Zota Health Care is Celebrating India's 79th Independence Day with a Milestone of Opening 103 Davaindia Stores in a Single Day

Surat, August 14, 2025: Zota Health Care Ltd (NSE: Zota): On the proud occasion of India's 79th Independence Day, Zota Healthcare Limited is set to celebrate the spirit of freedom by opening **103 new Davaindia stores in a single day** across the nation. This historic expansion includes **79 Company Owned Company Operated (COCO) stores** and **24 Franchise Owned Franchise Operated (FOFO) stores**. With this achievement, the Davaindia network will grow to **1,931 stores** with the blend of 1,106 COCO stores and 825 FOFO stores serving communities across India. A major contributor to this achievement has been the remarkable growth in COCO stores, which shall surpass the 1,100 COCO-store mark, increasing from 1,001 to 1,106 in just forty-two days. The company has also applied to the India Book of Records for this landmark accomplishment.

The opening of these stores is not just about numbers. It is a step towards empowering people across India with access to quality generic medicines at affordable prices. From bustling metros to smaller towns, every new store strengthens Davaindia's vision of bridging healthcare gaps and improving the well-being of communities.

Note: COCO stores are being operated by Davaindia Health Mart Limited, the Wholly Owned Subsidiary of the Company.

Commenting on operational development, Mr. Ketankumar Zota, Chairman, Zota Health Care Limited said, *"Independence Day is a celebration of our nation's freedom, and at Zota Healthcare, we see good health as another form of freedom - freedom from illness, freedom from the burden of costly medicines. On this special day, we are proud to open 103 new Davaindia stores in just one day, taking our total count to 1,931 stores across India. This milestone is just the beginning. In the coming years, we aim to reach every district, every town, and every neighbourhood, so that no one is left behind in the journey towards better health. As India marches forward, we will continue to grow with the same passion and commitment because true independence means health and happiness for all."*
