MODI GOVERNMENT'S RESOLVE

# Centre to ease export procedures

Insurers will be urged to back exporters' interests

FE BUREAU  
New Delhi, March 2

THE GOVERNMENT WILL extend flexibility of procedures to exporters in the wake of the hardship they face due to West Asia conflict. Procedures for export authorisation will be eased and financial and insurance institutions will be urged to support exporters' immediate interests.

In a meeting with stakeholder ministries and key logistics & trade facilitation partners to review the emerging geopolitical situation and its potential impact on India's export-import cargo flows, the Commerce Ministry also offered to coordinate with customs authorities to ensure smooth cargo clearance.

### AID ON THE CARDS

- **Customs coordination offered:** Aim to prevent congestion for sensitive exports like perishables, and pharma products
- **Straits of Hormuz blocked: 70% drop in vessel traffic; about 320 ships anchored**

Shipping costs spike: War risk premiums increased by **25-50%**

- **Exporters seek relief:** Restore RoDTEP refunds, keep ECGC premiums stable
- **Sector-specific demands—Apparel:** demurrage waiver; Gems & Jewellery: extended shipment and certification timelines

Smooth cargo evacuation would avoid congestion and extended dwell times particularly of time-sensitive export segments such as perishables, pharmaceuticals, and high-value manufactured exports

The meeting called by the Commerce Ministry was also attended by representatives from logistics operators and

shipping lines/forwarders, the Central Board of Indirect Taxes and Customs, the Department of Financial Services, the Ministry of Petroleum and Natural Gas, the Ministry of Ports, Shipping and Waterways, the Reserve Bank of India, the export promotion ecosystem and other concerned agencies.

Following the US-Israel

strikes on Iran, the Strait of Hormuz—through which 20% of the world's oil transits—has seen a 70% drop in vessel traffic, according to reports. Approximately 170 container ships and 150 oil tankers are currently anchored or "trapped" inside the Persian Gulf or its immediate approaches, unable to exit safely. Major shipping giants—

including Maersk, MSC, Hapag-Lloyd, and CMA CGM—have officially suspended all transits through the Strait until further notice. War risk premiums for ships going through West Asian routes have increased by 25-50%. The shipping companies have also put a war risk surcharge of \$1,500 to \$2,000 per 20 feet container to their charges, according to reports.

With the war expanding to other countries, exporters are still awaiting updates on their cargoes at sea. They say it would take a few more days for clarity to emerge on the status of their shipments and the new charges they will have to bear.

As an immediate support measure, exporters have asked for restoration of tax refund rates under the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme. They also sought that the insurance premiums under the Export Credit Guarantee scheme not be raised.

# No hike in petrol, diesel prices

RETAIL PETROL AND diesel prices are unlikely to be increased in the near term even as global oil prices rose about 9% following US and Israel attacks on Iran and retaliatory strikes by Tehran, sources said.

For India, which imports 88% of its requirement of crude oil, higher global prices translate into a larger import bill and potential inflationary pressures. However, retail fuel prices are not expected to be raised immediately, as the government continues to follow a calibrated policy of allowing companies to build margins when international prices are low and cushioning consumers when rates rise, sources said.

# Deeply concerned, India supports dialogue: PM

SHUBHAJIT ROY  
New Delhi, March 2

EXPRESSING "DEEP CONCERN" over the "current situation" in West Asia, Prime Minister Narendra Modi on Monday said India supports the resolution of all disputes through dialogue and diplomacy. After meeting Canadian counterpart Mark Carney in New Delhi, Modi said, "We will continue to work with all countries to ensure the safety of all Indian citizens present in this region."

"India's position on the many ongoing tensions in the world has been clear. We have always called for maintaining peace and stability. And when two democracies stand

together, the voice for peace becomes even stronger."

"The current situation in West Asia is a matter of deep concern for us. India supports the resolution of all disputes through dialogue and diplomacy. We will continue to work with all countries to ensure the safety of all Indian citizens in the region," he said.

There was no reference to the killing of Iran's Supreme Leader Ayatollah Ali Khamenei in the statement.

Modi also spoke to Bahrain King Hamad bin Isa Al Khalifa and "condemned the attacks on Bahrain" — it is home to the US Naval Forces Central Command and the Fifth Fleet and has been targeted by the Iranian military. "Had a productive

Prime Minister Narendra Modi

telephone conversation with the King of Bahrain, His Majesty King Hamad Bin Isa Al Khalifa. India condemns the attacks on Bahrain and stands in solidarity with its people in this difficult hour. I thank him for the steadfast support extended to the Indian community in Bahrain," Modi wrote in a post on X.

His comments came hours after he spoke to Netanyahu late Sunday night. Modi was in

Israel on February 25 and 26. Within 40 hours of his departure, the US and Israel began attacks on Iran. Tagging Netanyahu's X handle, Modi said, "Had a telephone call with PM Benjamin Netanyahu to discuss the current regional situation. Conveyed India's concerns over recent developments and emphasised the safety of civilians as a priority. India reiterates the need for an early cessation of hostilities."
