Sub: Clarification on news item appearing in <https://www.livemint.com> – “Zomato hikes platform fee to 10 amid festive season rush”

Dear Sir,

We are in receipt of your email bearing ref. no. NSE/CM/Surveillance/14908 dated October 23, 2024, seeking a clarification on news item appearing on <https://www.livemint.com> captioned “Zomato hikes platform fee to Rs.10 amid festive season rush”.

At the outset, we would like to state that this is not a rumor, as the source of information mentioned in the article is the Zomato mobile application itself which is public and available for everyone to see and check. We have indeed increased the platform fee yesterday across certain cities. Such changes in our platform fee are a routine business matter and are done from time to time and may vary from city to city.

Hope the above addresses your queries. We remain available to address any further queries that you may have.

Please note that this intimation will be made available on the Company’s website www.zomato.com.
