Wipro recognized as '2018 Citrix cloud partner of the year' - India and APJ

East Brunswick, New Jersey, USA and Bangalore, India – June 13, 2019: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has been recognized with the '2018 Citrix Cloud Partner of the Year' award for India and the Asia Pacific & Japan (APJ) region. Wipro received the award for its exemplary contribution towards enabling customers determine their cloud journey in the area of digital workspace.

Wipro was recognized by Citrix from among 80 global service providers offering cloud-enabled infrastructure services in the Asia Pacific & Japan region for its contribution to revenue, strategic client wins, sales engagement and investments in modern tools and cloud technologies, to help clients accelerate their digital journey.

Wipro's global experience in delivering end-to-end hybrid and multi-cloud solutions complements the Citrix technology portfolio. Wipro and Citrix work together to deliver an end-to-end, standardized and integrated portfolio of digital workspace solutions that offer clients a superior user experience, enhanced security and the freedom of choice in an app-centric, mobile-first, multi and hybrid cloud world. Wipro has built innovative solutions using Citrix Cloud services to deliver Workspace-as-a-Service, addressing both virtual and non-virtual workloads, mobility, network delivery and file sharing solutions for enterprises.

Paul Fecteau, Acting Partner AVP for Asia Pacific & Japan, and Managing Director of World-Wide Partner Programs and Operations, Citrix said, "Wipro has demonstrated outstanding innovation, achievement and alignment with both our vision and the growing needs of our mutual clients. Their success in creating a deal pipeline, closing business, and helping customers accelerate their journey to cloud is why we are privileged to recognize Wipro as our 2018 Cloud Partner of the Year for both India and the APJ regions."

Satish Y, General Manager & Practice Head, Cloud and Infrastructure Services, Wipro Limited said, "We are happy to receive the '2018 Citrix cloud partner of the year' award for the India and APJ regions. The award recognizes our efforts and success in helping our clients formulate their cloud strategy in the area of workplace digitalization. Working with Citrix is a key element of our value proposition in this space. We look forward to continue collaborating with Citrix to enhance productivity for our clients by modernizing their workplace technology infrastructure."

Wipro's LIVE Workspace™ solution, powered by the Wipro HOLMES™ artificial intelligence platform and backed by a strong partner ecosystem, will help enterprises advance to a digitally empowered, user-centric workspace from a traditional desktop system-based approach. The solution is an end-to-end standardized and integrated workplace offering consisting of pre-defined tools, technologies, and processes, that enables users to access their business applications and data, anywhere, anytime, and on a device of their choice. The solution also offers predictive and prescriptive analytics with cognitive capabilities to proactively identify

resolve, and manage critical applications and infrastructure-related snags before end users experience issues.

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
