Dear Sir/Ma'am,

We would like to inform you that, the Company is aggressively strengthening its presence in Artificial Intelligence with a strategic focus on building consumer-centric AI products. The company is prioritising solutions that simplify complex creative workflows and offer users high-quality outputs in a seamless manner.

As part of this vision, the Company has developed Adiz an AI-powered visual creation platform designed especially for fashion, e-commerce, and digital marketing use cases. The platform enables users to generate high-quality model images and product creatives without the need for traditional photoshoots. It can be downloaded with below mentioned links:

- Android (Google Play): <https://play.google.com/store/apps/details?id=com.adiz>
- iOS (App Store): <https://apps.apple.com/us/app/ai-cloth-changer-adiz/id6746317167>

Key AI Features of Adiz include:

- **AI Cloth Change:** Allows users to upload a photo and instantly apply new outfits, designs, or fashion styles using advanced generative AI.
- **AI Modelling Photos:** Creates professional-looking model images by generating poses, looks, and apparel visuals suitable for ads, catalogues, and social media promotions.
- **Product-to-Model Mapping:** Converts simple product photos into model-worn visuals, helping brands showcase their items without arranging live shoots.
- **AI Background & Scene Generation:** Produces studio-style, themed, or lifestyle backgrounds for enhanced presentation.

- Ad Creative Generation: Delivers ready-to-use promotional images for marketing, branding, and online listings within seconds.

Adiz has achieved strong early traction, recently crossing 100,000 downloads through the company's developer account. This growth reflects increasing demand for AI-driven modelling and fashion-based creative tools.

We will continue investing in AI product pipeline, with Adiz representing the first major step in delivering scalable, high-impact AI solutions aligned with market needs.

Kindly take note of the same in your records.

Thanking you,
Sincerely Yours,
