Exp. 2022-01-30 / Amendment #2306

Updates: Receipt of orders from Indian as well international customers for Annual Maintenance contract and supply of products.

1. This is to inform you that today we have received an order from a government customer for Annual Maintenance Contract for a period of 5 years for an approximate value of ₹ 40 Cr.
2. On export front the Company recently received an order for supply of Zen's simulators to a West African army for about USD 1.4 million and the same has been partially executed.

Further the Company received order for supply of Zen's simulators to a Middle East country for about 700,000 USD. The order is expected to be executed during Q3 of FY 2020-21.

Both the export orders aggregate to ₹ 15.56 Crores (converted USD @ ₹ 73.28).

About Zen Technologies Ltd. (Zentec)

Zen Technologies is a leading defense training solutions provider. It was incorporated in the year 1993 with an aim to develop state-of-the-art training simulators for weapons and allied defence equipment.

Zen, over the years, has developed expertise in designing, developing and manufacturing various types of simulators. The company has supplied over 450 simulators to over 100 customers. Its customers are located across the length and breadth of the country. Its main customers are Defence, Services, State Police forces, Para Military forces and the Navy of a South-East Asian country.
