6.91 Cr	₹7.18 Cr	—

The audited consolidated results reported revenue from operations of ₹13,368.98 lakh and total revenue of ₹13,546.71 lakh for FY 26. EBITDA stood at ₹1,786.8 lakh and profit before tax at ₹1,210.7 lakh.

REVENUE GROWTH

Revenue from operations increased by approximately 126.2% from ₹59.11 crore in FY25 to ₹133.69 crore in FY26.

The growth was primarily driven by:

- Increase in order volumes;
- Expansion of the SKU portfolio;
- Deeper penetration across existing markets;
- Expansion into additional product categories;
- Growth across online and offline channels;
- Increased contribution from marketplaces;
- Expansion of the retail and warehouse network; and
- Continued customer acquisition and brand-building initiatives.

The Company has demonstrated significant revenue scale-up over the past several years, with revenue increasing from ₹29.30 crore in FY24 to ₹59.11 crore in FY25 and ₹133.69 crore in FY26.

6. PROFITABILITY ANALYSIS

During FY26, EBITDA increased to ₹17.87 crore from ₹9.92 crore in FY25, representing growth of approximately 80.2%.

However, EBITDA margin moderated from 16.8% in FY25 to 13.4% in FY26.

The moderation in margin was primarily attributable to:

- Higher contribution from marketplace sales;
- Increased customer acquisition expenditure;
- Strategic discounting to expand market reach;
- Increased input costs;
- Higher operating and infrastructure costs; and
- Continued investments in technology, retail expansion and growth infrastructure.

The Company nevertheless achieved significant absolute EBITDA growth, demonstrating operating leverage from the increase in business scale.

Gross profit increased from ₹25.30 crore in FY25 to ₹37.88 crore in FY26. Gross margin, however, declined from 42.8% to 28.3%, primarily reflecting the higher contribution of marketplace sales, discounting and input cost pressures.

Depreciation and amortisation increased substantially from ₹1.34 crore to ₹5.63 crore, reflecting the Company's investments in infrastructure, technology and expansion.

Finance costs increased from ₹1.21 crore to ₹1.90 crore during the year, consistent with the increase in working capital requirements and business expansion.

Profit before tax increased by 42.4% to ₹12.11 crore from ₹8.50 crore in FY25.

7. REVENUE MIX AND OWN BRANDS

The Company continued to strengthen its portfolio of home-grown brands during FY26.

During the year, approximately 42% of FY26 revenue was contributed by own brands, while approximately 58% was contributed by OEM/other brands. The Company remains focused on increasing the contribution from its own brands because of their potential to provide greater control over product assortment, pricing, customer experience and margins.

The Company's own-brand portfolio includes categories such as jewellery, lingerie, clothing, footwear, home products, fragrances, accessories and kids' essentials.

During FY26, the Company also launched **Bluex Junior**, focused on children's everyday essentials such as lunch boxes, backpacks, stationery and other accessories.

The Company's strategy is to gradually increase the contribution of own brands while maintaining a diversified product assortment through established third-party and OEM brands.

8. PRODUCT PORTFOLIO AND CATEGORY EXPANSION

During FY26, Womancart continued to expand beyond its traditional beauty-focused offering.

The Company's product portfolio now covers:

- Makeup and skincare;
- Hair care;
- Fragrances;
- Personal care;
- Jewellery;
- Clothing and accessories;
- Footwear;
- Lingerie and sleepwear;
- Home and kitchen products;
- Mom and baby products; and
- Kids' essentials.

The Company had more than 31,350 SKUs on its platform at the end of FY26.

The Company's approach is to build a broader "one-stop solution" for women's lifestyle requirements, thereby increasing customer engagement and share of wallet.

9. QUICK-COMMERCE AND TECHNOLOGY

Technology continues to be a key component of the Company's growth strategy.

During FY26, the Company continued to develop its quick-delivery proposition, supported by inventory-led fulfilment, warehouses and stores located close to customers.

The Company has developed a two-hour delivery model in Delhi NCR and Jaipur and intends to progressively expand the model to additional cities.

The technology platform is intended to improve:

- Order processing;
- Inventory visibility;
- Delivery tracking;
- Estimated delivery time;
- Customer communication;
- Order fulfilment; and
- Overall customer experience.

The Company believes that faster fulfilment combined with a broad product assortment can become a key differentiator in the competitive e-commerce and quick-commerce environment.

10. OMNI-CHANNEL RETAIL NETWORK

The Company continued to strengthen its offline presence during FY26.

As per the Company's FY26 investor presentation, the retail network included Womancart stores and Womancart LUXE stores across Delhi NCR, supported by warehouses and fulfilment infrastructure.

The Company's omni-channel strategy enables customers to access substantially the same products and pricing across its online and offline channels.

The Company believes physical stores provide important advantages in categories where customers value product experience, physical inspection, trial and immediate fulfilment.

The Company's "Try & Buy" proposition is also intended to reduce barriers associated with online shopping.

11. INTERNATIONAL EXPANSION

During FY26, the Company expanded its international footprint through operations in Australia.

The Australian business had more than 256 SKUs and generated approximately AUD 99,000 of ARR as disclosed in the FY26 investor presentation. Victoria accounted for approximately 66% of orders, while the business reported approximately 78% organic demand and approximately 4% returns.

The Company also incorporated a wholly owned subsidiary in Dubai, UAE, named Womancart Lifestyle General Trading - L.L.C - S.P.C, on 1st December 2025.

The international strategy remains focused on building a scalable platform, understanding local customer behaviour and gradually expanding the product portfolio and customer base.

12. WORKING CAPITAL AND BALANCE SHEET

The Company's rapid growth resulted in a significant increase in working capital requirements. As at 31st March 2026:

Particulars	FY26	FY25
Inventories	₹83.60 Cr	₹37.31 Cr
Trade Receivables	₹22.90 Cr	₹5.93 Cr
Cash & Cash Equivalents	₹9.39 Cr	₹11.07 Cr
Short-term Loans & Advances	₹10.76 Cr	₹5.21 Cr
Total Assets	₹159.71 Cr	₹90.32 Cr

Inventory increased substantially during the year, reflecting the Company's strategy of maintaining product availability, expanding SKU breadth and preparing inventory for seasonal and festive demand.

The increase in working capital remains an important area of management focus, particularly with respect to inventory turnover, receivables collection and cash conversion.

13. CAPITAL STRUCTURE

During FY 26, the Company raised capital through preferential allotments of equity shares.

The audited financial results record multiple preferential allotments during FY26 at different issue prices, including allotments made in June, September, November and December 2025 and January 2026.

The Company's equity share capital increased from ₹6.04 crore as at 31st March 2025 to ₹8.21 crore as at 31st March 2026 on the basis of the audited consolidated financial statements.

The funds raised during the year were utilised for the purposes stated in the relevant corporate and regulatory disclosures, including supporting the Company's business expansion and working-capital requirements.

14. OPPORTUNITIES

The Company sees several opportunities for future growth:

a. Growth in Indian E-commerce

Increasing digital adoption and consumer preference for online shopping provide a long-term opportunity for the Company.

b. Quick-Commerce Opportunity

The Company's two-hour delivery model provides an opportunity to differentiate itself through speed and convenience.

c. Own-Brand Expansion

Increasing the contribution of own brands can improve product differentiation, customer loyalty and long-term gross margins.

d. Category Expansion

Expansion into children's products, home products, kitchen products and other lifestyle categories can increase customer share of wallet.

e. Omni-Channel Expansion

The combination of physical stores, warehouses and digital channels provides opportunities for greater customer reach and fulfilment efficiency.

f. International Markets

Australia and the newly established Dubai subsidiary provide platforms for exploring international growth opportunities.

g. Technology

Investment in technology, inventory management, logistics and customer analytics can improve operational efficiency and customer retention.

15. THREATS AND CHALLENGES

The Company's business is subject to various risks and uncertainties, including:

a. Intense Competition

The Company operates in a highly competitive environment comprising large e-commerce companies, marketplaces, quick-commerce platforms, beauty specialists and traditional retailers.

b. Margin Pressure

Marketplace commissions, discounting, customer acquisition costs and product procurement costs may adversely affect margins.

c. Inventory Risk

The Company's inventory-led model requires significant investment in stock. Slow-moving inventory, changing fashion trends, product obsolescence or inaccurate demand forecasting could affect profitability and cash flows.

d. Working Capital Risk

Rapid growth can increase working capital requirements. Effective management of receivables, inventories and payables remains critical.

e. Customer Acquisition Cost

The Company's growth strategy requires continued investment in marketing and customer acquisition. Any significant increase in customer acquisition cost may affect profitability.

f. Technology and Cybersecurity Risk

The Company's business is dependent on technology platforms, digital infrastructure and data security. System interruptions, cybersecurity incidents or data breaches could adversely affect operations and customer trust.

g. Regulatory Risk

Changes in e-commerce regulations, consumer protection requirements, taxation, data protection requirements and other applicable laws may affect the Company's operations.

h. International Expansion Risk

International operations expose the Company to foreign exchange, regulatory, tax, market and operational risks in overseas jurisdictions.

15. RISK MANAGEMENT

The Company has established processes for identifying and monitoring risks associated with its business operations.

Key areas of risk monitoring include:

- Inventory management;
- Working capital management;
- Vendor and supplier management;
- Customer credit and receivables;
- Technology and cybersecurity;
- Regulatory compliance;
- Financial reporting;
- Operational controls;
- Brand and reputation management; and
- International operations.

The Company continues to strengthen its internal systems and processes as the scale of operations increases.

The Company's management and Board regularly review material business and financial risks and take appropriate measures to mitigate such risks.

16. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains internal financial controls designed to provide reasonable assurance regarding the reliability of financial reporting, safeguarding of assets, prevention and detection of fraud and errors, accuracy and completeness of accounting records and compliance with applicable policies and procedures.

The statutory auditors, M/s KRA & Co., Chartered Accountants, issued an unmodified audit opinion on the audited consolidated financial statements for FY26.

The auditors also reported that, in all material respects, the Company and applicable subsidiaries had adequate internal financial controls over financial reporting and that such controls were operating effectively as at 31st March 2026.

The Company continues to strengthen its control environment in line with its expanding business operations, increased transaction volumes and growing geographic footprint.

17. HUMAN RESOURCES

People remain an important component of the Company's growth strategy.

The expansion of the Company's digital platform, stores, warehouses, technology operations, customer service functions and international operations requires a capable workforce with expertise across retail, e-commerce, supply chain, technology, marketing and customer experience.

Employee benefit expenses increased from ₹2.86 crore in FY25 to ₹3.55 crore in FY26, reflecting the Company's continued investment in human resources and organisational capabilities.

The Company remains focused on building a performance-oriented culture, strengthening employee capabilities and developing a workforce aligned with its growth objectives.

18. MARKETING AND CUSTOMER ENGAGEMENT

The Company continued to invest in customer acquisition, brand building and digital marketing during FY26.

Marketing initiatives included influencer marketing, social media engagement and digital customer acquisition.

The Company reported approximately 20,000 Facebook followers and 38,800 Instagram followers in its FY26 investor presentation, with marketing expenditure of approximately ₹42 lakh per month including influencer marketing.

The Company's strategy is increasingly focused not only on customer acquisition but also on improving repeat purchases, customer engagement and lifetime customer value.

19. SEASONALITY OF BUSINESS

The Company's business is influenced by seasonal demand patterns, particularly festive periods, wedding seasons and other high-consumption periods.

Demand can vary significantly across quarters depending upon festivals, weddings, promotional campaigns and consumer spending patterns.

Accordingly, quarterly financial performance may not necessarily be indicative of the full-year performance.

The Company intends to leverage its expanded inventory, wider SKU portfolio, enhanced fulfilment infrastructure and stronger customer base to capture seasonal demand.

20. OUTLOOK

The Company remains focused on sustainable and disciplined growth.

Key priorities for the coming period include:

1. Expanding the quick-delivery model into additional cities;
2. Increasing the contribution of own brands;
3. Strengthening the Womancart LUXE proposition;
4. Expanding the product assortment;
5. Improving inventory and working-capital efficiency;
6. Increasing repeat customer purchases;
7. Investing in technology and logistics;
8. Expanding international operations selectively; and
9. Improving operating margins through a better product and own-brand mix.

The Company believes that its combination of technology, omni-channel presence, broad product assortment, own brands and fulfilment capabilities provides a strong foundation for future growth.

21. KEY PERFORMANCE INDICATORS

The Company monitors various operating and financial indicators to evaluate business performance, including:

- Revenue growth;
- Gross profit and gross margin;
- EBITDA and EBITDA margin;
- Profit before tax;
- Profit after tax;
- Number of SKUs;
- Order volumes;
- Average order value;
- Inventory turnover;
- Customer acquisition;
- Repeat customer rate;
- Return rate;
- Own-brand contribution;
- Store and warehouse expansion; and
- Cash conversion and working capital.

During FY26, the Company's revenue growth and EBITDA growth remained strong, although margins were impacted by the higher marketplace contribution, customer acquisition investments and cost pressures.

22. MATERIAL DEVELOPMENTS DURING FY26

During FY26, the Company undertook several strategic initiatives, including:

- Expansion of the product portfolio to more than 31,350 SKUs;
- Expansion of the own-brand portfolio to 9 brands;
- Launch of Bllux Junior;
- Expansion of the retail and warehouse network;
- Development of the two-hour delivery model;
- Expansion into Australia;
- Incorporation of a Dubai-based wholly owned subsidiary;
- Continued investment in technology;
- Strengthening of the Company's omni-channel model; and
- Capital raising through preferential allotments.

These initiatives were undertaken with the objective of building a scalable and diversified business platform.

23. FUTURE STRATEGY

The Company's future strategy is based on five principal pillars:

1. Scale

Expand customer reach, product assortment and geographical presence.

2. Speed

Build the quick-commerce proposition and improve delivery capabilities.

3. Own Brands

Increase the contribution of own brands to improve differentiation and margins.

4. Technology

Use technology to improve customer experience, inventory management, fulfilment and operational efficiency.

5. Profitability

Focus on improving gross margins, operating leverage, customer retention and cash conversion while maintaining disciplined growth.

25. CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis Report describing the Company's objectives, expectations, estimates or predictions may constitute "forward-looking statements" within the meaning of applicable securities laws and regulations.

Such statements are based on certain assumptions and expectations of future events and are subject to risks, uncertainties and other factors that may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements.

These factors include, among others, changes in economic conditions, consumer demand, competition, regulatory developments, technology risks, input costs, foreign exchange movements, working capital requirements, market conditions and other risks applicable to the Company's business.

The Company assumes no obligation to publicly update or revise any forward-looking statements based on subsequent events or developments, except as may be required under applicable laws and regulations.

26. MANAGEMENT'S OVERALL ASSESSMENT

FY 2025-26 was a year of significant scale-up for Womancart Limited.

The Company more than doubled its consolidated revenue to ₹133.69 crore, while EBITDA increased to ₹17.87 crore. The Company's growth was supported by higher order volumes, a broader product portfolio, deeper market penetration, expansion of its omni-channel network and continued investments in technology and infrastructure.

The year also involved substantial investment in inventory and working capital to support the Company's growth and seasonal demand requirements. While these investments resulted in increased working capital requirements and margin pressure, they were undertaken with the objective of strengthening the Company's long-term operating platform.

Going forward, management's focus will be on balancing growth with profitability, increasing the contribution of own brands, improving inventory and cash-flow efficiency, strengthening customer retention and expanding the Company's quick-commerce and omni-channel presence.

The Company believes that its evolving business model, technology capabilities, diversified product portfolio, own brands and expanding customer base provide a strong foundation for sustainable long-term growth.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to communicate

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1.** As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2.** As required by Section 143(3) of the Act, we report that:
 - a.** We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (c) There are no dues of Income-tax, Sales-tax, Excise Duty, GST and Service Tax which have not been deposited as on March 31, 2026, on account of disputes with the related authorities.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (b) According to the information and explanation given to us, term loans availed were applied for the purpose for which the loans were obtained.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the funds raised on short term basis have not been utilized for long term purposes. Consequently, clause (ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us, the company has not taken any funds from entity or person or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
- (e) According to the information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint venture or associate companies.
- (x) (a) The Company has not raised any money during the year by way of Initial Public Offer (IPO). Consequently, clause (x)(a) of the order is not applicable to the company.
(b) To the best of our knowledge and according to the information and explanations given to us, the company has made private placement or preferential allotment of shares during the audit period and the same is in accordance with section 42 and section 62 of the Companies Act, 2013. The funds raised, have been used for the purposes they were raised.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
(b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditor in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
(c) According to the information and explanations given to us, no whistle blower complaints has been received during the year. Consequently, clause (xi)(c) of the Order is not applicable to the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause (xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013, and corresponding details have been disclosed in the financial statements, as required by the applicable Accounting Standards.

- (xiv) The company is subject to this clause and has appointed an internal auditor, but the internal audit report is still pending.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, requirement under clause (xv) is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (xvii) The company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.
- (xviii) There is no resignation of the Statutory Auditor during the year, hence no clause is applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, the Company is not required to be spend under section 135 of the Companies Act, 2013 for the audit period. Consequently, clause (xx) of the Order is not applicable to the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF WOMANCART LIMITED (Referred to in Paragraph 2 point (f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of WOMANCART LIMITED (“the Company”) as at March 31, 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. Basis of preparation

- The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP).
- The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013.
- The company follows the Mercantile System of Accounting recognizing Income and Expenditure on accrual basis.
- The directors have certified that there are no outstanding expenses not provided for and nor there are income which have fallen due but not accounted for. The accounts are prepared on historical cost basis and as a going concern.
- The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

3. Summary of significant accounting policies

For the year ended 31st March 2026, the Schedule III notified under the Companies Act 2013, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of financial statements. However, it has

significant impact on presentation and disclosures made in the financial statements.

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Property Plant & equipment

Property, Plant & Equipment are stated at cost, net of accumulated depreciation and accumulated losses, if any. The cost comprises Purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of property plant & equipment is added to its book value only if it increase the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair & maintenance expenditure and cost of replacing parts are charged to the statement of profit & loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit & loss when the assets is derecognized.

c. Depreciation on Property, Plant and equipment

The company is following Depreciation as per Written Down Value Rate and the in the manner specified as per the companies Act 2013

Depreciable amount is the cost of an asset, or other amount substituted for cost, less its residual value. Ordinarily, the residual value of an asset is often insignificant, but it should generally be not more than 5% of the original cost of an assets.

d. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortised on straight line method over the period of 5 years. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net of sale proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e. Leases

Finance leases, which transfer to title Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income. Capitalized lease assets are depreciated over the shorter of the estimated useful life of the asset or the lease term. Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Operating lease payments are recognized as an expense in the income statement on a straight-line basis over the lease term.

f. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

g. Impairment

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or

groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are considered, if available. If no such transactions can be identified, an appropriate valuation model is used.

h. Investment

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition Charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

i. Inventories

Raw materials, components, stores and spares shall be valued at lower of cost and net realizable value. Work in progress and finished goods are valued at lower of cost and net realizable value.

j. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

k. Interest

Interest income is recognized on a time proportion basis considering the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit & loss.

l. Income tax

- a. Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the *reporting* date.

- b. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years.

m. Foreign Exchange Fluctuation

All differences in the foreign exchange fluctuation on monetary assets/liabilities has been recognized at the time receipt/payment, unless material.

n. Provisions & contingencies

Provisions involving substantial degree of measurement are recognized when there is an obligation as a result of past events and its probable that there will be an outflow of resources. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Society or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

o. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

In the opinion of the company and to the best of their knowledge and belief, the value on realization of loans, advances and current assets in the ordinary course of business will not be less than the amount at which they are stated in the Balance Sheet.

	The Company has an obligation towards gratuity, a defined benefit retirement plan covering		

	eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The gratuity plan of the Company is funded.		
	The defined benefit plans expose the Company to a number of actuarial risks as below:		
	Interest risk: A decrease in the bond interest rate will increase the plan liability.		
	Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOMANCART LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **WOMANCART LIMITED** ("hereinafter referred to as the 'Holding Company'") and its subsidiaries (Holding Company, its subsidiaries and associates together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2026, and the consolidated statement of profit and loss, and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the director's report, management discussion and analysis and report on corporate governance, but does not include the financial statements and our auditor's report thereon. The director's report, management discussion and analysis and report on corporate governance are expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to communicate

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the Companies Included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities

in this regard are further described in section titled 'Other Matters' in this audit report. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors and management certified accounts as referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

3. As required by Section 143(3) of the Act, we report that:

- a.** We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b.** In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c.** The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d.** In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e.** On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f.** With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- g.** With respect to consolidation of financial statements subsidiary namely Womancart Lifestyle General Trading - L.L.C - S.P.C, and associate Womancart Pty Ltd, we have considered unaudited Financial Statements provided by the management.
- h.** With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i.** The Company did not have any pending litigations for which there were any impact on its financial position.
 - ii.** The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii.** There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF WOMANCART LIMITED

(Referred to in Paragraph 1 point (f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of **WOMANCART LIMITED** (the ‘Holding Company’) and its subsidiaries (the Holding Company and its subsidiaries together referred to as the ‘Group’) as at and for the year ended 31 March 2026, we have audited the internal financial controls over financial reporting (‘IFCoFR’) of the Holding Company, its subsidiary companies, which are companies covered under the Act, as at that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies, which are companies covered under the Act, as at that date, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (the ‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company’s business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary companies, which are companies covered under the Act, as at that date, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Holding Company, its subsidiary companies as aforesaid, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

1. Basis of preparation

- The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP).
- The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013.
- The company follows the Mercantile System of Accounting recognizing Income and Expenditure on accrual basis.
- The directors have certified that there are no outstanding expenses not provided for and nor there are income which have fallen due but not accounted for. The accounts are prepared on historical cost basis and as a going concern.
- The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. Summary of significant accounting policies

For the year ended 31st March 2026, the Schedule III notified under the Companies Act 2013, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements.

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Property Plant & equipment

Property, Plant & Equipment are stated at cost, net of accumulated depreciation and accumulated losses, if any. The cost comprises Purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of property plant & equipment is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair & maintenance expenditure and cost of replacing parts are charged to the statement of profit & loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of property, plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit & loss when the assets are derecognized.

c. Depreciation on Property, Plant & Equipment

The company is following Depreciation as per Written Down Value Rate and in the manner specified as per the Companies Act 2013

Depreciable amount is the cost of an asset, or other amount substituted for cost, less its residual value. Ordinarily, the residual value of an asset is often insignificant, but it should generally be not more than 5% of the original cost of an asset.

d. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortised on straight line method over the period of 5 years. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e. Leases

Finance leases, which transfer to title Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income. Capitalized lease assets are depreciated over the shorter of the estimated useful life of the asset or the lease term. Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Operating lease payments are recognized as an expense in the income statement on a straight-line basis over the lease term.

f. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

g. Impairment

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an

assets or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are considered, if available. If no such transactions can be identified, an appropriate valuation model is used

h. Investment

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition Charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

i. Inventories

Raw materials, components, stores and spares shall be valued at lower of cost and net realizable value. Work in progress and finished goods are valued at lower of cost and net realizable value.

j. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

k. Interest

Interest income is recognized on a time proportion basis considering the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit & loss.

l. Income tax

a. Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the

earlier years.

m. Foreign Exchange Fluctuation

All differences in the foreign exchange fluctuation on monetary assets/liabilities has been recognized at the time receipt/payment, unless material.

n. Provisions & contingencies

Provisions involving substantial degree of measurement are recognized when there is an obligation as a result of past events and its probable that there will be an outflow of resources. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Society or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

o. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

p. Employee Benefits

Short term employee benefits

All short term employee benefits such as salaries, incentives, medical benefits which are expected to be settled wholly within 12 months after the end of the period in which the employee renders the related services which entitles him to avail such benefits are recognised on an undiscounted basis and charged to the Statement of Profit and Loss.

Post-employment benefits

i.) Defined Contribution Plans

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the period/year when the contribution to the funds is due. There are no other obligations other than the contribution payable to the fund. The Company recognises contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

ii.) Defined Benefit Plans

Gratuity

The Company has an obligation towards gratuity, a defined benefit plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The gratuity benefits are unfunded.

Gratuity liability is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial period/year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and

Net interest expense or income

Re-measurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability, are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through 'Other comprehensive income' in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilised leave at each Balance Sheet date on the basis of an independent actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred. The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer the settlement for at least 12 months after the reporting date, regardless of when the actual settlement.

In the opinion of the company and to the best of their knowledge and belief, the value on realization of loans, advances and current assets in the ordinary course of business will not be less than the amount at which they are stated in the Balance Sheet.

Disclosure under Accounting Standard (AS) 15 " Employee Benefits"		
		Rs in Lakhs
Defined Contribution Plans		
The Company has recognized the following amounts in the statement of profit and loss:		
Particulars	March 31, 2026	March 31, 2025
Employers' contribution to Provident Fund (including administrative charges)	4.00	4.04
Gratuity		
The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The gratuity plan of the Company is funded.		
The defined benefit plans expose the Company to a number of actuarial risks as below:		
Interest risk: A decrease in the bond interest rate will increase the plan liability.		
Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.		
(i) The key assumptions used in accounting for retiring gratuity is as below:
