Wonderla Holidays Ltd. launches 2nd Wonder Kitchen Outlet at Rajarajeshwari Nagar, Bangalore

India's leading amusement park and hospitality Brand, Wonderla Holidays Limited today announced the launch of their second Wonder Kitchen outlet in Bangalore at Rajarajeshwari Nagar, near BEML Complex.

Wonderla Holidays Limited announced their business foray into food takeaway and home delivery division earlier this year in June 2020 with the launch of the first Wonder Kitchen outlet located at Kengeri. Wonder Kitchen is a multi-cuisine cloud-kitchen serving vegetarian and non-vegetarian dishes and has also partnered with Swiggy and Zomato for online orders and home delivery apart from takeaway. The outlet will operate from 11.30 am to 10pm and will offer FREE delivery of orders within a 6 km radius.

Mr. Arun Chittilappilly, Director, Wonderla Holidays Ltd. said, "After a successful run of our first food takeaway outlet in Kengeri, we have decided to open the second one in Rajarajeshwari Nagar. The Covid-19 crisis has changed the world completely in the last few months impacting our Parks and Resort chains across different locations. In these difficult times, we have decided to adapt and step into the new business venture with the support of our experienced staff."

"Today, everyone is health-conscious and there is an ever-growing demand for safe and hygienic food, without having to compromise on the taste and quality. We are serving fresh, exciting new tastes as per the safety protocols. Similarly, we also have plans to open the first Kerala outlet of Wonder Kitchen in Kochi during September and thereafter in Hyderabad", he added.
