Dear Sir/Madam,

In respect to the e-mail received for deficiency/ non submission have/has been observed in financial result submitted on April 29, 2026, following points mentioned hereunder:

**1. Segment details not submitted.**

**Reply:** "In reference to the Exchange's previous observation, we would like to inform that we had earlier submitted a clarification reply vide our letter dated December 18, 2024, pertaining to segment details. For your easy reference, we reproduce the said clarification below:"

Accounting Standard (AS) -17 on segment reporting as issued by the Institute of Chartered Accountant of India (ICAI) define a "business segment" vide para 5.1 of the standard as below:

*"5.1 A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments.*

In terms of the said definition, a business segment refers to a distinct unit within an organisation/ Company that offers specific products or services and this unit faces unique risks and rewards different from other segments within the same organization.

It is submitted that Womancart Limited (Company) is primarily a digital consumer centric retail platform, providing wide range of classic and emerging branded beauty and wellness products for skin care, body care, hair care, fragrance for both men and women at the comfort of home. The Company also sell lifestyle brands for make-up, imitation jewellery, lingerie etc. The Company also run brick and mortar stores where customers can visit, make purchases, and interact with the brand. In either way, whether online or offline, the associated risk and rewards remains the same and therefore in terms of AS 17, it constitute a single business segment and therefore do not require any segments details.

**2. Financial results submitted is not as per format prescribed by SEBI-Place and Date of signing financials not mentioned**

**Reply:** We wish to inform you that while converting the signed financial results document into PDF format, the Place and Date of signing were inadvertently missed in the final uploaded document.

We hereby clarify that the omission was purely inadvertent and unintentional.

The Company shall ensure greater care and diligence in future filings to avoid recurrence of such omissions and to maintain compliance with the prescribed SEBI format requirements.

**3. Financial results submitted in XBRL with discrepancies-Incorrect EPS mentioned in Standalone XBRL.**

**Reply:** The EPS figure has been corrected. The non-annualised EPS figure was inadvertently mentioned in the earlier Standalone XBRL filing. Accordingly, the revised Standalone XBRL financial results have been submitted with the corrected EPS figures.
