Wipro launches co-innovation center with Amazon Web Services

Wipro-AWS Launch Pad in Bengaluru, India will showcase AI, ML, Blockchain, and IoT solutions

East Brunswick, New Jersey, USA and Bangalore, India – August 01, 2019: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today unveiled the Wipro-AWS Launch Pad, a state-of-the-art immersive co-innovation center in collaboration with Amazon Web Services (AWS). Wipro, with its skilled team of AWS-certified employees, is an innovation-led technology partner for clients in their continuous business transformation journey.

This state-of-the-art 'innovation-in-action' center, located in Wipro's campus at Kodathi, Bengaluru, will enable Wipro to develop and showcase its offerings on AWS Cloud for clients across industry sectors. The center will serve as a multi-disciplinary customer showcase hub for specialized teams to ideate, collaborate, develop and deliver futuristic solutions, leveraging AWS Cloud services in the areas of artificial intelligence (AI), machine learning (ML), analytics, Internet of Things (IoT), blockchain, augmented and virtual reality, among others.

This center allows an integrated delivery approach that facilitates accelerated cloud adoption for enterprises, and will help clients improve agility, security and optimize costs to drive superior business performance.

From developing and creating leading-edge solutions to achieving Premier Consulting Partner status in the AWS Partner Network (APN), Wipro has developed deep expertise in AWS Cloud services to deliver transformational cloud programs. This center further reinforces Wipro and AWS's shared commitment to deliver innovative solutions and provide exceptional customer service.

Ramesh Nagarajan, Senior Vice President - Cloud, Wipro Limited said, "The Wipro-AWS Launch Pad showcases what we do best - envisioning the future and creating transformative solutions for our customers. With our expertise in AWS Cloud Services, we are excited to support our customers' continuous business transformation journey through the Wipro-AWS Launch Pad."

Ed Lenta, Managing Director, Asia Pacific, Amazon Web Services added, "Wipro is raising the bar with the Wipro-AWS Launch Pad by demonstrating the truly innovative experiences that can be developed on AWS. As an AWS Partner Network (APN) Premium Consulting Partner

driving some of our largest and most transformational projects, it's great to see Wipro's powerful vision for customer experiences come alive in such an engaging and immersive way."

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
