Subject: Resignation

Dear Sudhir,

After considerable thought, I have decided to resign from my role as CMD of Yaap Digital Ltd.

I have realised that the demands and intensity of a full-time operating role are more than I would like to take on at this stage. I would like to focus on my own venture, while giving greater attention to my health and personal priorities.

This has been a difficult decision, as I have enjoyed working with you and the team and remain positive about YAAP and its future.

Thank you for the trust and warmth you have extended to me. I wish you and the entire team continued success.

Please treat this as my formal resignation letter.

warm regards,

Raj
