Recommendation on the Open Offer, as to whether the offer is fair and reasonable	The Open Offer has been made in order to comply with the SEBI regulations consequent to the acquisition of the entire share capital of Titan Europe Plc. by Titan International, Inc., other than that already held by it. IDC members believe that the Open Offer made to the shareholders of WIL, other than the existing Promoters, is fair and reasonable.
Summary of reasons for recommendation	In forming the aforesaid opinion / recommendations the IDC has considered the following:- • Titan Europe Plc. holds 35.91% of equity shares in WIL and is also a Promoter of WIL. • Titan International, Inc., acquired the entire share capital of Titan Europe Plc, other than the shares already held by it, and consequently became a wholly owned subsidiary of Titan International Inc. • Under the SEBI (SAST) Regulations, it is mandatory for Titan Europe Plc., and Titan International, Inc. to make this Open Offer to the non promoter shareholders of WIL. The Open Offer by the Acquirer and the PAC, is being made at the highest price amongst the selective criteria and is in line with the Regulations prescribed under the SEBI (SAST) Regulations, and hence appears to be fair and reasonable.
