Wipro has multiple facilities in Chennai with over 22,000 employees. Wipro has been focused on ensuring the safety of its employees and their families and has rolled out multiple employee support initiatives to mitigate their hardship during this period. Outlook for the Quarter ending December 31, 2015

For the quarter ending December 31, 2015, the incident is expected to have a material impact on the Revenues and will result in higher one-time cost incurred towards deployment of our business continuity plan. Both these factors will impact our Operating Margins for the quarter. Revenues from our IT Services business are expected to be in the previously communicated range of \$ 1,841 million to \$ 1,878 million*; However, we expect revenues to be in the lower half of the guidance range.
