

Wonderla Hyderabad set to reopen; will dedicate first two days to frontline workers

The theme park has announced reopening offer of Rs.699 for all age groups

Hyderabad, January 04, 2021: Wonderla Holidays Ltd., India's largest amusement park chain, is set to reopen in Hyderabad from 9th January 2021 onwards. Before opening the park to the public on 9th January, Wonderla will thank COVID-19 frontline workers for all their efforts during the pandemic through COVID Warriors Days. Wonderla is inviting 5,000 COVID-19 frontline workers from the state including their family members to the Hyderabad Park for a fun-filled day. The park will exclusively be open to them on 7th and 8th January 2021.

The frontline workers along with their families will get free entry to the park with access to all the dry/land rides and free lunch, tea, and snacks. The selected invitees will include doctors and nurses, attendees, ambulance drivers, police, bankers, delivery executives, teachers, journalists, etc.

Wonderla will open its gates to the common public in Hyderabad starting 9th January. Visitors of all age groups can enjoy the park at Rs. 699 inclusive of GST, with access to all water and dry/land rides. The theme park will be open every day during festive period from 9th to 17th January from 11am onwards.

Wonderla encourages visitors to book their entry tickets online from bookings.wonderla.com in accordance with guidelines and best practices.

Mr. Arun Chittilapilly, Managing Director, Wonderla Holidays Ltd, said, "We received an overwhelming response from the public in Bangalore and Kochi which reinforced our confidence to reopen Wonderla Hyderabad. We will kick start our operations here by thanking our frontline heroes through COVID Warriors Days. As we move into the New Year, we look forward to offering COVID-19 warriors and the general public an opportunity to unwind and relax the Wonderla way, with the necessary precautions and safety measures in place."

To follow the safety and hygiene measures, all the staff are mandated to wear masks. Floors are marked to ensure guests can maintain physical distance in rides, restaurants, queue areas and kiosks. Common areas are sanitized every day using chlorine solution of 1% and the rides are sanitized frequently with approved chemicals. Automatic hand sanitizers are provided at all rides, restaurants, changing rooms and other entry points. Separate bins have been placed for disposal of masks, gloves, and hand tissues. Online chemical dosing is monitored every two hours for maintaining adequate chlorine level in water.
